

STUDENT LIAISON TO THE BOARD OF EDUCATION

The Board of Education shall meet periodically with student representatives of the district's secondary schools in order to:

1. provide students with the opportunity to express their views and aspirations;
2. provide for the Board and students a vehicle through which they may exchange information;
3. broaden the base of information available to those ultimately responsible for educational decision making; and
4. develop an environment that encourages understanding and trust.

The Superintendent of Schools shall establish procedures for a student liaison with the Board of Education for purposes of implementing the intent of this policy.
