## **STUDENT ACCIDENT INSURANCE** **2024-2025 School Year**

Dear Parents:

Pleasant Valley School District (PVSD) takes appropriate steps to protect your child from injuries. Even so, accidents can and do happen while participating in activities that take place on campus, on school trips, and during extra-curricular activities. PVSD and your child's school do not provide medical, accident or dental insurance for pupils injured on school premises or through school activities. This means that you are responsible for the medical bills if your child gets hurt during school activities.

To help you provide coverage for your child, the District is making available a low cost medical/dental accident insurance program. The purpose of this plan is to provide assistance at a minimum cost to meet some of the expenses for accidental injury. The plan does not provide unlimited coverage, but does offer substantial assistance in the event of injury.

There are two levels of benefits available. The "High Option" is recommended if your child has no family coverage or if your private coverage has a high deductible. Plans are available on a "School Time" or "24-Hour" (all day, every day) basis. See rates below.

Please visit your child's school office to obtain a detailed brochure/application, or visit [www.peinsurance.com](http://www.peinsurance.com). (Click on "products", then "health insurance".) Please read the Student Benefits Plan Brochure to select the plan that best meets your needs.

Some students may qualify to enroll in low or no-cost local, state, or federally sponsored health insurance programs. Information about these programs may be obtained by calling: (a) Medi-Cal at 1-800-541-5555 or (b) Healthy Families Program at 1-800-880-5305.

Since the District does not provide medical/dental accident insurance, we urge that serious consideration be given to the program. If you have further questions, please call Pacific Educators, Inc., Student Accident Department at (800) 722-3365 or (714) 639-0962.
