## CERTIFICATE OF INSURANCE

Your insurance has been designed to provide financial help for you when a covered loss occurs. Your employer has chosen benefits provided by a Group Policy issued by Us, Principal Life Insurance Company. To the extent that benefits are provided by that Group Policy, the administration and payment of claims will be done by Us as an insurer.

The provisions of the Group Policy determine Members' rights and benefits. This booklet briefly describes those rights and benefits. It outlines what you must do to be insured. It explains how to file claims. It is your certificate while you are insured.

The effective date of your insurance is as shown on your Scheduled Benefits Summary and your enrollment form. You should keep your Scheduled Benefits Summary, enrollment form, any change of beneficiary or change of name forms, or other similar forms with your booklet after the form has been recorded by Us and returned to you.

NOTE: If this insurance replaces prior group life insurance provided through the Policyholder, the beneficiary named under the prior group life insurance and recorded by the Policyholder will be the beneficiary under the Group Policy unless you have named a new beneficiary. If you wish to change your beneficiary designation, you must complete a new beneficiary designation form - see the Policyholder for the necessary form.

THIS BOOKLET REPLACES ANY PRIOR BOOKLET THAT YOU MAY HAVE RECEIVED. If you have any questions about this new booklet, please contact your employer. In the event of future changes to your insurance, you will be provided with a new Scheduled Benefits Summary, booklet-certificate, or a booklet-certificate rider.

If you have an electronic booklet, paper copies of this booklet-certificate are also available. Please contact your employer if you would like to request a paper copy.

PLEASE READ YOUR BOOKLET CAREFULLY. We suggest that you start with a review of the terms listed in the DEFINITIONS Section (at the back of the booklet). The meanings of these terms will help you understand the insurance.

This booklet describes all the benefits available under the Group Policy underwritten by Us. However, if you have elected to not accept any available benefits, those benefits described in this booklet will not apply to you.

The group insurance policy and your insurance under the Group Policy may be discontinued or altered by the Policyholder or Us at any time without your consent.

We reserve discretion to construe or interpret the provisions of the Group Policy, to determine eligibility for benefits, and to determine the type and extent of benefits, if any, to be provided, subject to the Claims Procedures shown on GH 113. This interpretation may be modified or reversed by a court or regulatory agency with appropriate jurisdiction.

ACCELERATED BENEFITS - Benefits paid as shown in this booklet-certificate for Accelerated Benefits are an advance of a portion of your Life Insurance benefit. This provision:

- accelerates and reduces your benefit;
- is not intended to be used as long-term care insurance.

Effect on Government Benefits. If you receive payment of Accelerated Benefits, you may lose your right to receive certain public funds, such as Medicare, Medicaid, Social Security, Supplemental Security, Supplemental Security Income (SSI), and possibly others.

Tax Consequences. Receiving Accelerated Benefits from the Group Policy may have tax consequences for you. We cannot give you advice about this. You may wish to obtain advice from a tax professional or an attorney before you decide to receive Accelerated Benefits from the Group Policy.

This is a life insurance policy which pays accelerated death benefits at your option under conditions specified in the policy. The policy is not a long-term care policy meeting the requirements of sections 62A.46 to 62A.56 or Chapter 62S.

The insurance provided in this booklet is subject to the laws of the state of MINNESOTA.

## HOW TO BE INSURED - MEMBERS

### MEMBER LIFE INSURANCE MEMBER ACCIDENTAL DEATH AND DISMEMBERMENT INSURANCE

#### **Eligibility**

To be eligible for insurance you must be a Member.

If you are a Member on November 1, 2018 you will be eligible on that date.

If you are not a Member until later, you will be eligible on the first of the Insurance Month coinciding with or next following the date you become a Member as defined on GH 114.

In no circumstance will you be eligible for Member Life Insurance under the Group Policy if you are eligible under any other Group Voluntary Term Life Insurance policy underwritten by Us.

#### **Effective Dates - Actively at Work**

If you are not Actively at Work on the date your insurance would otherwise be effective, your insurance will not be in force until the day you return to Active Work.

This Actively at Work requirement will be waived for you if:

- you are absent from Active Work because of a regularly scheduled day off, holiday, or vacation day; and
- you were Actively at Work on your last scheduled work day before the date of your absence; and
- you were capable of Active Work on the day before the scheduled effective date of your insurance or change in your insurance, whichever is applicable.

