IMPORTANT TO NOTE:

1. Admission is for a single term only and enrollment for courses as a special student is based upon space available. Enrollment in open courses is provided to degree seeking students first.
2. Non-degree seeking students are not eligible to receive any financial assistance available to degree-seeking Austin College students.
3. Separate from this application, you must register for each course you wish to take by securing the instructor's signature on a registration card prepared by the Registrar's Office.
4. Health records must be submitted to the Health Services Office in the Adams Center. Please call 903-813-2247 for information regarding this requirement.
5. All special students are assigned a campus mailbox in the Wright Campus Center. Check at the Mail Center in the WCC to obtain your box number. All official college correspondence will be sent to your campus box, not your home address. It is important that you check your box regularly.
6. If you are applying for undergraduate credit, an official transcript showing that you are in good standing with the last school attended must be on file in the Registrar's Office before credit will be granted for any work completed at Austin College. If you are applying for graduate credit, an official transcript showing receipt of a Bachelor's degree or higher must be on file.
