## REVEREND GEORGE A. BROWN MEMORIAL SCHOOL

Reverend George A. Brown Memorial School is a Pre-Kindergarten through 4th grade Catholic elementary school under the Diocese of Paterson School's Office and is also a member of the Catholic Academy of Sussex County.

The curriculum stresses academic achievement within a Christian community where the child feels that he/she is loved and respected by his/her peers as well as the teacher. Our religion program is aligned with the Vatican II texts so that our theology is in compliance with the bishops of the world. United with each other in meaningful liturgy and prayer, the students can further come to an understanding of the Christian life. At Reverend Brown, we are attempting to "teach as Jesus did."

The Diocesan curriculum guidelines, consistent with the State of New Jersey guidelines and the New Jersey Student Learning Standards, are followed for the teaching of all secular subject areas. The curriculum is marked by current content and fresh approaches to methodology. There is emphasis on principles and concepts rather than facts, on learning through problem solving rather than by precept. We strive to offer a program that makes use of many sources of reading material, a wide variety of audio-visual and technology tools, and a multi-text approach to the content areas.

### History

Our Lady of the Lake Church was a mission of Immaculate Conception Parish in Franklin for many years until 1949 when it became a parish in its own right. Reverend George A. Brown became its first pastor. The parish school was completed in 1954, the first Catholic School in Sussex County. On July 1, 1954, just three months before the school opened, Father Brown died. At the suggestion of Bishop McNulty, the bishop of the Paterson Diocese at that time, the school was named the Reverend George A. Brown Memorial School.

The school opened on September 20, 1954. Over 200 children, not only from Our Lady of the Lake, but also from the neighboring parishes of Franklin, Sussex, Ogdensburg, Newton, Branchville, and Milton were registered for their first year of Catholic education under the care and guidance of four Sisters of the Order of St. Benedict. The Benedictine charisma, spirit, and tradition continue to be a part of our school today. This is due to the dedication of Monsignor Charles C. Cassidy, our pastor for over twenty years, and Rev. David McDonnell, our present pastor, that Reverend Brown School of Our Lady of the Lake Parish continues to thrive and be a center of Catholic education.

Reverend Brown School has grown in size over the years. The original school building, including offices for a principal and a secretary, consisted of what is today the primary unit, grades 1-2. In 1958, McKenna Hall, and the 3<sup>rd</sup> and 4<sup>th</sup> grade corridors and school offices, were built. The Pre-K/K corridor was added in 1982. The library and science lab were completed in January of 1992. The addition of the conference room and the conversion of a classroom into the computer lab were accomplished in 1998. In 2007, the newest addition opened which included the Lewis Gymnasium, a guidance office, an administrative office, Makerspace, and an Art Room. In 2017, there was a brand new playground installed for all students to enjoy at recess. During the summer of 2023, Lewis Gymnasium received a facelift that included new scoreboards and a brand new wood floor.

In September 2016, in conjunction with the Academy restructuring, Reverend Brown School opened its doors for the first time as a Pre-K through 4<sup>th</sup> grade elementary school.

### **Mission Statement of Reverend George A. Brown Memorial School**

As a Catholic school community, we believe that through modeling kindness, forgiveness, and compassion, we can make a difference in God's world. We believe all children should feel safe, loved, and inspired throughout their academic and spiritual journey to be passionate learners and live Christ-centered lives.

### **Philosophy**

Reverend Brown School endorses the call of the Catholic Bishops of the United States to express its educational ministry through the objectives of personal spirituality, social justice, and a strong academic program in accord with the Curriculum Guide for Catholic Schools in the Diocese of Paterson.

- To develop the total Christian personality by instilling in the students respect for life and reverence for Christian living.
- To develop within the school a strong religious education program based on Catholic Theology, Scripture, Liturgical experience, and service so that each child will grow and develop in the Christian way of life.
- To facilitate the intellectual, social, and physical development of each child through a variety of instructional methods such as small and large group instruction, departmental classes, and other tools for basic knowledge and formation.
- To aid students in evaluation of their own capabilities and vocational possibilities.

It is the consensus of the faculty that every human being has a right to pursue knowledge corresponding with his/her dignity and God-given ability, regardless of background or sex. In the early years, education is often of the utmost importance because through education and guidance the children of today become the Catholic citizens of tomorrow.

### **Accreditation**

Reverend Brown School is accredited through Cognia, formally known as AdvancED, an international educational accreditation agency. During the 2021-2022 school year, Reverend Brown participated in a rigorous accreditation process resulting in full accreditation awarded the summer of 2022. Earning accreditation under Cognia is a valuable mark of distinction recognized around the world.

In 2012 Reverend Brown School was recognized as a Blue Ribbon School of Excellence by the United States Department of Education. This school recognition is awarded to elementary schools that distinguish themselves as among the nation's most successful institutions of learning. The schools chosen are judged to have strong leadership, high-quality teaching, and appropriate and up-to-date curriculum and policies, as well as practices which ensure a safe environment conducive to learning, strong parental interest and involvement, and evidence that the school helps students of varied ability levels achieve.

### **School Colors and Mascot**

Our school colors are burgundy and blue. The school's mascot is a bear.

### **Purpose and Use of this Handbook**

This handbook exists to foster the efficient operation of Reverend Brown School. In order to meet this objective, the school administration is given the flexibility and discretion to take actions other than those stated in this handbook. This handbook is not intended to create any additional rights for students or parents/guardians.

## ADMISSIONS

### **Nondiscriminatory Policy**

Reverend Brown School admits students of any race, color, and national or ethnic origin to all the rights, privileges, programs, and activities generally accorded or made available to students of the school. The Academy abhors and denounces any form of racism, prejudice, or bullying. There is no place for these things in our society and they must be strongly condemned at the very onset.

The Academy and its employees fully support the notion of respect for all lives and expect our students to live the Gospel value that all human life from conception to natural death is sacred and precious. As such, verbal, written, and electronic statements that are racist in nature or seek to diminish or harm others will not be tolerated.

Furthermore, anyone who engages in these types of statements or activities does irreparable harm to themselves and is a supreme dishonor to the Creator. ## MEDICAL

All students admitted to school in the Diocese of Paterson are to be fully immunized in accordance with the State of New Jersey Department of Health Immunization Requirements. The Diocese upholds the mission of the New Jersey Immunization Program, which is to reduce and eliminate the incidence of vaccine-prevented diseases possibly affecting all children, adolescents, and older adults through immunization.

All requirements for Medical Forms, Health Records, and Immunizations must be met, updated, and maintained at all times. A record of a physician's verification of any immunizations must be kept on health forms in the school office. Failure to comply with the immunization requirements of the State of New Jersey will prevent the student from attending the school. All health information must be given to the school secretary for the nurse.

### Allergies and Asthma

Reverend Brown School recognizes that asthma is a health condition affecting many school children and strives to address the health concerns of students with asthma.

This school encourages children with asthma to achieve their potential in all aspects of school life by having a clear policy that is understood by school staff and pupils. Teachers and new staff are also made aware of the policy. All staff members who come into contact with children with asthma are provided with training on asthma from the school nurse who has had asthma training. Training is updated as needed.

