

Welcome Kindergarten Scholars

Dear Kindergarten Students and Parents/Guardians,

Welcome to an exciting adventure at Kay Pace School of the Arts! We are thrilled to embark on this journey with you as we begin the 2024-2025 school year. This year promises to be full of discovery, growth, and fun as we explore the wonders of learning together.

Kindergarten is a special time filled with new experiences and friendships that will last a lifetime. We are committed to providing a nurturing and engaging environment where every child feels valued, supported, and inspired to reach their full potential.

In our Kindergarten program, your child will engage in a variety of activities designed to foster their social, emotional, cognitive, and physical development. From imaginative play to hands-on exploration, our curriculum is carefully crafted to ignite curiosity, creativity, and a love for learning.

Our dedicated team of educators is here to guide and support your child every step of the way. With their expertise and passion for teaching, they will create meaningful learning experiences tailored to meet the unique needs and interests of each student.

As parents/guardians, your involvement is essential to your child's success. We encourage open communication and collaboration between home and school to ensure that together, we can provide the best possible educational experience for your child.

We understand that starting Kindergarten can be both exciting and daunting for both children and parents/guardians alike. Please know that we are here to support you every step of the way. Whether you have questions, concerns, or simply want to share in your child's progress, we are always here to listen and assist you.

We are looking forward to getting to know each and every one of you and creating wonderful memories together throughout the school year. Together, let's make this a year to remember!

Once again, welcome to Kindergarten!

Warm regards,

Kindergarten Team
