

Whole School Uniform Policy

General Rule

Students at ICS Paris are required to wear a uniform when they are at school, in the vicinity of school, or on school outings.

- Uniform rules apply to **ALL** students regardless of age.
- All clothing must be in good condition, must fit properly, and must not reveal any undergarments.
- Earrings are the only visible piercings allowed. Students must wear studs or small hoops.
- The wearing of any religious symbols (crosses, bindis, hijabs, shailahs or kippahs) is not allowed in school

Aims and Objectives

Our school uniform policy is based on the notion that a school uniform:

1. promotes a sense of pride in the school
2. engenders a sense of community and belonging towards the school
3. is practical, easy to manage/prepare for the day, and smart
4. identifies students with the school
5. prevents students from coming to school in fashionable clothes that could prove distracting in class
6. makes students feel equal to their peers in terms of appearance
7. is regarded as suitable wear for school
8. is designed with health and safety in mind

The role of parents

The school asks all parents who send their children to our school to support the school uniform policy. The school believes that parents have a duty to send their children to school correctly dressed and ready for the school day. Parents and guardians are responsible for ensuring that their child(ren) comply with this policy. There will be no exceptions.

The role of teachers and staff

Teachers and staff assist in enforcing the school Uniform Policy. Staff and teachers retain the right to refuse students into their classrooms who do not comply with the uniform policy. Teachers record infringements on Managebac if the students are not in uniform and send the student to principal office immediately.

Acquiring school uniforms

The school and sports uniforms can be ordered via the school website <https://www.icsparis.fr/student-life/school-life/uniforms> & collected from school.

Rules relating to the school uniform

1. **General application of policy** – Students must arrive at school in uniform and wear their uniform for the entire school day. All required pieces of clothing can be purchased via the school website or, when not available, alternatives can be bought from elsewhere as long as they correspond to the same colours as the official school uniform.

ICS Paris reserves the right to send home, or to sanction immediately, any student not wearing their uniform at school. Parents will be informed accordingly by e-mail.

2. **Hair** – Hair should be kept in a clean and tidy style at all times. Discrete unnatural hair colours are permitted in school. Students with long hair may also be asked to tie it back when it poses a health and safety issue and/or obstructs their learning (for example, in sports or science).

Face or body piercings are prohibited in school. In any matter of dispute, the Head of School's decision will be final.

5. **Lab coats** – Students in Grades 6 and above must wear a plain white lab coat in science class when directed to do so by their teacher.
