Welcome

Dear Room 12 Families,

Welcome! My name is Sandy Johnson. I am so excited to be your child's teacher this year and I can't wait to get to know your family! What matters most to me is that your child feels **SAFE**, **HAPPY**, and **LOVED**. This is when kiddos are able to make the most growth socially and academically. It is also very important to me that every child feels seen and heard by myself and their peers. I strive to create a classroom community where kids feel empowered and want to empower others. Second graders become world changers. This year we are going to work hard, challenge ourselves, and HAVE FUN! Every child deserves joyful learning and to have a team cheering them on. We are that team! Working together to make sure your kiddo has everything they need to be successful this year. We've got this!!

"Every child deserves a champion—an adult who will never give up on them, who understands the power of connection, and insists that they become the best that they can possibly be." **– Rita Pierson**

Love,

Mrs. Johnson