This Actively at Work requirement may also be waived as described below.

When insurance under the Group Policy replaces coverage under a Prior Policy, the Active Work requirement may be waived for those Members who:

- are eligible and enrolled under the Group Policy on the date the Group Policy is effective; and
- were covered under the Prior Policy on the date of its termination (including coverage under a state continuation provision).

In no event will the Active Work requirement be waived for those Members who, on the date of termination of the Prior Policy were eligible under the terms of the Prior Policy to have their premiums waived due to Total Disability.

NOTE: When insurance under the Group Policy replaces coverage under a Prior Policy and the Active Work requirement is waived, any benefits payable will be the lesser of the Scheduled Benefit of the Group Policy or the amount that would have been paid by the Prior Policy had it remained in force.

#### **Individual Incontestability and Misstatement of Age**

All statements made by any insured person (you or one of your Dependents) will be representations and not warranties. These statements may not be used to contest an insured person's insurance unless:

- the insurance has been in force for less than two years during the insured person's lifetime; and
- the statement is in Written form Signed by the insured person; and
- a copy of the form, which contains the statement, is given to the insured person or the insured person's beneficiary at the time insurance is contested.

We will not retroactively terminate your insurance without your Written consent.

Your Written consent is not required if:

- the Group Policy is lawfully terminated retroactively and not replaced with substantially similar insurance; or
- you committed fraud or misrepresented eligibility under the terms of the Group Policy or any other material fact; or
- We retroactively terminate your insurance solely because the Policyholder did not notify Us of the insurance in advance of your voluntary or involuntary termination of employment.

When insurance is retroactively terminated because the Policyholder did not notify Us of the insurance in advance of your voluntary or involuntary termination of employment, it cannot cease earlier than the end of the day of termination from employment.

If the Policyholder requested Us to include you as an insured, retroactive termination of insurance without Written consent must not be based on the failure of you or your Dependent to meet the Policyholder's eligibility requirements.

However, the above will not preclude the assertion at any time of defenses based upon the person not being eligible for insurance under the Group Policy or upon other provisions of the Group Policy.

In addition, if a person's age is misstated, We may, at any time, adjust premium and benefits to reflect the correct age.

### **Assignments**

No assignments of Member Life Insurance will be allowed under the Group Policy.

#### Reduction of Work Hours or Termination of Employment

"Termination of Employment" will include cessation of Active Work due to sickness or injury, layoff, leave of absence, or retirement, but will not include any discharge for gross misconduct.

If your insurance ends because of a reduction of work hours or Termination of Employment, you may elect to continue insurance (including Accidental Death and Dismemberment Insurance and Dependents insurance) by paying the cost. If you or one of your Dependents die during the 60-day continuation election period and before you elect to continue or reject insurance, then you will be considered to have elected continuation of insurance. We will pay your beneficiary or the beneficiary of your Dependent the Scheduled Benefit in force on the date of death, less any unpaid premium due.

If your insurance would otherwise terminate because of your voluntary or involuntary Termination of Employment or reduction in work hours, the Policyholder must notify you within 14 days after such termination. Such notice must be in Writing, be sent by first class mail, and provide notice of:

- the right to elect to continue the insurance;
- the amount you must pay monthly to the Policyholder to retain the insurance;
- the manner in which and the office of the Policyholder to which the premium must be made; and

- the time by which the premiums to the Policyholder must be made.

You must notify the Policyholder in Writing and pay the first premium within 60 days after the later of:

- the date insurance would otherwise cease; or
- the date you receive the Policyholder's Written notice.

The continued insurance will terminate on the earliest of:

- the date insurance has been continued for 18 months; or
- the end of the period for which contributions are paid, if you fail to make timely payment of a required contribution; or
- the date the Group Policy is terminated (The continuation period may be completed under the replacement plan, if any.); or
- the date you or your Dependent become insured under another group life insurance policy; and
- for your Dependent, the date he or she ceases to be a Dependent.

