

Sayre School

Dear LS Families,

We have reached the end of the 2023-2024 school year! This packet contains information about our summer reading, writing, and math.

In our commitment to teaching the whole child, we know that a “one size fits all” book choice does not exist at the primary level. We pride ourselves on meeting our students where they are, and we have students at various reading levels in every grade...

Our advice is to help in choosing books with your child. Encourage them to try different kinds of texts and even have a book that can be read aloud as a family. Throughout the summer break, set aside time each day to dedicate to reading. Try an audiobook together on your next road trip. Model the act of reading in your daily life and that it’s a fun, frequent part of your routine.

Make sure to access the local public library or your favorite bookseller. Free eBooks and audiobooks are also available from the Sayre Library all summer long!

Plan to complete your summer reading adventure over summer break and return your passport to school at Lower School Orientation or during the first week of school.

Make sure to work hard and play harder this summer!

Jacki

Get a jump on summer reading with these resources!

Looking for inspiration for new book topics? These are our upcoming grade-level projects for fall:

- **Kindergarten:** Gardens
- **First Grade:** Careers
- **Second Grade:** Insects
- **Third Grade:** Immigration
- **Fourth Grade:** Changemakers

Looking for more bookish fun this summer? These are some of our favorites:

- **Summer Reading Club:** Join a summer reading club at the local library or bookstores like Joseph-Beth, Half-Price Books, or Barnes & Noble
<https://www.lexpublib.org/summer>
- **Book Fair in a Box:** Get a curated box of new books shipped to your child at home every month from our book fair partner, Literati <http://www.literati.com/schoolbox>
- **Sayre Digital Library:** Access free eBooks, read-alouds, audiobooks, and digital magazines from the Sayre Library on the Sora app <https://soraapp.com/>
