Summer Reading Recommendations and Assignments

The attached [list](#) provides recommended titles for *all* students in Grades 9-12. We encourage you to review the list and select books of interest.

All students are encouraged to read as many books as interest them on the Delaware County [Reading Olympics List](#) (click to access). This does not mean you will be a part of the Reading Olympics team, but there is a wonderful variety of book styles and genres on the list to enjoy.

The following titles are required for the various AP and Honors courses. Please click on the course title to see the complete assignment.
