Class Schedules + Orientations

Elementary students will learn their class assignment during their school's Meet the Teacher night on Monday, July 29 from 4-6PM. Look for your school to send additional back to school information and details. Middle school parents will receive specifics from their school regarding open houses (July 23, 24) and Meet the Teacher events (early August).

Freshmen will receive tentative schedules at their orientation on July 23. Ninth graders with last names A-L should attend the morning session 9am- noon (NHS Gate 4) and ninth graders with last names M-Z and all other students new to NHS should attend the afternoon session 1:30-4:30pm (NHS Gate 4). There will also be an optional meeting for incoming parents in the auditorium (NHS Gate 1) at 5pm. NHS students in grades 10-12 will receive tentative schedules via email a few days before school starts. All NHS students will access final schedules when they arrive on the first day of school and the NHS parent open house will be August 15.

Transportation

Bus routes will be finalized the week prior to school starting. When routes are finalized, parents will receive an email to check our online portal for specific route details. Buses typically run late on the first few days of school as we learn routes and parents take pictures. Students will not be in trouble for arriving late to school due to the bus. Download the MyView app by Zonar to track and receive alerts regarding your bus. Use access code NOB53132022. Questions about bus routes? Email transportation@nobl.k12.in.us

School Supplies

Elementary and middle school supply lists are posted on your school's website. NHS does not maintain a supply list. NHS students should bring an iPad, notebook and pencil on the first day and will get more information on any needed supplies then. Need help with supplies? Go [here](#) to register by July 12 or contact your school's social worker. If you'd like to assist other families with school supply needs, you can donate [here](#) or help Stuff the Bus at the Noblesville Schools Education Foundation's collection event on July 13 from 9am-4pm at the Noblesville Walmart.
