

ADMINISTRATIVE INTERNSHIPS

The district may engage teachers as administrative interns who are enrolled in an approved internship program at the graduate level when such arrangements offer:

1. To the School

- The enthusiastic and concentrated service of an experienced teacher who will have had professional instruction in educational administration at least equivalent to the Master's Degree and who is judged to have excellent prospects as an administrator,
- Assistance to supplement the work of regular staff,
- New insights and research findings which have a bearing upon local issues.

2. To the Intern

- A rich experience in administration under the guidance of an experienced administrator.