- **Asthma Medication:** Immediate access to reliever inhalers is vital. Parents are asked to ensure that the school is provided with a labeled spare reliever inhaler that is up-to-date. All inhalers must be labeled with the child's name by the parent.
- **Record Keeping:** At the beginning of each school year, or when a child joins Reverend Brown School, parents are asked to submit a child's medical record. From this information the school keeps an asthma register that is available for all school staff. If medication changes in between times, parents are asked to inform the school.
- **The School Environment:** The school does all that it can to ensure the school environment is favorable to children with asthma or allergies. As far as possible the school does not use chemicals in science and art lessons that are potential triggers for children with asthma.
- **Food Allergies:** Reverend Brown School recognizes that life threatening food allergies are significant conditions affecting many school children. In order to minimize the incidence of life threatening allergic reactions, Reverend Brown School will maintain a system-wide procedure for addressing life threatening allergic reactions and maintain an Emergency Action Plan for any student(s) whose parent/guardian, and physicians have informed the school in writing that the student(s) has a potentially life threatening allergy.
- **Classrooms:** Teachers must be familiar with the Emergency Action Plan of students in their classes and respond to emergencies as per the emergency protocol documented in the Emergency Action Plan. In the event of a suspected allergic reaction (where there is no known allergic history), the school nurse will be called and the school's Emergency Response Plan activated. The emergency medical services will be called immediately. The classrooms have easy communication with the school nurse. Information will be kept about students' food allergies in the classroom and in the substitute emergency folder, accessible by teachers, substitutes, or other responsible adults. All teachers and substitutes will be educated about the risk of food allergies. A parent or guardian of a student with food allergies is responsible for providing all food for

his/her own child. Snacks will be kept in a separate snack box or chest provided by the parent or guardian. Tables will be washed with soap and water following any food related events held in the classroom. Proper hand cleaning techniques will be taught and encouraged before and after the handling/consumption of food.

### **Peanut and Nut-Free School**

In recent years, we have become more aware of various food allergies and the potential consequences for those individuals who suffer from them. A food allergy involves an interaction between food and the immune system and must be taken seriously.

Many students have been diagnosed with tree nut/peanut allergies. Accidental ingestion or touching of even a tiny trace of nut can cause an immediate and potentially fatal reaction. Many cookies, cakes, and other snacks contain these ingredients, which can be passed on by contact with hands and toys if another child brings these foods into the classroom.

Therefore, Reverend Brown School has a peanut/tree nut free policy in the entire school, to protect the health and safety of our students. We ask that you take great care to ensure that you do not allow your child to bring any food items into the school or classroom for snack time and/or lunch that contain tree nuts or peanuts. We require that all parents cooperate with this endeavor to avoid potential/accidental exposures in the classrooms at all times.

It will therefore be the responsibility of all parents to read labels on all food items being sent into the classroom to ensure they are nut-free. Please be cognizant when reading labels as many foods are processed on the same equipment or in the same facility as peanut products. Besides nut-free items, we encourage parents to bring in “healthy snacks” such as fruits and vegetables that the students can manage easily. Any questions regarding the safety of a product can be addressed to our nurse.

We thank you in advance for your cooperation and understanding regarding this matter. If you need to discuss anything related to this topic, please feel free to contact our school nurse.

### **Policy Regarding Medication:**

The following guidelines, governed by law, will be strictly adhered to for any child requiring medication to be administered during school hours.

- The parent or guardian should provide a written request for administration of the prescribed medication at school.
- Written orders are to be provided to the school from the private physician, detailing the diagnosis or type of illness involved, the name of the drug, dosage and time of administration. Forms for this purpose are available at the school. A form from the physician’s office may be substituted, as long as all the requested information is provided.
- The medication should be brought to the school in the original container, appropriately labeled by the pharmacy or physician.
- The school nurse and or parent/guardian are the only ones permitted to administer medication in the school and/or on school trips unless otherwise indicated.
- Permission from the parent/guardian and physician orders for each medication must be renewed each school year.

- These regulations apply to all over-the-counter medications (Tylenol, cough medicines, etc.). A physician's written order and a parental request are required for administration of these medications.
- Children are not allowed to medicate themselves, except under very controlled circumstances. Please advise the school nurse if your child has a life-threatening illness that requires self-medication.
- Cough drops, lozenges, etc. are not allowed since they constitute a choking hazard.

The strict enforcement of our policy governing medication is also compatible with Preventive Drug Abuse Programs. Children must develop a healthy attitude and respect for drugs in their early years.

**Physical Education Exclusion**

Students who have been excluded from Physical Education class by their doctor must present a physician's note to the effect. A physician's note is also required when they are able to return to their physical activities.

## UNIFORMS AND DRESS CODE

### Uniform Guidelines

Students' pride at Reverend Brown School is reflected in many ways, but most visibly in the pride of the school uniform. All school uniforms are to be purchased at the Flynn and O'Hara Store.

The teachers and administrators of Reverend Brown School have the right and responsibility to remedy any behavior, inclusive of student dress, that undermines the spirit of proper school decorum. Reverend Brown's dress code is intended to reinforce a climate of learning, a sense of pride in one's own appearance, and respect for the environment in which our students work. It will be enforced throughout the entire school day from the time students arrive at school until they depart at the end of the day.

The following information should be considered in light of these goals and interpreted as a guide, not a hard set of rules whose limits can be tested by students. Just because a specific practice might not be addressed in writing below does not mean that it will not be addressed in practice by school authorities.

In addition, third and fourth grade students will be deemed knowledgeable of the code and its intent and held responsible for their own appearance. As a result, warning notices will not be issued to these students before a consequence such as detention is given. Younger students will benefit from some leeway depending upon the infraction. Their parents will in general be contacted first, but even our youngest students will be expected to learn how to dress properly.

### **Student Records**

Reverend Brown School adheres to the Buckley Amendment (Family Education Rights and Privacy) regarding access to student records. Records of students transferring to other schools will only be sent through the U.S. mail. No records will be given to parents to transport to the new school.

### **Transfer of Students**

Notice of withdrawal of a student should be made by the parent in writing to the principal in advance of the withdrawal date. This enables the school to prepare necessary information and settle accounts. **No student records will be forwarded to another school until Business Office accounts have been settled.**

### **Office Records/Emergency Forms**

Parents/Guardians are requested to notify the School Office in writing of any change of address, home telephone numbers, cell phone numbers, business phone numbers, e-mail addresses, and/or phone numbers of emergency contacts. This will guarantee that office records are accurate, complete, and up-to-date.

### **Publicity Release**

Reverend Brown School will not publish, in any kind of media; names, photographs, written work, artwork, or videos of any students without signed permission from a parent or guardian.

## SCHOOL HOURS/ATTENDANCE

### School Hours

The school hours for all students are 7:50 AM – 2:28 PM. Students not in Morning Assembly at 7:50AM, **for the start of prayer**, are considered tardy. Parents are to make arrangements for their child(ren) to arrive at school on time and be picked up at dismissal time.

### School Office Hours

The school office is open on all school days from **7:15 AM – 3:45 PM**.

### Attendance:

Prompt, regular attendance is absolutely essential for academic success. The parent/guardian is expected to foster these good habits in the student, both for the benefit of the student's academic achievement and to foster appropriate skills in the future. **If a student is absent from school due to illness or disciplinary action, he/she will not be permitted to take part in extracurricular activities that afternoon.** A child must be present for a minimum of 164 days to be considered for a promotion.

**This allows for 16 unexcused absences. In order for an absence to be considered excused, a doctor's note must be received within 3 days of the absence.**

Reverend George A. Brown School is required by the state of New Jersey to follow the compulsory education law (*N.J.S.A. 18A:38-28 through 31*) which requires all children between the ages of 6-16 to attend school. Therefore, under this law, families who have children who are on track to exceed the allotted 16 unexcused absences will receive formal written notification from the administration. If the unexcused absences continue after notification, the school is required to report the family to the Division of Child Protection and Permanency.

### Perfect Attendance Program

Students in grades K-4 that are present for **every minute of every school day, (7:50a.m.-2:28p.m.)**, are considered to have perfect attendance and are recognized for their achievement. Students cannot achieve perfect attendance if they are tardy or have left school early. Excused absences, although excused, are counted as absences. No exceptions.

### Absences

**When a student is absent from school, a parent must call the office by 8:30 AM each day of the absence.** If the office does not receive a call, a parent will be contacted. This policy is for the protection of the Reverend Brown students.

**Students must be fever free for 24 hours before returning to school.** Students who are sent home during the school day with a fever will not be allowed to return to school the next day as this would not allow for the 24-hour protection of the entire school community.

A written statement giving reasons for the absence or tardiness **must** be brought to the student's teacher upon the student's return. These notes/letters will be retained in the office for one year. Should absence for any reason other than illness seem imperative, parents are requested to consult with the Principal and present a written reason for the absence.

