12 Non-Driver	\$10	\$20		\$25	\$55
12 Driver	\$10	\$20	\$20	\$25	\$75

A parent/guardian should plan to attend registration with each student, grades 7-12.

Student Drivers: You must bring your driver's license and proof of insurance to registration in order to purchase and receive a parking pass.

Student Athletes: All student athletes must complete their Dragonfly information and paperwork to ensure that all required AHSAA forms are up to date for the upcoming school year and athletic seasons. Coaches will be available at this station to assist.

At registration, students and parents/guardians will complete forms and PowerSchool registration (if not completed prior to registration) before paying fees listed above. They will then receive their schedule, locker information, and parking pass. If you are unable to attend registration during your designated time, please reach out to Miss Payne at cnpayne@blountboe.net to schedule an appointment to complete your registration.
