PROFILE OF A LEARNER

Profile of a Learner

Developed with input from community and business leaders, parents, students, teachers, and staff.

Competencies we want ALL of our students to master.

One of three “Big Rocks” for our Office of Student Learning

1. Profile of a Learner
2. Highly Effective Instruction
3. Staff Development

Scott County Preschool: Why is water important?

What can you do with **WATER**? Before (11)

AM	PM
<ul style="list-style-type: none">• Drink water• Might have to potty if you drink it.• Wash your hands• Grow fruits and vegetables• You can plant flowers• Grow pumpkins• Plant apples• Swim in a pool	<ul style="list-style-type: none">• Drink it• Take a bath• A shower• A water tower for your sink• A sewer• Wash hands• Water our plants• Bath tub

? Why does water help plants grow?

Where does **Water** come from?

AM	PM
<ul style="list-style-type: none">• The clouds• sink• a glass• a bath• home• shower• bathtub• the fridge• a hose	<ul style="list-style-type: none">• sink• bathtub• inside a sewer• Shower• my home• the beach, salty water• water fountain

Why is **water** important?

<ul style="list-style-type: none">• bc it will make you freeze• bc it keeps you hydrated• so we can be healthy• bc it can water your plants	<ul style="list-style-type: none">• you can drink water, bc it's healthy• bc it can make you strong• you can swim in it• bc we wash our hands w/ it• bc it helps animals and people• bc you take a bath
--	--
