## **Article 31: Grievance Procedure**

---

- A. The Association and members of the unit shall have the right to process grievances that may arise.
- B. Step 1 – All written grievances shall include the name and position of the aggrieved party, the identity of the specific article and section, policy or procedure which is alleged to have been violated, the time when and the place where the alleged events or conditions constituting the grievance existed, the identity of the party responsible for causing the said events or conditions, if known to the aggrieved party, and a general statement of the nature of the grievance and the redress sought by the aggrieved party.

Any grievance under this Agreement between an employee or employees and the Board shall be settled in the first instance by the employee involved, and their Association representative if requested by the employee, with their immediate supervisor. A grievance submitted to the supervisor in writing shall be answered by the supervisor in writing within seven (7) working days from the time the grievance was received by said supervisor. An employee's grievance shall be submitted within fifteen (15) days of the action or condition causing the grievance.

- C. Step 2 – In the event that the grievance was not satisfactorily adjusted under Step 1, the employee, or the Association through its Grievance

Committee at the employee's request, may within ten (10) working days from the date of the written answer take up such grievance with the Superintendent or their delegate, who shall not have been the person taking the action complained of.

Association-Board or Board-Association grievances under this Agreement may be entered in writing under Step 2.

The Superintendent or the Association, as the case may be, after informal hearing where requested, at which the employee and their representative may appear and present oral or written arguments or statements, shall answer in writing within ten (10) working days of receipt of the grievance, or ten (10) working days of the hearing if later.

- D. A grievance involving Board policy or discretion may be submitted to arbitration only on the question of whether such District policy was disregarded or was applied in a discriminatory or arbitrary or capricious manner so as to constitute an abuse of discretion.

Matters shall be determined in accordance with the Voluntary Labor Arbitration Rules of the American Arbitration Association, and the costs of arbitration, if any (exclusive of attorneys' fees) shall be shared equally by the parties.

Decisions of the arbitrator on any grievance arising under this Agreement concerning its application or interpretation shall be binding upon all parties.