## DESCRIPTION OF BENEFITS

### MEMBER LIFE INSURANCE

#### Death Benefit

If you die while insured for Member Life Insurance, We will pay your beneficiary the Scheduled Benefit (or approved amount, if applicable) in force on the date of your death, less any unpaid premium and less any Accelerated Benefit payment as discussed later in this section. Any benefit due a beneficiary who does not survive you will be paid in equal shares to your surviving beneficiaries. If a beneficiary dies at the same time or within 15 days of you, but before We receive Written proof of your death, payment will be made as if you survived the beneficiary. If no beneficiary survives you or if no beneficiary is named, We will make payment in the following order of precedence:

- to your spouse;
- to your children born to or legally adopted by you;
- to your parents;
- to your brothers and sisters; or
- if none of the above, to the executor or administrator of your estate or other persons as provided in the Group Policy.

However, if We are notified that a beneficiary is suspected or charged with your death, the Death Benefit may be withheld until additional information has been received or the trial has been held. If a beneficiary is found guilty of your death, such beneficiary may be disqualified from receiving any benefit due. Payment may then be made to any contingent beneficiary or to the executor or administrator of your estate.

You or your beneficiary may elect to have the payment of proceeds paid in a lump sum payment or may request alternative payment methods. You or your beneficiary may request alternative payment methods which include, but are not limited to, a life income option, an income option for fixed amounts or fixed time periods, and the option to select an interest-bearing draft account with Us with the right to select another option at a later date.

No payment will be made before We receive Written Proof of your death.

If you die by suicide within 24 months after the initial coverage effective date of your Member Life Insurance, We will pay your beneficiary the amount of any premium paid by you to Us during the period of time your insurance was in force in lieu of the Scheduled Benefit (or approved amount, if applicable) in force on the date of your death. If you were insured for at least 24 months after the initial coverage effective date and die by suicide within 24 months after an increase in the Scheduled Benefit amount (or approved amount, if applicable), We will pay your beneficiary the Scheduled Benefit amount in force immediately prior to the increase plus the amount of any premium paid by you to Us on such increase in lieu of the Scheduled Benefit (or approved amount, if applicable), in force on the date of your death. Any such payment will discharge Us to the full extent of such payment.

However, the 24 months may be reduced by any time satisfied under the Prior Policy, provided you were insured under the Prior Policy and coverage was in force for you on the date the Group Policy became effective.

#### Beneficiary

You should name a beneficiary at the time you enroll for insurance. You may name or later change your beneficiary by sending a Written request to Us or the Policyholder. See the Policyholder for change request forms. A change in your

beneficiary will not be in force until We or the Policyholder record(s) the change. Once recorded, the change will apply as of the date the request was Signed. If We properly pay any benefit before a change request is received, that payment may not be contested.

**Continuation (Member Life Insurance - Coverage During Disability)**

If you cease Active Work for any reason, other than discharge for gross misconduct or disability, your insurance may be continued as described under Continuation of Benefits on GH 118A MN, and if you cease Active Work because you are Totally Disabled, you might qualify to continue your Member Life and Member Accidental Death and Dismemberment Insurance and Dependent Life and Dependent Spouse Accidental Death and Dismemberment Insurance. This continuation is called Coverage During Disability. This Coverage During Disability provision does not apply to you if you have continued coverage under the Portability provision, as described on GH 307.

To be qualified for Coverage During Disability, you must:

- become Totally Disabled while insured for Member Life Insurance; and
- become Totally Disabled before attainment of age 60; and
- remain Totally Disabled continuously; and
- be under the regular care and attendance of a Physician; and
- send proof of Total Disability to Us within one year of the date Total Disability starts and as often thereafter as We may require; and
- submit to examinations by a Physician or evaluations by an evaluator when We require (We will pay for these examinations and will choose the Physician).

We have the right to require you to undergo medical evaluations, functional capacity evaluations, vocational evaluations, and/or psychiatric evaluations during the course of a claim. The examinations or evaluations will be performed by a Physician or evaluator We choose as appropriate for the condition and will be conducted at the time, place and frequency We reasonably require.

We will pay for these examinations and evaluations and will choose the Physician or evaluator to perform them. Failure to attend a medical examination or cooperate with the Physician may be cause for denial of your benefits. Failure to attend an evaluation or to cooperate with the evaluator may also be cause for denial of your benefits. If you fail to attend an examination or an evaluation, any charges incurred for not attending an appointment as scheduled may be your responsibility.