The school calendar provides for extended weekends throughout the school year. Parents are encouraged to schedule trips or family outings during these times so as to eliminate the need to interrupt a child's learning process. Missed assignments are the student's responsibility.

Any student who is absent for 3 or more consecutive days due to illness must have a note from the physician to clear his/her return to school. Students who are absent due to illness have one day for each day of absence to make up the missed assignments, quizzes, or tests. For example, a student who was absent three days would be given three school days to complete the missed work.

When a student is absent for **three or more days due to illness**, a parent may call the school office before 9:30 AM to arrange for homework assignments. Homework assignments may be picked up at the school office between 3:00 PM – 3:30 PM. For short absences, students should make arrangements with classmates regarding assignments. Students may also receive missed assignments from their teacher when they return to school.

**Teachers are not required to give make-up tests or assignments for absences due to vacations or planned absences. No assignments will be given for vacations/planned absences before or during the vacation/absence.**

Arrangements for regular classroom tests missed because of an absence are to be made with the individual teachers. These tests must be taken within one week of the original test date.

**Excessive absence, including tardiness**, can be cause for a student to be retained in the current grade for another year.

#### **Absences During the School Day**

Although it is discouraged to schedule medical appointments during school hours, situations may arise where it is absolutely necessary. Students needing medical appointments during school hours require a written note by the parent. Parents are required to sign out their child. If the child returns to school during the same school day, he/she must be signed back into school in the office.

#### **Arrival**

At Reverend Brown School, we work in partnership with parents to enable each child to develop as an independent learner. Parents should allow their child(ren) to enter the school building on their own each morning.

The school doors are opened for students at 7:15 AM. Students arriving at that time will go to McKenna Hall until they are dismissed to Morning Assembly at 7:45 AM.

Teachers and staff escort students to Morning Assembly in the gym at 7:45 AM. For safety reasons, all students should arrive at school no later than 7:40 AM. There will be no outdoor supervision available after 7:45 AM. Students arriving after this time must be escorted into the building's main office by their parents or guardians to be signed in and to receive a late slip. Please adjust your morning schedule to assure that your child arrives at school promptly.

*During arrival times, no student or parent is permitted to **walk** on the school grounds from Andover Road, Sparta Avenue, and South Shore Trail. Students are only to enter school grounds by bus or by car through the designated car line. Follow school personnel directions upon arrival.*

#### **Dismissal**

All students are dismissed at 2:28 PM. At that time, they are instructed to report to their place of dismissal. Students must remain on the school grounds from the time of arrival until dismissal or until they either board the school bus or are picked up by their parents or guardians.

*During dismissal times, no student or parent is permitted to **walk** from school grounds to Andover Road, Sparta Avenue, and South Shore Trail. Students are only to exit school grounds by bus or by car through the designated car line. Follow school personnel directions.*

### **Returning to School After Dismissal**

Students are not permitted in the building after dismissal unless they are involved in school activities. They are never to be in the building without the knowledge of a staff member. Those students who have forgotten books or other items may only retrieve them with teacher supervision up until 3:30p.m. After this time, students must wait until the next day to get their items.

### **Early Dismissal:**

When a child has to be dismissed early, a written note or email is required in all cases and must be received by the school office in the morning, stating the reason, time, and person picking up the child. Children, who are being dismissed early, must be picked up by a parent or guardian no later than 2:00PM. **Early pick up is highly discouraged.**

### **Tardiness:**

Reverend Brown School regards punctual arrival at school as a priority. It is important to establish a good habit with children to be on time for school and other commitments. Also, a student's late arrival is a disruption to the class, which is already in progress.

Therefore, the school sets the following policy regarding lateness of walkers and car line students:

- A student is considered late if he/she arrives after the 7:50 AM bell
- All late students must come to the school's main office **with their parent** to receive a late slip and sign in before being admitted to class. Teachers will NOT admit a student without a late slip.
- Students are allowed 3 late arrivals per marking period.
- If a child should arrive to school late a 4<sup>th</sup> time in a marking period, the child will be sent home at the end of the day with a conduct referral stating that the student has received a detention and that the student will not be admitted to classes the next day until the parent has had a conference with the principal to explain the reasons for the tardiness. A detention will be given for each subsequent tardiness for the remainder of the marking period.
- **If a student arrives after 10:30 or leaves before 12:30 it will count as a ½ day.**

### **Car Line**

During morning drop off, cars should enter the premises through the South Shore Trail lot and follow the car line to the school courtyard. Under no circumstance, are children to be dropped off in the South Shore Trail lot and allowed to walk to the school by themselves. **Parents should remain in their car during drop off.** There will be staff members on duty to meet students and assist with drop off.

At dismissal, cars should line up in the South Shore Trail parking lot and again proceed with caution to the pick up line. Do not arrive prior to 2:15 PM. All cars must have a family name clearly displayed in the front windshield on the driver's side of the car. Students will be called to the appropriate pick-up area by their family name. **Please remain in the car during this process.** Students are not allowed to walk to a parked car without a teacher or administrator escort.

Parents are asked to pay close attention during the car line process. It is recommended that cell phones not be used at this time. Please follow the traffic directions given by the teachers on duty.

It is the responsibility of the parent to contact car pool members and after school care agencies when a child is absent, leaves school early, or needs other arrangements to be made.

Homeroom teachers should be advised **in writing** if a child is to go home in a different car pool or by a different means on a given day.

### **Bussing**

Bussing is provided by the student's home district. Parents need to be aware that bus pick-up and drop-off times can fluctuate anywhere from 10-15 minutes. Therefore, please be cognizant about being at the bus stop earlier than the designated pick-up and drop-off times.

### **Before Care**

Reverend Brown School offers a Before School Care Program. Parents may drop students off starting at 6:45a.m. Parents must sign their child in each morning with the Before Care teacher. The cost is \$15.00 per day.

### **After Care**

Reverend Brown School offers an After School Care Program. Please see details on the website. For our After School Program, parents need to register the child to use this service. The cost is \$25.00 per day per child. A fee of \$1.00 per minute is charged for students remaining in the program after 6:00 PM.

The After School Care Program strives to construct an enjoyable atmosphere with varying activities: play, art, homework time, and games. Please send a healthy snack and drink for your children to have each day.

While in the After Care programs, all school rules apply. The school reserves the right not to allow a child to continue the programs due to disruptive or unacceptable behavior. For all In-Service days and school holidays, parents must plan for the care of their children. There will be no After Care on these days (please check the school calendar). If there is an early dismissal, After Care will be canceled.

If a student has missed the bus or is not picked up on time for whatever reason, the student will be sent to After Care and a fee will be charged.

### **Emergency Closings/Weather Closings**

Please do not call the school. Pay attention to the emergency notification systems, i.e. Rediker Instant Alert, and email. If school is canceled, there will be no school activities in the building, even if the weather clears.

School closings/delays will be announced through an Alert message and e-mail message. On delayed opening days, Reverend Brown School will be open, however if your district is delayed your child will not be considered tardy. Closings and delays are according to each district. For example, if you live in Andover Township and their schools are closed, no buses will run for that district. Therefore, your child has an excused absence for that day. The same holds true for delays. If your district is on a 2-hour delay, your child will be picked up 2 hours later than their usual pick up time (7:20 a.m. would be 9:20 a.m.) Please be aware that if you drop your child off at school and your district subsequently closes, there will be no bus to take your child home, therefore transportation is the parent's responsibility.

For early dismissals, the same holds true. If your district is dismissing early, they will pick up our students early. Your child will be sent home on their regular bus unless you have instructed us otherwise. The buses will always bring your child home. Please have an alternate plan if your child arrives home before you, i.e. friend's house, neighbor, etc.

Closings and other pertinent information will be delivered through the school Alert system. On an early closing day, the After Care Program will be canceled. The students attending these programs will either take their buses home or must be picked up by a parent/guardian or an adult listed on the emergency card.

