**DEAR MILLVILLE AREA SCHOOL DISTRICT,**

**JULY 8, 2024**

I am thrilled to extend a warm welcome to each of you as the new principal of Millville Elementary School. It is with great enthusiasm and a deep sense of responsibility that I join this esteemed institution, known for its commitment to academic excellence and holistic development of students.

I come to Millville Area School District with 10 years of experience in education. I attended Bloomsburg University to obtain my teaching degree and recently graduated with my Master's degree in Educational Leadership from Delaware Valley University. My passion for nurturing young minds and fostering a supportive learning environment has guided my career, and I am excited to bring this dedication to our school community.

As we embark on this journey together, my primary goal is to ensure that every student at Millville Elementary receives the highest quality education in a safe, inclusive, and stimulating environment. I am committed to maintaining the rich traditions that define our school while also exploring innovative ways to enhance the educational experience for our students.

I strongly believe in the power of collaboration between educators, students, parents, and the wider community. Together, we can create a supportive network that empowers our students to achieve their full potential and prepares them for future success.

I look forward to getting to know each of you in the coming weeks and months. Please do not hesitate to reach out to me with any questions, concerns, or ideas you may have. Your input is invaluable as we work together to make Millville Elementary School a place where every student thrives.

Thank you for your warm welcome and support as I transition into this new role. I am confident that by working together, we will continue to build upon the strong foundation of excellence that defines Millville Area School District.

Here's to a successful and fulfilling school year ahead!

Brandon Gordner

Elementary Principal
