

## Career & Technical Education

### Nursing

#### DESCRIPTION:

This course is for students interested in the medical field. Students learn basic anatomy and physiology of the human body as well as prepare for work as a nursing assistant. Nursing assistant programs are often pre-requisites for Registered Nursing programs. This course also counts as year one of the EVIT EMT program. Students wishing to gain practical experience in patient care can work in industry while pursuing their education. Successful students qualify for Certified Nursing Assistant (CNA) or Licensed Nursing Assistant (LNA) status upon passing the State Board of Nursing Licensing exam offered on site.

#### SITES:

Saguaro (Signature program open to all SUSD Students)