If it should be necessary to close the school because of weather conditions, an Alert will be made to all families. It is the responsibility of each family to log into PowerSchool and to provide the phone numbers and email to which the Alert should be sent.

## ACADEMICS

### Curriculum

Reverend Brown School's curriculum is based on guidelines set forth by the New Jersey Student Learning Standards, Diocese of Paterson, and the Catholic Academy of Sussex County. The goal is to develop the ability to analyze, interpret, and make appropriate choices that are consistent with Christian values. This curriculum includes: religion, language arts (reading, spelling, penmanship, cursive handwriting, writing, phonics), math, science/health, social studies, Spanish, music theory/singing, physical education, computer education, and art as well as character education.

### Religion

The religion curriculum includes instruction in Catholic doctrine and tradition, Bible study, principles of social justice, as well as preparation for the reception of the Sacraments of Reconciliation and Eucharist. The school day begins with morning prayers. Students participate in liturgical celebrations throughout the school year including Prayer Services, Stations of the Cross, and Reception of the Sacrament of Reconciliation. Students and faculty in grades Kindergarten through grade 4 attend Mass together at least once each month.

### Homework

Homework is given as a strengthening device and as an extension of the learning experience that has taken place in school. It allows the teacher to determine if reinforcement is needed. Parents can do much to aid the child's progress through the proper direction of homework. Parents should provide time, place, and an atmosphere conducive to learning. Parents are requested to encourage neatness and thoroughness in the child's work and to cooperate by encouraging the child to do the assigned work. The amount of homework will vary, depending on the grade level of the child. Homework must be handed in on time for full credit to be received.

In the case of an absence, the student is still responsible for making up an assignment. It is the student's responsibility to obtain and complete all make-up work. Students must understand the importance of meeting deadlines set forth by each individual teacher.

### Homework due to Vacations/Planned Absences

The school calendar provides for extended weekends throughout the school year. Parents are encouraged to schedule trips or family outings during these times so as to eliminate the need to interrupt a child's learning process. Missed assignments are the student's responsibility.

**Teachers are not required to give make-up tests or assignments for absences due to vacations. No assignment will be given in anticipation of the vacation. There will be no exceptions to this policy. Please do not ask the teacher to make an exception or offer payment for homework given in advance of an absence.**

### Homework Policy Due to Illness

When a student is absent for illness for three or more days, a parent may call the school office before 9:30 AM to arrange for homework assignments. Homework assignments may be picked up at the school office between 3:00 PM – 3:30 PM.

For **short absences**, students should make arrangements with classmates regarding assignments. Students may also receive missed assignments from their teacher when they return to school.

Students will be allowed one day for each day of absence due to illness. For example, a student who was absent three days should be given three school days to complete the missed work.

### **Testing**

Testing enables the educators to assess the student's academic performance in relation to his/her ability. All students in grades K – 4 are tested individually on the Developmental Reading Assessment (DRA) to determine several elements of reading including word analysis, fluency, and comprehension.

Students in grades 2<sup>nd</sup>- 4<sup>th</sup> also take part in the NWEA MAP Growth test. This test measures what students know and informs what they are ready to learn next. This helps create individualized instruction in all of the classrooms throughout the academic year. Students complete this diagnostic test in September, February, and May of each school year.

### **Report Cards/Conferences**

**Report Cards** are important tools for communication. Report Cards will be given four (4) times during the academic school year (approximately every nine (9) weeks) for grades 2 -4. Students in Kindergarten receive report cards twice a year in January and in June. First grade students do not receive a formal report card the first marking period, but individual parent teacher conferences are scheduled instead. Conferences for Kindergarten students are also scheduled after the first marking period. Parents and teachers are encouraged to set up an appointment at any point in time when there are concerns about a child's social, emotional, or academic progress.

No student will be given a Report Card if tuition, library fines, or Before/After School Care Program fees are in arrears.

### **Promotion Policy and Retention Policy**

Advancement to the next grade in Reverend Brown School is based on a student's daily attendance, daily performance, test results, recommendations of teachers, and the student's ability to complete work successfully on a more advanced level.

Promotion to the next grade depends on successful completion of all subject areas. The Administration may recommend the repetition of a grade, tutoring, or summer school classes as a requirement for promotion when, after conferences with teachers and parents, it is believed that such action will better prepare the student academically or emotionally for the next grade.

### **Grading Scale (4<sup>th</sup> Grade Only)**

A+ = 97 – 100	VG = Very Good
A = 93 – 96	G = Good
B+ = 89 – 92	S = Satisfactory
B = 85 – 88	I = Improvement Needed
C+ = 80 – 84	U = Unsatisfactory
C = 75 – 79	
D = 70 – 74	
F = Below 70	

### **Grading Scale (Grades K - 3)**

### **HONORS**

### ***CITIZENSHIP***

All students in fourth grade earn a citizenship grade in homeroom. This grade goes towards the student's final report card grade. A student who has incurred an after-school detention, suspension, or has not acted as a good citizen, which includes cheating/plagiarism will be ineligible for Honor Roll regardless of whether he/she has earned all A's, B's, VG's or G's during a marking period.

The honor student exemplifies the spirit of the mission of Reverend Brown School. The following criteria will also be considered for honor roll:

- Spirit of reverence
- Academic effort
- Appropriate conduct
- Respect for others
- Integrity
- Evidence of service (willingness to help)
- Exhibits leadership
- Goes above and beyond the norm

### ***ATTENDANCE***

Regardless of grades earned, if a student accumulates more than **four unexcused absences** or four tardies in a marking period, the student will not be eligible for the Honor Roll.

### **Cheating/Plagiarism/Forgery**

Cheating of any type will not be tolerated. Students who choose to cheat face earning an automatic ZERO on the assignment, detention, suspension, and/or expulsion.

Students will not plagiarize words or ideas that they find on the Internet or other resource materials. They will respect the rights of copyright owners. Copyright infringement occurs when you inappropriately reproduce a work that is protected by copyright. Direct any question regarding copyright law to a teacher.

Students who forge an adults' signature will face the same consequences for cheating and plagiarism.

### **Academic Probation**

A student whose academic performance indicates serious deficiencies may be placed on academic probation. Students on academic probation will be placed on a two-month improvement plan. At the end of the two-month period, the student's academic progress will be assessed. Students whose average is an F will not be allowed to participate in any sport or academic competition until the grade has improved to a passing grade of D (70% or higher).

## DISCIPLINE

### Conduct/Behavior Expectations

In accordance with the stated philosophy of the school, which emphasizes **deep respect** for the human dignity and uniqueness of every individual, each student will be considerate of the rights of others in all interactions. All students are expected to cooperate with the spirit and policies of the school that are designed to foster mature development and personal responsibility. This requires courtesy in all personal relationships, promptness in fulfilling obligations, concern for the environment, and many other factors that the students' sense of appropriateness will indicate to them.

The school administration reserves the right to determine the appropriateness of an action if any doubt arises. Items such as, but not limited to, questionable books and pictures, knives, guns, aerosol cans, matches, cigarettes, vape pens, toys, trading cards, cell phones, laser lights, Apple or Garmin watches, cameras, or anything that will detract from a learning situation are not allowed at school at any time.

The school administration, in accordance with state laws, will determine the appropriate disciplinary measures to be taken concerning the presence of these items in the school. **Items taken away from students will be returned to the parent(s)/guardian(s).**

### Bus Conduct

Bus conduct affects the safety of all:

- Students are to remain in seats with safety belts fastened.
- No fighting.
- No eating.
- No disrespect or vulgarity.
- No yelling or hanging out open windows.
- All rules of the bus driver must be followed.

Any student acting in an inappropriate manner will be reported in writing by the driver to the Principal who will be responsible for discipline of the student.

The following procedure shall be used in those instances where disciplinary action is required:

- **Student's first offense:** Bus driver will give warning to the student.
- **Second offense:** An incident report will be completed by the bus driver stating the problem. Anyone listed on the bus incident report may be suspended from the bus for three days or longer according to the discretion of the administration.
- **Third offense/Continued offense:** Additional bus suspension from five days to permanent.

