April 3, 2023

Dear Nonpublic Administrator:

In order to fully comply with the provision of the Title III, Part A, English Language Acquisition, Language Enhancement, and Academic Achievement Act; The East Ramapo Central School District has been requested to conduct a census count of eligible immigrant students who:

1. Are ages 3 through 21
2. Have **NOT** been attending school in any one or more States for more than three (3) full academic years; and
3. They were **NOT** born in any State within the United States

"State" means one of the 50 states of the United States, the District of Columbia and the Commonwealth of Puerto Rico. Children born to U.S. citizens abroad, the U.S. Virgin Islands or any other U.S. territory that is not D.C. or Puerto Rico are to be considered immigrants.

We require a list of immigrant students enrolled in your school in February **2022** who first entered a United States public or private school between February 1, 2020, and January 31, 2022. The results of this count have important implications for the receipt of supplemental federal funds to the eligible districts in New York State for services to recently arrived immigrant children and youth.

If you have any questions regarding this requirement, please contact Danielle at 577-6031.

Thank you for your cooperation.

Sincerely,

Dr. Daniel H. Shanahan
