## CATHOLIC SCHOOLS WEEK AT ST. AGNES

### Catholic Schools United in Faith and Community

St. Agnes Academy recently celebrated Catholic Schools Week (CSW). Students, faculty & parents enjoyed a week of joyful activities honoring our catholic education and identity. It was an amazing time to come together as a faith-filled community to show our love and appreciation for God and for each other and create wonderful memories.

# PARENT APPRECIATION DAY

On Parent Appreciation Day parents were invited to do a prayer chain activity with their kids. Together they contemplated what they were grateful for and created a prayer chain. Afterwards parents and students attended a special mass.

# STUDENT APPRECIATION DAY

The Catholic Schools Week festivities continued and were especially fun for students on Student Appreciation Day. Students enjoyed a day of movies, games, jumping, climbing and sliding on inflatables. They also celebrated completing 100 days of school by dressing up as 100-year-olds and wearing other creative 100-themed clothing items. They ended the day with refreshing fruit-flavored shaved ice drinks prepared with care, by our dutiful 8th graders.

On Teacher & Staff Appreciation Day our faculty was treated and pampered by our generous St. Agnes parents, students and Home & School Association. They received many wonderful gifts, delicious food, massages & even classes taught by volunteer student teachers.

# EUCCHARISTIC MIRACLES

## EUCCHARISTIC MIRACLES

St. Agnes Church was incredibly blessed to have been selected to host the powerful presentations and display of the Vatican's International Exhibition of Eucharistic Miracles of the World. Parishioners and students had the unique opportunity to experience these life-changing presentations and visit the impressive display presented by The Faith Based Communications Apostolate.

# ALL CATHOLIC SCHOOLS MASS

Ten of our St. Agnes middle school students were selected to attend the special All Catholic Schools Mass at St. Mary Cathedral with the Archbishop to celebrate Catholic Schools Week along with other student representatives from each of the 63 Archdiocesan schools. May God bless our students and our St. Agnes Catholic School!

In his homily, Archbishop Thomas Wensky said, “The goal of Catholic education –and what makes Catholic education “good news” –is the development of the whole person. And in pursuing this integral formation which aims to prepare our students for life – both this life and the life to come – we are convinced that all human values find their fulfillment and unity in Christ. It is in Christ that the fullness of truth concerning man and God is to be found.”

# PEACEMAKER AWARDS

Gratitude

In January we had a group of exemplary students that were recognized as Peacemakers for the virtue of Gratitude. Gratitude is seeing everything as a gift and being thankful. Congratulations to our Peacemakers!