Serious infractions may result in the immediate suspension of riding privileges or detentions at the discretion of the Principal.

Students are to ride on assigned buses only, as directed by district transportation regulations. This means that no student is permitted to board another student's bus. No student may go home **by car** with a friend or another parent unless a note has been received that morning and approved by the Principal.

### **Lunch Conduct**

Students are expected to use the same manners required in the classroom during lunch. Courtesy toward other students and cooperation with lunch monitors are in order at all times.

### **Morning Assembly: Pledge of Allegiance Conduct**

Every student will stand in a respectful manner and remain standing for daily prayers, the Pledge of Allegiance, and patriotic songs. Failure to do so will result in the student being expelled from Reverend Brown School.

### **Playground/Recess Rules**

Safety and respect are most important on the playground. No fighting, rough play, or dangerous games are permitted on the playground. All students must keep to assigned areas and once the student is on the playground, he/she may not re-enter the school building until recess is over. While at recess, the following rules should be followed:

- No physical contact with other students.
- No running in between cars.
- No hard balls – Nerf type only.
- No throwing balls against the buildings.
- No hiding in between buildings.
- No playing or sitting on or under stairs.
- No playing behind the dumpsters.
- No throwing rocks or pebbles.
- Stay out of snow, ice, and puddles.
- When the bell rings, line up quickly and silently.

### **Before and After Care Student Conduct**

While in these programs, all school rules apply. The school reserves the right not to allow a child to continue the program due to disruptive or unacceptable behavior. **All parents planning on participating must fill out a new family information sheet for the 2024-2025 After Care Program.**

### **School Activities Conduct**

All students participating in after-school activities/sports must follow all of the school's rules and regulations. It is expected that a Reverend Brown student will conduct themselves in a manner that best represents the school's mission whether in a classroom, club, or field of play. Any student that does not live up to the school's mission while participating in any extra-curricular activities will forfeit the right to participate for the remainder of the semester.

### **Detention**

Detention may be issued for a breach of classroom and/or school rules. Parents are provided with a Detention Form with written notification of the detention. After-school detention is held every Tuesday and Thursday from 2:45 PM – 3:30 PM and is supervised by a designated teacher or administrator.

**Detention takes precedence over appointments, practices, lessons, tutoring, ball games, etc.**

Detentions are non-negotiable and must be served. Failure to serve a detention may result in suspension or expulsion. Students who are not picked up from detention in a timely fashion will be sent to After Care and a charge will be incurred.

After school detention is reserved for students in 3<sup>rd</sup> and 4<sup>th</sup> grade. Students in grades 1-2 will serve detentions during lunch recess for breach of class/school rules.

### **Suspension**

The suspension of a student from a Catholic school is a serious matter and should be invoked only as a last resort. Suspension is the temporary exclusion, by the Principal, of a student from the regular school program and/or activities connected with that program. Suspension may take one of two forms:

- Removal from the school community for a specified period of time.
- In-school suspension where a child is removed from his/her class for a specified period of time. *During in-school suspension, students must be supervised at all times and engaged in appropriate work assignments.*

When it becomes evident that suspension is necessary, the administration will arrange a conference with the parents, student, and whomever is involved. The number of days of the suspension will be a decision of the administration, dependent upon the nature of the incident in question. Students who receive three or more suspensions during a given school year are liable for expulsion.

### **Expulsion**

Expulsion is an extremely serious matter. Students who pose a threat to themselves or to others may be expelled from Reverend Brown School. Students who have been expelled will not be allowed to return to the school without prior permission from the Principal.

The administration has the right to determine cause for detention, suspension, or expulsion. All possible expulsions will be determined after consultation with the Academy President and the Diocesan Schools' Office.

### **Gum/Candy**

Students are not allowed to chew gum or eat candy at any time on school grounds. This includes before school, during school, and after school. Disciplinary action will occur for students' chewing gum or eating candy during the course of the school day, during arrival or dismissal.

Students whose avatars depict other students, teachers, or parish staff in a defamatory light will face detention, suspension, or expulsion.

## CATHOLIC SCHOOLS OF THE PATERSON DIOCESE

### Internet and Computer Use Policy for Schools

*Young people, as has often been said, are the future of society and the Church. Good use of the Internet can help prepare them for their responsibilities in both. But this will not happen automatically. The Internet is not merely a medium of entertainment and consumer gratification. It is a tool for accomplishing useful work, and the young must learn to see it and use it as such. In cyberspace, at least as much as anywhere else, they may be called on to go against the tide, practice counter-culturalism, even suffer persecution for the sake of what is true and good.*

**Vatican Pontifical Council for Social Communications  
THE CHURCH AND INTERNET**

Reverend Brown School encourages student use of computers and the Internet in a responsible and ethical manner. These pages tell you how you should use the computers and other electronic tools of the school responsibly. By learning to use computers responsibly as students, you will grow into adults who use computers effectively and appropriately.

Even though we use the words “computer” and “computer system” in these pages, what we say applies to all school owned electronic devices (such as but not limited to TV's, VCR's and DVD players, telephones, and tablets) that are at the school, along with any information and software programs. Additionally, any device you bring from home that uses the school's Internet connection is also covered by this policy while you are connected to the school's Internet.

Also, while we use the words “teacher” and “teachers” in these pages, what we say applies to any adult who works in the school supervising students. It does not just mean your classroom teacher or computer teacher.

The Internet system here at school is for school activities only. While there are things that you might be allowed to do using the Internet and computers at home, you might not be allowed to do some of these things here at school. This is because what you do using the computers here at school has to go along with what you are learning in your classroom - the computers and Internet are here to help you learn.

Reverend Brown can tell you what you are allowed to do, and what you are not allowed to do using the computers at school or school computers at home. We have created these guidelines to help teach you how to access computers and the Internet in a responsible and safe manner, and to be sure that you use computers and the Internet the right way while you are in school. We want you to use the computers and the Internet in a way that is Christian and doesn't break any laws.

Later on, we will ask you to sign your name to show that you understand these guidelines, and that you are promising to follow them. We will also ask your parents to sign so that we know that they agree with these guidelines, and have talked to you about these policies. Your parents also have to give you their permission to use the Internet while you are in school.

As a user of computers and the Internet, there are certain responsibilities that you have that will help protect your rights, and the rights of others.

**Computing Resource Access is a Privilege.**

- Computing resources that are the property of, or are licensed to Reverend Brown School are provided to you as a limited privilege. This includes both hardware and software. Your use of computer resources is not a right. The school reserves the right to extend, limit, restrict or remove computer resource privileges. If you fail to respect this policy you may be subject to loss of access and use of computing resources or disciplinary action by the school.
- In order for the school to extend this access privilege to you, you must read this document, sign and date it and return it to school for it to be kept on file. You will be asked to read and sign this document for each year you are enrolled at Reverend Brown School. Access WILL NOT be allowed unless the school has a signed copy of this document on file.

**You have a right to your own personal information.**

- You have a responsibility to keep your personal information private by not telling other people on the Internet where you live, how they can find you, or other personal information about yourself. People are not always honest on the Internet, so by keeping your personal information private, it will help to keep you safe from strangers.

**Your classmates have the right to keep their personal information protected from strangers.**

- You have a responsibility to keep all other students' personal information private by not telling other people on the Internet where other students live, how they can find them, or other personal information about the students. It is just as important to keep your friends safe as it is to keep yourself safe.

**You have a right for your picture to be private. Your picture, pictures of classmates, and pictures of other people at the school should be kept private.**

- You have a responsibility to keep your picture, pictures of classmates, and pictures of other people at the school private by not sending or posting the pictures Internet. Once an image is posted, you lose control of the picture and anyone can download and share it.