If you qualify, Coverage During Disability will be in force on the earlier of:

- the day nine months after the date your Total Disability began; or
- the date of your death.

Premium will not be charged for Member Life and Member Accidental Death and Dismemberment Insurance and Dependent Life and Dependent Spouse Accidental Death and Dismemberment Insurance while your Coverage During Disability is in force.

If your Member Life Insurance Policy is terminated for any reason your Coverage During Disability will remain in force.

Coverage During Disability will cease on the earliest of:

- the date your Total Disability ends; or
- the date you fail to send Us any required proof of Total Disability; or
- the date you cease to be under the regular care and attendance of a Physician; or
- the date you fail to submit to a required Physician's examination or evaluation by an evaluator; or
- the date you are age 65.

If you die while Coverage During Disability is in force, We will pay your beneficiary the Member Life Insurance benefit, if any, that would have been paid had you remained insured under the Schedule of Insurance in force on the date your Total Disability began. Member Life Insurance benefits are subject to all reductions provided in the Group Policy including reductions due to salary changes, and age changes, and receipt of an Accelerated Benefit payment.

Note that Coverage During Disability will not be in force and NO BENEFIT WILL BE PAID if Written proof of Total Disability is not sent to Us within ONE YEAR of the date Total Disability starts. However, failure to give Written proof within the time specified will not invalidate or reduce any claim if Written proof is given as soon as reasonably possible.

No benefits will be paid for any disability that:

- results from willful self-injury or self-destruction, while sane or insane; or
- results from war or act of war; or
- results from commission of or attempted commission of a felony.

#### **Accelerated Benefit**

An Accelerated Benefit is an advance (before death) payment of a part of your Member Life Insurance benefit. To qualify for an Accelerated Benefit, you must:

- be insured for a Member Life Insurance benefit of at least \$10,000; and
- be Terminally Ill (expected to die within 12 months); and
- send a request for Accelerated Benefit payment to Us; and
- send proof, satisfactory to Us, of your Terminal Illness.

Proof of Terminal Illness will consist of a statement from your Physician, and any other medical information that We believe is needed to confirm your status.

If you qualify, We will pay you any amount you request, except that:

- only one Accelerated Benefit payment will be made during your lifetime; and
- you must request a payment of at least \$5,000; and
- We will not pay you more than the lesser of: (1) 75% of your Member Life Insurance benefit; or (2) \$250,000.

We will pay you the Accelerated Benefit payment in a lump sum.

If an Accelerated Benefit is paid, the Member Life Insurance benefit otherwise payable to your beneficiary upon your death will be reduced by any Accelerated Benefit payment.

Following is an EXAMPLE of how this benefit affects the final death benefit.

BENEFIT EXAMPLE		
Member Life Insurance Benefit Amount	\$	100,000
Accelerated Benefit Amount Requested (Member would receive \$75,000)	\$	75,000
Payment to Member's Beneficiary (\$100,000 - \$75,000)	\$	25,000

During the two-year period following payment of an Accelerated Benefit:

- termination of Active Work because of your Terminal Illness will not result in termination of your Member Life Insurance; and
- your Member Life and Member Accidental Death and Dismemberment Insurance and Dependent Life and Dependent Spouse Accidental Death and Dismemberment Insurance will be provided without premium charge.

## CLAIM PROCEDURES

### Notice of Claim

Written notice of claim must be given to Us within 20 days after the date of loss. Failure to give notice within the time specified will not invalidate or reduce any claim if notice is given as soon as reasonably possible.

### Claim Forms

Claim forms and other information needed to prove loss must be filed with Us in order to obtain payment of benefits. The Policyholder will provide forms to assist you in filing claims. If the forms are not provided within 15 days after We receive such notice, you will be considered to have complied with the requirements of the Group Policy upon submitting, within the time specified below for filing proof of loss, Written proof covering the occurrence, character and extent of the loss.

### Proof of Loss

Completed claim forms and other information needed to prove loss should be filed promptly. Written proof of loss should be sent to Us within 90 days after the date of loss. Proof required includes the date, nature, and extent of the loss. We may request additional information to substantiate your loss or require a Signed unaltered authorization to obtain that information from the provider. Your failure to comply with such request could result in declination of the claim. For purposes of satisfying the claims processing timing requirements of the Employee Retirement Income Security Act (ERISA), receipt of claim will be considered to be met when the appropriate claim form is received by Us.

