FORMATION

Each school day begins at 7:15am, with a MANDATORY morning formation for ALL cadets. All belongings should be left in the first period classroom prior to formation.

ATTENDANCE POLICY

School attendance is the responsibility of the parent/guardian and the cadet. Sarasota Military Academy keeps accurate records of cadet attendance and cadets and parents/guardians may view it daily online via the [Family Focus Portal](#) located on the [SMA school website](#). Scroll down to the Quick Links - Everything You Need.

Florida Statute §1003.24 states that the parent/legal guardian of a child of compulsory age is responsible for the child's daily school attendance. School staff, parents, students and state agencies are expected to work together to ensure that all applicable school attendance laws are obeyed, including but not limited to referral to the state-designated agency for possible court action for truancy.

Absences:

- All absences are considered **unexcused until the school receives an excuse note within 3 days of cadet's return to school.**
- An Administrator or designee has the authority to determine whether or not an absence is excused.
- Over nine (9) excused absences per semester for illness OR eighteen (18) for illness in a school year is considered excessive.
- Cadets whose absences for illness exceed these numbers must have a parent/guardian statement on file at the school explaining such absences or tardiness.
- Prolonged absences, 5 days or more, that occur for illness and/or medical reasons, must be documented by a physician.
- Administration has a legal right to ask for a written medical excuse when excused absences for illness are excessive.
- If a cadet is present in school all day, but has 1 U (unexcused) absence from one class period, it is the cadet's responsibility to contact that particular teacher within 2 days, to have the U corrected. This may be done verbally or via email.

Cadets have a right to:

- Appeal a decision about an absence within one week of returning
- Make up all work missed during an out-of-school suspension or an excused or unexcused absence, including tests and quizzes.

Assignment Policy for Make-up and Late Work:

A cadet who has been absent (including "P"), shall be expected to make up the work missed. The school shall provide opportunities for the cadet to make-up assigned work for an excused absence and not receive an academic penalty unless the work is not made-up within a reasonable time. In the case of unexcused absences, cadets will be expected to make-up all work missed during the period of the unexcused absence. In the case of unexcused absence, other than for suspension, a teacher will deduct up to 30% from the earned grade for work made up. The teacher shall specify a reasonable period of time for make-up work. In no case shall the time be less than one full calendar day for each day missed. E.g. If you are absent for 1 day, you get 1 day to make up the work; if you are absent for 2 days, you get 2 days to make up the work with no penalty; after that, the late work policy of a deduction of 30% from the earned grade applies.

In the case of work turned in late, a teacher will deduct up to 30% from the earned grade for work made up. Late work will not be accepted after one week past the due date. E.g., if an assignment was due on a Wednesday, the latest it would be accepted for late credit (-30%) would be the following Wednesday.

Cadets have the responsibility to:

- Attend classes daily and be on time.
- Get absences excused by turning in an excuse note to the main office within 3 days of returning to school.
- Turn in excuse notes to the main office before formation, during lunch, or after school. Notes will not be accepted during class time.
- Request make-up assignments from teachers upon their return to school after an absence and complete it within a reasonable length of time to be no more than one full calendar day for each day missed.
- During an extended absence from school, it is the cadet's responsibility to check Google Classroom for assignments and to contact the teacher to request schoolwork that may be completed at home.

Excused absences include:

- Cadet illness
- Death in the family
- Observance of a religious holiday or service that is recognized as such by members of the cadet's faith.
- Medical/Dental appointment. **With a doctor's note only.**

- Therapeutic service appointment (i.e. speech, occupational, physical, behavioral therapy) **With a note from the organization only.**
- Subpoena by law enforcement agency or mandatory court appearance. **With a copy of subpoena only.**
- Pre-arranged absences in writing from parent/guardian with all teacher's signatures and administrative approval.
- Other absences beyond the control of the parent or cadet, as determined and approved by the Administration or designee.

Appointments:

Whenever possible, appointments for cadets; i.e., doctor, dentist, driver's license test, etc., should be made after school hours so as to not interrupt the learning process.

Excuse Notes:

- Excuse notes must be **handwritten** by the parent/guardian. **No emails.**
- Only therapeutic service and doctor's notes, as mentioned above, may be faxed or emailed.
- **Absences for 5 or more days** that are prearranged must be approved in writing at least **5 days prior** to absence. The parent/guardian must handwrite a detailed note and before turning it into the main office, the cadet must have each teacher sign it, followed by the signature of an Administrator.

Acceptable Excuse notes must have the following:

1. Date that the note is written
2. Cadet's first and last name
3. Date(s) of absence(s) and/or tardiness, as well as, the time of arrival and/or departure if applicable.
4. Reason for absence, late arrival, or dismissal
5. Parent/guardian signature.

Procedures for Late Arrival/Early Departure:

- Cadets who arrive late to school must first sign in at the main office. To be excused, they must provide a doctor's note or a written note from a parent/guardian with the reason for the late arrival.
- Leaving school early with written permission from parent/guardian. If leaving for an appointment, a note from the doctor or organization will be required to excuse the missed classes.