**You have a right to be free from danger when going online.**

- You have a responsibility to tell a parent or teacher if someone online asks to meet you in person or talk to you on the phone. Since people can be dishonest online, if someone asks to meet you or speak to you, they might be looking to harm you.
- You have a responsibility to tell a parent or teacher if another student tries to meet someone in person that they met online. By telling a parent or teacher, you are helping to protect the safety of the other student.
- You have a responsibility to tell a parent or teacher if an adult online tells you something that makes you feel uncomfortable or asks you to keep something secret or private. An adult doing these things could be dangerous - telling your teacher or a parent will help to keep you safe.

**You have a right to keep your personal identity private.**

- You have a responsibility to respect the privacy of other students by not telling or writing about what someone else told you without permission of the person who sent you the message. Just as you would not want your personal privacy exposed on the Internet, you should respect others by showing them the same courtesy.

**You have a right to protect your files and keep them free from harm.**

- You have a responsibility to keep your passwords, and anyone else's password that you may know, private by not sharing them with anyone else. Keeping your password safe will help to protect your files from being accessed by other people.
- You have a responsibility to respectfully share the computers with other students, and not access the school or another student's files without their permission. Just as you would not want anyone to harm your files, you must respect your teacher's and student's files by not accessing them without permission.
- You have a responsibility to respect the computers at school, and not do anything on purpose that would make them stop working or damage any information that is kept on them. If you intentionally damage a computer, you could potentially damage your classmates' files.
- You have the responsibility to not change any computer or software settings without permission. Remember, these are not your personal computers, so you cannot change settings just because you do not like them.
- You have a responsibility to help with keeping the computers safe from damage. You should not download or copy anything from another computer or the Internet without your teacher's permission. Sometimes files contain hidden programs that can damage a computer, which is why you need to ask permission from your teacher before you copy or download anything.
- You have a responsibility to tell your teacher if something on your school computer doesn't seem to be working right. The sooner the school knows about something wrong, the easier it is to fix.

**You have a right to be in a setting free from offensive language.**

- You have a responsibility to use the computers and school Internet in a way that represents you as a student in a Catholic school. What you say online is a reflection on both yourself and the school.
- You have a responsibility to use good language, and not use words someone else might think are mean or dirty, or language that shows disrespect or that would make someone else afraid or uncomfortable. Calling someone names, or using inappropriate language online is the same as doing it in the classroom. If your teacher would be upset with you saying something in the classroom, it is not something you should say online either.
- You have a responsibility to act maturely online. This includes not sending or posting information that puts someone else in danger, attacks or insults someone else, annoys or pesters someone, or acting in a way that could be considered bullying. If someone asks you to stop doing something online that makes them annoyed or upset, you have the responsibility to stop. It is just as bad to pick on someone online as it is in the classroom.
- You have a responsibility to use communication tools appropriately (including email, chats, instant messaging, social media/networking, and other discussion and communication tools) by

not sending annoying or unnecessary messages to people. You should only use these tools in school when it is part of your assignments.

### **Policy on Video and Audio Recording**

Students are prohibited from using video or audio recording devices to record direct instruction, class discussions, conversations, or interactions between and among faculty or between faculty and students, unless prior written approval to record is obtained from the faculty member or, if appropriate, the Catholic Schools Office. Students permitted to record direct instruction or class discussions acknowledge that the recording is for the individual use and solely to assist in studying for the class. The recordings may not be shared, released, publicly or electronically posted or distributed. Students who violate this policy will be subject to consequences including suspension of privileges, suspension from school, and/or other legal recourse

### **You have a right to keep other people from using your pictures, words, and ideas for class assignments without your permission.**

- You have a responsibility to not copy pictures, words, or ideas that you find on the Internet and try to pretend that they are your pictures, words, or ideas. Copying other peoples' words and pretending it is your own is called plagiarism, and is something that is not allowed. When you get to college, some schools will expel you for plagiarism.
- You have a responsibility to respect the rights of people who own things by not copying things that you find on the Internet, like pictures or music, without the permission of the person or company that owns it. If you are not sure, you should ask your teacher. Copying other peoples' pictures and music and using it in your own work is called copyright infringement and is against the law. People have been sued for thousands of dollars for using pictures and songs without permission.

### **You have a right to be in an environment that is free from offensive and illegal material.**

- You have a responsibility to not go to websites or download things that are dirty, against the law, or that talk about hating or hurting other people. These sites are inappropriate for both school and home.
- If your parents tell you about other sites or places that they want you to stay away from when you are online, you have the responsibility to listen to their instructions even when you are at school.
- You have a responsibility to not use any device connected to the school's network to do anything that is against the law or not Christian behavior. Please remember you are using computers and the Internet in a Catholic school. Your online presence is an extension of yourself - your behavior online should reflect your behavior in the classroom.

### **Other Things You Should Know About What You Should and Shouldn't Do Online**

- Remember that your principal and teacher are allowed to look at anything that you have stored on the computers at school, and anything that you make using the Internet or computers while you are in school or school computers while at home. If the police or any other government officials need to look at information on the school computers to investigate a crime or something against the law, the school will help them. If you do anything that is against any of the things talked about in these pages, you may face consequences from your teacher or principal. They may also stop you from using the computers or Internet while you are in school.
- The school can't promise that the computer, apps, or Internet will always work at the school. You should always make a copy of anything you keep on the computers at school in case it is lost or

damaged. You should always check with your teacher about any information you get from the Internet - sometimes it may not be right. If you do anything while you are online at school that costs money, you and your parents are responsible for paying for it. If you do something that breaks the computers, or costs the school money, you and your parents will have to pay for it.

- The school expects that you will follow the directions of your teachers and other school authorities when you use the computers and Internet at school. Anytime that you use the computers or the Internet, you must show respect for others. Your actions must also show that you understand that every person is important and that we are all God's children and are brothers and sisters.
- Anything that you do online leaves a “digital footprint”. Pictures that you post, words that you type, and things that you say, can all float around the Internet forever. Help to respect and protect your future self by acting responsibly online now.
- The school reserves the right to monitor the content of materials transported over the school’s network, or information stored on any computing device connected to its network.

### **G Suite for Education Accounts (Google Accounts)**

Students in grades 2<sup>nd</sup> through 4<sup>th</sup> grade at **Reverend Brown School** will be provided with G Suite for Education accounts. Students will receive an official **@popejohn.org** email address that will grant them access to the G Suite for Education, which provides free Internet-based programs such as Gmail, Google Drive, Meet, and Classroom. The purpose of these accounts is to increase the collaboration among teachers and students, as well exposing students to skills important for 21<sup>st</sup> Century learners.

These accounts are intended to enhance students’ learning. Teachers will be using G Suite for Education for posting lessons, assignments, resources, and discussions. Since this is an Internet-based service, students will have access to their accounts both in school and at home. This enables students to easily access their classwork at home and vice versa.

The student accounts are to be used for educational purposes only. As such, the following measures will be enacted:

- Student email accounts are limited to sending and receiving inside of **@popejohn.org**. Students will only be able to send and receive emails from other students and teachers in the school.
- Every student email sent and received via their **@popejohn.org** account will be archived; school and academy personnel will review and monitor these archives for inappropriate student behavior regularly. In the case that a problem is found, action will be taken in accordance with the school’s discipline policy.
- Students are to use the accounts in accordance with the schools Acceptable Use Policy. Parents are responsible for monitoring their child’s use of G Suite for Education while at home.
- The school reserves the right to suspend any student’s account found to be in violation of the school’s Acceptable Use Policy. In such cases, the student will be referred to the administration for further action.

Additional notices and compliances:

- **Children’s Internet Protection Act (CIPA):** In compliance with CIPA the school provides filtered Internet to students, as well as lessons in digital citizenship as to appropriate online behavior. While in school, student G Suite for Education is accessed via the content filtered Internet.
- **Children’s Online Privacy Protection Act (COPPA):** COPPA applies to commercial companies and

limits their ability to collect personal information from children under 13. Google Advertising is turned off for G Suite for Education users. As such, no personal student information is collected for commercial purposes. The school's use of student information is solely for educational purposes.

