A Greater Love

The Archdiocese of Miami hosted their annual “A Greater Love” event and presented talks related to the theology of the body to our St. Agnes 8th grade class along with over 2200 other 8th graders from all ADOM catholic schools. Students learned about the incredible connection between human body and the soul and how sacred they are, and should therefore, always be honored, dignified and respected. Archbishop Wenski and Dr. Gracie Christie were amongst the distinguished speakers.

Google

Doodle Your Future Contest

Our St. Agnes art students participated in Google's "Doodle your future" contest open to students in grades K-12. They were asked to imagine a future where anything is possible and develop a new logo for Google inspired by this year's theme: My wish for the next 25 years. Their submissions were beautiful and wildly imaginative!

Sister Alyssa celebrated her birthday all day long with her students. They are all so grateful for her love and spiritual guidance.
We love you Sister Alyssa!