- Cadets who leave school early for a doctor/dentist appointment, **must bring a doctor's note when they return**. The absence for the remainder of the day will then be excused.
- Cadets who need to leave school early must bring a written excuse note from a parent/guardian giving permission for the early departure, along with a reason.
- If a cadet does not have written permission to leave early, they should report to the main office to request that their parent/guardian be called for verbal permission. The **cadet must sign out** in the main office prior to leaving.
- At NO time does verbal permission from a parent/guardian excuse a cadet from missed classes. Verbal permission only allows the cadet to leave the school grounds early. Any subsequent time missed in classes is UNEXCUSED until the receipt of a doctor's note or a written note from the parent/guardian.
- **Cadets may NOT sign themselves out** of school without parental permission and without being cleared in the main office, regardless of reaching the age of 18.
- If the parent/guardian is present, they must sign the cadet in/out. A valid driver's license is required to sign their cadet out of school early.
- Cadets who leave school early due to illness must be cleared and signed out through the clinic. In this case, a note will not be necessary to excuse this early departure. This will be excused automatically.
- If a parent/guardian comes to school to pick up a sick cadet, they must first report to the main office before signing the cadet out from the clinic for the day. A valid driver's license is required.

Cadets Must Report to:

Main Office (Urfer Hall) when:

- Late to formation
- Late to school
- Leaving school early
- Need to turn in an excuse note for absences or previous late arrivals to school.

Dual Enrollment:

Cadets who arrive late or leave early due to attending STC or SCF must sign in/out every time in the main office.

Tardiness:

Any cadet who is not in class when the bell rings, is considered tardy, unless they provide a valid hall pass. When tardy to class, cadets should report directly to their classroom, where teachers will record the tardy. If a cadet is on campus but is tardy to formation, they should report to the main office. All tardies will reset at the end of each quarter.

Cadets are Tardy if:

- Not standing in formation at 7:15am.
- Not in the classroom when the bell rings.

Truancy and Driver's License Law:

Truancy is defined as being absent from school without parent/guardian permission or knowledge and/or without permission from school officials. According to the Drivers' License Law, cadets who are truant will face consequences. Cadets between the ages of 14 to 18 years of age who dropout of school or who have excessive unexcused absences (15 unexcused absences in a 90 day period) will be automatically reported to the Department of Highway Safety and Motor Vehicles by the county truant office.

Any cadet who has 15 unexcused absences (full days or individual class periods), excluding suspensions, within 90 school days, with or without the knowledge or justifiable consent of the cadet's parent or legal guardian, is considered to be a habitual truant. The county truancy officer will be contacted to investigate habitual truants and the cadet will lose their Driver's License or learner's permit, or the ability to obtain one. In addition, it has been noted that your car insurance will have a major price increase.

Reinstating Driving Privileges:

Application for reinstatement of the driving privilege can be made after the cadet has thirty (30) consecutive days of attendance with NO unexcused absences (full days or individual class periods). Once this requirement is met, the cadet or parent/guardian must call the District Student Services Office and ask for the Truancy Officer for SMA: 941-927-9000 ext. 34757. A request must be made for a Reinstatement Letter which then must be taken to the DMV along with a reinstatement Fee of approximately \$45.

Example of Full Days and Individual Class Periods:

- Unexcused Absence from 1 full school day = 1 Unexcused Absence
- Unexcused Absence from 1, 2, 3, or 4 class periods = 1 Unexcused Absence

BUS TRANSPORTATION

- School bus transportation is a privilege, not a right. This privilege can be denied for unacceptable bus behavior.
- Parents/guardians have the responsibility for the control and direction of cadets at the bus stop. All cadets have responsibilities regarding their behavior on the school bus and at the bus stop.
- Refer all bus transportation questions to the Bus Route Supervisor, Beth Harris: 941-877-7737.

CELL PHONE/ELECTRONIC DEVICES POLICY

Communication/Electronic Devices:

Cell phones or other wireless communication devices shall not be used during the school day and should be turned off before formation. Laptops, tablets, cell phones, smart watches, Google Glasses, or other wireless communication devices shall not be used during the school day. These electronic devices must remain off and out of sight between 7:15am and 1:55pm, including lunch time. Under no circumstances may cadets use their devices in common areas including hallways, courtyard, restrooms, or the cafeteria. The school is **NOT** responsible for stolen or lost electronic devices.

Cadets are prohibited from electronically recording teachers or classes without the written permission of an administrator or designee. During testing administration, if a cadet is found with an electronic device that reproduces, transmits, calculates, or records (for example, a cell phone, camera, smart watch or tablet) in a pocket, at his/her desk, or within reach during testing, that cadet's test will be invalidated. In addition, the device will be confiscated and the cadet will be disciplined.