- **Family Educational Rights and Privacy Act (FERPA):** FERPA protects the privacy of student education records and gives parents rights to review student records. Parents have the right, at any time, to investigate the contents of their child's email and G Suite for Education files.

## SECURITY

### Emergency Drills

State Law requires that fire drills be held monthly. Fire exits are posted throughout the school. The fire alarm system, fire extinguishers, and the buildings are inspected annually. During the fire drills, students should follow these regulations:

- Rise in silence when the alarm sounds;
- Close windows and doors;
- Walk to the assigned place briskly, in single file at all times, and in silence;
- Stand in a column of twos, facing away from the building;
- Return to the building when a signal is given.

Safety drills are also held monthly. These include practicing procedures in the event that there would be a shooter in the building, need to exit and relocate, a lock down, or a bomb scare. The State's Department of Homeland Security prescribes these drills and the recommended protocol.

### Articles Prohibited in School

Any student found to have explosives in any form or any item which could be considered a weapon under New Jersey statutes in his/her possession, or who is convicted or adjudicated delinquent for possession of a firearm or a crime while armed with a firearm in the school building, on the school grounds, on school buses or at school activities, shall be immediately removed from the school's regular education program and shall be subject to expulsion by the Diocesan Superintendent.

Under New Jersey Statutes and for the purposes of this policy, any item that looks like a weapon is considered to be a weapon. The school is also required to notify the local police in these situations. Laser pointers, unless used in a classroom under the supervision of a teacher, are strictly forbidden. Failure to comply shall result in a suspension. Furthermore, student depiction of violence in any form will not be tolerated and may result in mandatory counseling, suspension and/or expulsion by the Diocesan Superintendent depending on the severity of the matter.

Failure to report any knowledge of weapons or explosives on school grounds will result in disciplinary action as deemed necessary by the school administration and Diocesan Superintendent.

### Visitors & Volunteers

We welcome visitors and volunteers to the school. Visitors can enter only if they have a scheduled appointment. All visitors need to bring a form of identification and are subject to bag searches. **No one is allowed to visit the classrooms during school hours or hold impromptu meetings with classroom teachers.** This is an interruption to the teacher and to the educational process.

No adult should be on the school grounds without signing in at the school office and receiving a visitor badge. The Principal, teachers, and staff will stop persons on school grounds without a pass and escort them back to the main office. Visitors and/or volunteers are to sign out at the time of departure.

Anyone wishing to volunteer at the school must first be cleared by the office and, if necessary, submit to the appropriate background check as mandated by the Diocese.

All visitors and volunteers are expected to dress appropriately. Clothing should be modest and neat. Volunteers are not permitted to eat or bring food from outside vendors in order to remain in accordance with our Peanut/Tree Nut Free School Policy.

The main responsibility of a volunteer is to assist the administration or teachers. For this reason, pre-school siblings are not allowed to accompany parent volunteers to school for meetings, to serve lunch duty, to assist with class parties, or other school functions.

### **Crisis Plan**

Reverend Brown School has implemented a “crisis plan” in case of an emergency. All teachers and staff are aware of the procedures to follow to keep your children safe. In the event of such an emergency, circumstances permitting, the building will be evacuated and students will be moved to a secure designated location.

## STUDENT COUNSELING NEEDS

### **ASSIST TEAM: Academic Support Services and Intervention for Students and Teachers**

The ASSIST Team is an informal, school-based committee providing assistance to students experiencing difficulties in the daily classroom setting. These difficulties may be academic, social/emotional, or behavioral in nature. Typically, the ASSIST Team is composed of the Principal/Assistant Principal, the Academy Educational Support Coordinator, the school-based ASSIST Coordinator, the referring classroom teacher, and the parents. ASSIST works collaboratively to identify the student's learning needs and to develop individualized interventions. ASSIST is a standing component of the school's continuum of services designed to improve student performances in the general education setting, and as such, works under the guidance and authority of the School Principal who has final jurisdiction over all ASSIST procedures.

### **Child Abuse Laws**

Reverend Brown School abides by the Child Abuse laws of the State of New Jersey. This law mandates that all cases of **suspected** abuse and/or neglect be reported to Child Protective Services.

## STUDENT ACTIVITIES

### Liturgical Celebrations

All students, regardless of religious affiliation, are required to attend all liturgical and Para-liturgical celebrations. Proper respect and decorum are mandatory to foster Christian values. All students are to be dressed in the formal, traditional uniform when attending Mass. The student body attends Mass as a school community on a regular basis. Each grade alternates in preparing these liturgies, which are a celebration of faith and community. Parents and family members are welcome to attend.

### Field Trips

- Field trips are designed to correlate with teaching units and to achieve curricular goals.
- Field trips are re-evaluated each year to determine the trips compatibility with curricular goals.
- A field trip is a privilege and not a right.
- There are no “traditional” field trips. Class participation in a particular field trip over consecutive years does not mean that this trip has become a school tradition. It is the prerogative of the grade level teachers to determine the choice of the field trip. Field trips must have the approval of the Principal.
- All grades do not always have the same number of field trips.
- Field trips are permissible for all grades when advanced planning, location, and the experience insure a successful learning opportunity.
- Individual teachers, in consultation with the Administration, reserve the right to restrict or deny student participation on any field trip due to, but not limited to, poor academic performance and/or poor conduct.
- A written **official permission slip**, signed by the parent, is required before a child will be permitted to attend a field trip activity. Verbal permission **cannot** be accepted. Permission slips are due in the office forty-eight hours after receipt of the permission slip.
- A **telephone call** will **not** be accepted in lieu of the proper field trip permission slip.
- Parents may refuse to permit their child from participating in a field trip by stating so on the proper form. Students who do not attend a field trip will remain at home with the parent and will be marked absent for the day.
- Parents who are not approved chaperones are forbidden to attend the field trips on their own and shadow the school’s attendees. Attempting to do this will result in permanent suspension in volunteer privileges.

Students who are participating in the field trip **must ride the bus to and from the field trip with their class**. Students not on the bus may not participate in the field trip and will be counted absent for the day.

- All monies collected for the field trip are **non-refundable**.
- **Cell phones** are **not allowed** on field trips unless otherwise directed by the teacher and/or administration.
- Parents who are not “official” chaperones may not drive their car to a field trip destination with the plan of accompanying the class on the field trip. Our risk management insurance company insures the “official” chaperones and participation by unofficial chaperones jeopardizes the protection for our students and all other “official” adults on the trip.
- Parents who chaperone a field trip may not bring preschool or school age siblings on the field trip.
- All chaperones must be 25 years of age or older.

### Clubs/School Activities

Reverend Brown School offers a variety of after school activities and clubs. These clubs generally meet once or twice per week. Participation in after school clubs requires parent permission and may also require a fee. Failure to submit the appropriate paperwork or fee will result in denial of participation.

Students that are not picked up from after school activities promptly will be sent to After Care. Associated fees will be incurred.

### Birthday Observances

Students celebrating a birthday will be acknowledged during Morning Assembly, in their classroom, and at the Main Office. Students will be recognized by fellow students and staff and sung to using the traditional birthday song at Morning Assembly.

All P-4 students will also be able to pick an experience in their classroom. For example, a student may want to bring in a favorite book from home and have the teacher read it to the entire class. The experience will be up to the discretion of the classroom teacher. Parents are asked to plan this experience with the teacher prior to the student's birthday. Goody bags and/or birthday favors will not be distributed during school hours.

**Due to severe food allergies that exist in many students, bringing in birthday treats are not permitted at RBS. We require that all parents cooperate with this endeavor as we are trying to avoid potential/accidental exposures to deadly food allergies.**

### Parties

Students are permitted three class parties a year: Halloween, Christmas, and End-of-Year. Due to severe food allergies that exist in many students, pizza and a drink will be the only items permitted for these parties. Class parents are encouraged to assist the classroom teacher in planning these events.

**Bringing in a variety of different treats, platters, and desserts are not permitted at RBS. We require that all parents cooperate with this endeavor as we are trying to avoid potential/accidental exposures to deadly food allergies.**

### Gifts

Students should not exchange individual gifts at school. This gesture only creates hurt feelings among other students.

