The Basement

Welcome to The Basement!

This Child Care program of Robbinsdale Area Schools is offered before school at Plymouth, Robbinsdale and Sandburg Middle Schools from 7-9 am and after school at FAIR Crystal Middle School from 2:45-6 pm and Plymouth Middle School from 4-6 pm every school day for students in grades 6-8.

Our staff are trained professionals who have a combination of education and experience especially suited to working with middle school-age children. The program is designed to enhance learning, build social skills and positive relationships with peers, and practice decision-making skills.

School Release Days

The Basement is open for many days that school is closed. These are separate from your regular schedule and online registration opens after the first day of school. Sites for school release day may vary. Hours are 7 am-6 pm and can include field trips, special activities and on-site projects.
