Please be advised that a review of your child's academic achievement indicates that your child has benefitted greatly from Title I services and has completed his/her Title I remedial program. Your child's progress will continue to be monitored and will be provided with appropriate resources, as applicable.

The East Ramapo Central School District recognizes that families and schools work together toward mutual goals and that they share responsibilities for each child's performance. We encourage your continued involvement and look forward to mutual cooperation. If you have any further questions, feel free to contact your child's principal.

Thank you for your assistance and cooperation.
