STUDENTS

Any student who threatens, physically assaults, batters or abuses another student shall be subject to appropriate disciplinary action, including suspension or expulsion.¹

Students may also be subject to prosecution or juvenile justice interventions for assault, threats, or other abusive conduct.

The Principal shall provide written notice to all students, parents, and guardians of students within ten (10) days of the first instructional day of each school year of the provision of [KRS 508.078](#) and potential penalties under [KRS 532.060](#) and [KRS 534.030](#).²

EDUCATIONAL PERSONNEL

Any student who threatens, physically assaults, batters or physically or verbally abuses educational personnel on or off school property (and the incident is likely to substantially disrupt the educational process) shall be subject to appropriate disciplinary action¹ up to and including expulsion from school and/or legal action.

REMOVAL OF STUDENTS

School administrators, teachers, or other school personnel may immediately remove or cause to be removed threatening or violent students from a classroom setting or from the District's transportation system pending any further disciplinary action that may occur. Threatening or violent behavior shall include, but not be limited to:

1. Disrupts the classroom environment and education process or the student challenges the authority of a supervising adult.
2. Verbal or written statements or gestures by students indicating intent to harm themselves, others or property.
3. Physical attack by students so as to intentionally inflict harm to themselves, others or property.

The Principal may establish (school) procedures for a student's removal from and reentry to the classroom when the student's behavior disrupts the classroom environment and education process or the student challenges the authority of a supervising adult. In addition to removal, the student shall be subject to further discipline for the behavior consistent with the school's code of conduct.

Removal of students from a bus shall be made in compliance with [702 KAR 005:080](#).

Each school shall designate the site(s) to which employees may remove students from a classroom setting and the employee(s) who will supervise the student at the site.

When teachers or other personnel remove a student, they shall complete and submit a form to document the removal and the causes as soon as practicable. The Principal shall review the removal as soon as possible to determine if further disciplinary action is warranted or if the student is to be returned to the classroom.

Assault and Threats of Violence**REMOVAL OF STUDENTS (CONTINUED)**

Per [KRS 158.150](#), a student who is removed from the same classroom three (3) times within a thirty (30) day period shall be considered “chronically disruptive” and may be suspended from school and no other basis for suspension shall be deemed necessary.

At any time during the school year, for a student who has been removed from the classroom the Principal may require a review of the classroom issues with the teacher and the parent, guardian, or other person having legal custody or control of the student and determine a course of action for the teacher and student regarding the student's continued placement in the classroom.

At any time during the school year, the Principal may permanently remove a student from a classroom for the remainder of the school year if the Principal determines the student's continued placement in the classroom will chronically disrupt the education process for other students.

When a student is removed from a classroom temporarily or permanently, the Principal shall determine the placement of the student in lieu of that classroom, which may include but is not limited to:

- Another classroom in that school; or
- An alternative program or setting, which may be provided virtually, as approved by the Superintendent.

Any permanent action by the Principal shall be subject to an appeal process in accordance with Policy 09.4281/Grievances.

When they have reasonable belief that a violation has taken place, principals shall immediately report to law enforcement officials when an act has occurred on school property or at a school-sponsored function that involves assault resulting in serious physical injury, a sexual offense, kidnapping or each instance of assault involving the use of a weapon.

DOMESTIC/DATING VIOLENCE REPORTING AND EDUCATION

Upon the request of a victim, school personnel shall report an act of domestic violence and abuse or dating violence and abuse to a law enforcement officer. School personnel shall discuss the report with the victim prior to contacting a law enforcement officer.

School personnel shall report to a law enforcement officer when s/he has a belief that the death of a victim with whom s/he has had a professional interaction is related to domestic violence and abuse or dating violence and abuse.

These reporting requirements covering domestic violence and abuse or dating violence and abuse do not relieve school personnel of the duty to report any known or suspected abuse, neglect, or dependency of a child pursuant to [KRS 620.030](#). This separate reporting requirement covers abuse, neglect or dependency of a child committed or caused by a parent, guardian, other person exercising control or supervision, or a person in a position of authority or special trust.