Invitations for birthday parties should be sent to the homes of students via the U.S. mail unless an invitation is being given to every student in the entire class.

Students are not permitted to receive flowers, balloons, or other gifts during the school day.

### Library

The school has a well-equipped automated library and media center. Students are encouraged to use the library for curricular enrichment and pleasure reading. The following rules are to be observed:

1. Borrowed books are to be returned on time and in good condition.
2. The student must replace books damaged or lost before any other materials may be checked out. Students who have lost or damaged books do not receive progress reports or quarterly report cards until their account is cleared.

### **Lockers/Cubbies**

Each student is assigned a locker or cubby in which to store clothing and textbooks. In order to maintain a quiet atmosphere for class, students are allowed to go to their lockers only at specified times. The school reserves the right to inspect lockers at any time. Lockers may not be decorated inside or out. Student schedules and pencil holders facilitate learning and may be posted on the interior of a student's locker door.

### **Lost and Found**

Students are personally responsible for their own property and articles of clothing. To prevent loss, sweaters, jackets, and gym clothing must be labeled with the name of the student.

Any items found in the school building or on the school grounds should be given to the school secretary to be placed in the Lost and Found. **Items placed in the Lost and Found remain there for one month. After one month, items are donated to charity.**

Students who lose a library book, textbook, or workbook must pay the replacement cost of the book plus shipping in order to receive a new copy.

### **Lunch/Snacks**

Students may bring their lunches from home or participate in the school's lunch program by pre-ordering on a monthly basis. Students may choose to bring their lunch each day. Students should not bring glass bottles, soft drinks, or excessive amounts of candy. **Parents are not permitted to bring lunches or drinks from carryout restaurants at any time during the school day.**

A nutritious mid-morning snack should be provided for the child from home.

### **Telephone**

Permission to use the telephone must be obtained from the school secretary. The office phone is a business phone and students are permitted to use it only in case of an emergency. Forgotten homework, athletic equipment, etc. **do not constitute emergencies.** Arrangements for after-school visits with friends should be made at home.

## PARENT INVOLVEMENT AND GENERAL INFORMATION

### Parent's Role in Education

We, at Reverend Brown School, consider it a privilege to work with parents in the education of children because we believe parents are the primary educators of their children. Therefore, it is your right and your duty to become the primary role models for the development of your child's life---physically, mentally, spiritually, emotionally, and psychologically. Your choice of Reverend Brown School involves a commitment and exhibits a concern for helping your child to recognize God as the greatest good in his/her life.

Good example is the strongest teacher. Your personal relationship with God, with each other, and with the Church community will affect the way your child relates to God and others. Ideals taught in school are not well rooted in the child unless these are nurtured by the example of good Catholic/Christian morality and by an honest personal relationship with God in your family life.

Once you have chosen to enter into a partnership with us at Reverend Brown School, we trust you will be loyal to this commitment. During these formative years (PreK to 4), your child needs constant support from both parents and faculty in order to develop his/her moral, intellectual, social, cultural, and physical endowment. Neither parents nor teachers can afford to doubt the sincerity of the efforts of their educational partner in the quest of challenging, yet nourishing the student to reach his/her potential. It is vital that both parents and teachers remember that allowing oneself to be caught between the student and the other partner will never have positive results. **To divide authority between school and home or within the home will only teach disrespect of all authority.** If there is an incident at school, you as parents must make investigation of the complete story your first step. Evidence of mutual respect between parents and teachers will model good mature behavior and relationships. Students are naturally eager to grow and learn. However, sometimes in the process of maturation new interests may cause them to lose focus. As this natural process occurs, the student needs both understanding and discipline. At times, your child may perceive discipline as restrictive. However, it is boundaries and limits that provide a young person with both guidance and security. It is essential that children take responsibility for grades he/she has earned and be accountable for homework, long-term assignments, major tests, service projects, and all other assignments. This responsibility also extends to times of absence. Together, let us begin this year with a commitment to partnership as we support one another in helping your child to become the best person he/she is capable of becoming.

### Home and School Organization: BEARS Committee

A major function of the HSA (*Home School Association aka BEARS COMMITTEE: Benefiting the Education of All Reverend Brown Students*) is fundraising. This group is made up of chair people that are appointed by the principal, who advise and lead over various fundraisers throughout the school year. All parents are encouraged to volunteer for one or all of the annual fundraisers. By volunteering, parents have the opportunity to:

- Develop and maintain a partnership between the home and the school
- Encourage communication and collaboration
- Encourage parent participation and involvement in the total life of the school
- Advocate for Catholic school education
- Nourish the spiritual development of the total school community
- Promote all school-sponsored activities
- Cultivate traditional and non-traditional sources of funding to meet the financial and physical resource needs of the school

### **Communication Between Home and School**

In order to ensure that all communication from school reaches home in a timely manner, Reverend Brown School uses several forms of communication. In the event of an emergency or need to provide critical information quickly, the Rediker Alert Solutions system is used. Reverend Brown School's website, [www.revbrownschool.org](http://www.revbrownschool.org) provides up-to-date information about school events, communications and procedures on the opening page. In addition, the main office sends out a weekly newsletter called Constant Contact. Please make sure you sign up to receive these emails via the school's website. Teachers also maintain their own webpage accessible through our main page. These include homework and class related announcements.

Student grades are available for parents of students in grades K-4 on Rediker. Each family receives a password for their child's account. Teachers are available before or after school for pre-arranged conferences with parents.

Parent-teacher conferences for the Early Childhood Development Program are held in January.

Parent-teacher conferences are held in November for grades K and 1 in lieu of a written report card.

Other forms of communication are made through our yearly and monthly calendar, Principal's letters, and weekly Constant Contact.

### **Sacramental Program**

The sacramental life of the children of the Catholic tradition is an important component of the religion program at Reverend Brown School. Preparations for the sacraments of Reconciliation and Eucharist take place during the second grade. In accordance with the diocesan guidelines, candidates for First Eucharist will receive the sacrament of Reconciliation prior to receiving First Eucharist.

Parents are required to be active partners in the preparation of their children for these sacraments. The sacraments of Reconciliation and Eucharist are only conferred to students baptized in the Roman Catholic tradition.

### **School Property**

The parent of a child who carelessly destroys or damages any furniture, equipment, buildings, or anyone's personal property will be obligated to pay the full amount of repairs and labor or replacement. Textbooks provided by the school to the student must have a proper book cover. No writing in textbooks is permitted. The student will pay a fine or replacement for damaged or lost texts before any final reports, transcripts, or diplomas are presented.

### **Volunteers**

All individuals who volunteer in the school must complete the Volunteer registration form and will be asked to complete the Diocesan mandated background check.

All volunteers are expected to dress appropriately. Clothing should be modest and neat.

The main responsibility of a volunteer is to assist the administration or teachers. For this reason, **pre-school siblings are not allowed to accompany parent volunteers to school for meetings, to assist with class parties, or to decorate bulletin boards.**

When volunteers are in school and are in need of FOB access to certain parts of the building, they must obtain permission by the Principal first. The Principal will then release the FOB to the requesting individual. The FOB must be returned immediately upon completion of the volunteer activity.

**Parent-Teacher/Parent-Principal Conferences**

Parents who would like to meet with a teacher or the Principal must make an appointment first. Do not come to the school unannounced and expect to have a conference. Please call the school first and discuss an appropriate time when both parties are available.

## **RIGHT TO AMEND**

Reverend Brown School reserves the right to amend this Handbook. Notice of amendments will be sent to parents via email and will be posted on the Reverend Brown School's website.

## **SPIRIT OF LAW**

The school administration will attempt to be both fair and just, and to act in accordance with the policies and procedures stated in this handbook when handling individual issues. However, the administration reserves the right to make decisions that are considered to be in the best interests of the entire school community. This pertains not only to student concerns, but to parent behavior as well.