### Payment, Denial, and Review

ERISA permits up to 45 days from receipt of claim for processing the claim. If a claim cannot be processed due to incomplete information, We will send a Written explanation prior to the expiration of the 45 days. A claimant is then allowed up to 45 days to provide all additional information requested. We are permitted two 30-day extensions for processing an incomplete claim. Written notification will be sent to a claimant regarding the extension.

In actual practice, benefits under the Group Policy will be payable sooner, provided We receive complete and proper proof of loss. Further, if a claim is not payable or cannot be processed, We will submit a detailed explanation of the basis for Our denial.

A claimant may request an appeal of a claim denial by Written request to Us within 180 days of the receipt of notice of the denial. We will make a full and fair review of the claim. We may require additional information to make the review. We will notify the claimant in Writing of the appeal decision within 45 days after receipt of the appeal request. If the appeal cannot be processed within the 45-day period because We did not receive the requested additional information, We are permitted a 45-day extension for the review. Written notification will be sent to the claimant regarding the extension. After exhaustion of the formal appeal process, the claimant may request an additional appeal. However, this appeal is voluntary and does not need to be filed before asserting rights to legal action.

For purposes of this section, "claimant" means you, your Dependent, or Beneficiary.

### Medical Examinations

We may have you or your Dependent, whose loss is the basis for claim, examined by a Physician during the course of a claim. We will pay for these examinations and will choose the Physician to perform them.

### Legal Action

Legal action to recover benefits under the Group Policy may not be started earlier than 60 days after proof of loss is filed and before the appeal procedures have been exhausted. Further, no legal action may be started later than five years after that proof is required to be filed.

**Time Limits**

All time limits listed in this section will be adjusted as required by law.

## STATEMENT OF RIGHTS

Federal law requires that this section be included in your booklet:

As a participant in this plan you are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974 (ERISA).

ERISA provides that all plan participants shall be entitled to:

### Receive Information About Your Plan and Benefits

- Examine, without charge, at the plan administrator's office and at other specified locations, such as worksites and union halls, all documents governing the plan, including insurance contracts and collective bargaining agreements, and a copy of the latest annual report (Form 5500 Series) filed by the plan with the U.S. Department of Labor and available at the Public Disclosure Room of the Employee Benefits Security Administration.
- Obtain, upon Written request to the plan administrator, copies of documents governing the operation of the plan, including insurance contracts and collective bargaining agreements, and copies of the latest annual report (Form 5500 Series) and updated summary plan description. The administrator may make a reasonable charge for the copies.
- Receive a summary of the plan's annual financial report. The plan administrator is required by law to furnish each participant with a copy of this summary annual report.

### Prudent Actions by Plan Fiduciaries

In addition to creating rights for plan participants ERISA imposes duties upon the people who are responsible for the operation of the employee benefit plan. The people who operate your plan, called "fiduciaries" of the plan, have a duty to do so prudently and in the interest of you and other plan participants and beneficiaries. No one, including your employer, your union, or any other person, may fire you or otherwise discriminate against you in any way to prevent you from obtaining a welfare benefit or exercising your rights under ERISA.

### Enforce Your Rights

If your claim for a welfare benefit is denied or ignored, in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules.

Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of plan documents or the latest annual report from the plan and do not receive them within 30 days, you may file suit in a Federal court. In such a case, the court may require the plan administrator to provide the materials and pay you up to \$110 a day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the administrator. If you have a claim for benefits, which is denied or ignored, in whole or in part, you may file suit in a state or Federal court. In addition, if you disagree with the plan's decision or lack thereof concerning the qualified status of a domestic relations order or a medical child support order, you may file suit in Federal court. If it should happen that plan fiduciaries misuse the plan's money, or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a Federal court. The court will decide who should pay court costs and legal fees. If you are successful the court may order the person you have sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example, if it finds your claim is frivolous.

### Assistance with Your Questions

If you have any questions about your plan, you should contact the plan administrator. If you have any questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the plan administrator, you should contact the nearest office of the Employee Benefits Security Administration, U.S. Department of Labor, listed in your telephone directory or the Division of Technical Assistance and Inquiries, Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington, D.C. 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration.
