

UNSAFE SCHOOL TRANSFER CHOICE

The Board of Education recognizes that, in accordance with law, there may be instances in which it must offer students the choice to transfer to a safe public school at the same grade level. Such transfer choice must be offered if:

1. the school a student would normally attend is designated a “persistently dangerous school” by the Commissioner of Education; or
2. a student becomes the victim of a “violent criminal offense” that occurs on the grounds of the school the student currently attends.

In accordance with federal and state law and regulations, the option to transfer to a safe school will be available only if there is a safe public school that eligible students can transfer to at the same grade level within the district. Therefore, the Board directs the Superintendent of Schools to develop a list identifying any school(s) designated by the Commissioner of Education as persistently dangerous that also includes any alternative safe public school(s) within the district for each grade level to which students may transfer. The list shall be revised annually and presented to the Board.
