CHARTING A COURSE FOR THE FUTURE

WHAT DO YOU NEED TO DO THIS YEAR?

- **If you are in Junior High, each year, you need to:**
  - Do 5 hours of community service (volunteering) – have a supervisor sign the form
  - Do Advisory classroom work (goal setting, college and career planning, etc.)
  - In May, you will be asked to do a **year end self-evaluation** to turn in along with your signed community service form(s). Your parent tracker will check your paperwork and your grades and let the college know if you have competed your requirements.

- **If you are in High School, each year, you need to:**
  - Do 10 hours of community service (volunteering) – have a supervisor sign the form (service hours required by AHS double as WCS service hours)
  - Do Advisory classroom work (goal setting, college and career planning, etc.)
  - In May, you will be asked to do a **year end self-evaluation** to turn in along with your signed service form(s). Your parent tracker will check your paperwork and your grades and let the college know if you have completed your requirements.

Contact your parent tracker to find out how and when they would like to receive your paperwork during the year. All paperwork is due no later than May of each year (senior year paperwork is due no later than March). Always keep copies for yourself!

- **If this is your Senior Year,** CONGRATULATIONS! Your final WCS paperwork will be *due in March* (earlier than other grade levels) in order to submit your name for recognition at graduation! If you attend another college, you may still use a portion of the WCS scholarship award toward classes taken during summer quarter or online through Grays Harbor College. Your award is valid for 25 months from the time of your high school graduation.

- If you are a parent and would like to volunteer with WCS, please contact Joy McGregor at 360-532-5165 or email: brianandjoy@comast.net.