Rules and Conditions:

All other school/District rules and policies also apply, including, but not limited to, the Code of Conduct (School Board Policy 300.2 and 300.4) and Technology AUP. **Parents/guardians must retrieve confiscated devices during normal business hours. Cadets who fail to comply with school policies will receive additional consequences.**

Where/When/Storage:

1. Cadets may only use their device when specifically instructed to do so by a teacher or school administrator.
2. Cadets may not use their device to text or update/check personal sites/accounts during school hours.
3. Cadets may not use their device in common areas (hallways, bathrooms, locker rooms, cafeteria, etc.) unless specifically instructed to do so by a teacher or school administrator.
4. Cadets should not ask teachers or staff to 'hold onto' or store their device.
5. Administrators/Staff should not be asked to retrieve devices left in school.
6. Devices must be off, off and away from 7:15am to 1:55pm.

Network/Internet Access/Electrical:

1. Cadets should always use the school's wireless network, not personal data plans, to access the web.
2. Personal devices may only connect to the school's guest network. Although some devices may not be able to connect to the guest network, the school will not alter network settings in order to allow such devices to connect.
3. No guarantee is made that the school's wireless network will always be available. Network outages may occur without notice. In addition, no quality of wireless signal is promised. Signal strength may vary depending on the location in the school and the number of devices simultaneously connecting to the network. All schools are not currently equipped to support all cadets connecting to the wireless network.
4. Cadets should bring devices fully charged to school. Access to electrical outlets or computers for charging is not permitted.
5. Cadets will not have access to network printers using their own device. The Media Center and all the classrooms have printers that are accessed through school issued computers.

Theft/Loss/Damage/Troubleshoot/Inspection:

1. The school/district will not be held financially responsible for lost or stolen devices, nor are school administrators responsible for conducting searches for lost/stolen devices.

2. The school/district will not be held responsible for any physical damage or data loss, including damage/data loss resulting from connecting devices to the school's wireless network or power outlets.
3. School/district staff, including technology staff, will not configure, troubleshoot, or repair student devices.

Phone Calls/Messages to Cadet:

- If a cadet has an emergency that requires a phone during the school day, the cadet may use the phone in the classroom with the teacher's permission, as well as, in the main office.
- Cell phone use during the school day is prohibited and will result in confiscation and a discipline consequence.
- If a parent needs to reach a cadet during the school day, the main office should be called.

CLINIC PROCEDURES AND EMERGENCY CONTACTS

- Emergency and health information is kept in the clinic for each cadet. This information should be updated, with the registrar and/or family portal, throughout the year as needed.
- Parents/guardians are responsible for having the Medical Field Trip Treatment Consent form notarized and turned in. This form will allow the cadet to attend field trips throughout the school year.
- If a cadet becomes ill at school, he/she should report to the clinic, with a pass from their teacher, where the clinic aide or nurse on duty will determine the degree of illness.
- The cadet may rest in the clinic for up to 20 minutes at which time the cadet either returns to class or is picked up by a parent/guardian and signed out for the day. See *Procedure for Early Departure*.
- Cadets may not make arrangements to be picked up until the clinic has cleared them. If a parent/guardian comes to school to pick up a sick cadet, the parent/guardian must report to the main office prior to signing their cadet out for the day from the clinic. A valid driver's license is required.
- When a serious illness or injury occurs, the parent/guardian will be notified at once. All head injuries will be reported to the parent/guardian regardless of degree of severity since symptoms may appear later in the day. In an emergency, 911 will be called. First aid and/or CPR will be administered if appropriate while waiting for the EMTs. All contacts and medical information needs to be updated and current for emergency responders.

Medication:

A Medication Authorization Form must be picked up from the clinic and filled out by the doctor in order for prescription medication to be kept in the clinic in the original container, with the original label. Medications that are allowed to be carried at school by the cadet are EpiPens, inhalers, or diabetic supplies with the Doctor's approval on the Medication Authorization Form. Cadets may also possess and use a medication regulated by the US Food and Drug Administration for over-the-counter use to treat and/or relieve headaches while on school property or at a school-sponsored event or activity without a physician's note or prescription.

Cadets may NOT share ANY medications with other cadets.

Clinic Hours: 7am-1:30pm & 1:30pm-1:55pm for emergencies only.

COMMUNITY SERVICE

- To graduate from SMA, each cadet will be required to complete at least 75 combined hours of Community Service and/or Community Work during their four years at the Academy. (cadets who join us for less than four years will have adjusted graduation requirements.)
- Community Service should benefit the community, be unpaid, consist of no more than eight hours per day, and occur outside of school hours. It is the cadet's responsibility to maintain the Community Service Log Sheet, which may be picked up in the Registrar's Office or in the main office. The Log Sheet will eventually be turned in to the Registrar's Office for processing.
- Community Service related to JROTC is recorded in the JUMS System by the SMA Army Instructors. It is the cadet's responsibility to bring a printout of their JUMS report to the Registrar's Office before graduation or before withdrawing from the Academy to ensure that these hours are entered into their official records.
- If financial hardship prevents a cadet from volunteering, Community Work hours may be substituted. Printed pay sheets (given around pay day and typically including details such as company name, employee name, hours worked, net pay, etc.) from the cadet's employer should be delivered to the Registrar's Office for processing.
- Bright Futures Scholarship candidates may need as many as 100 combined hours of Community Service and/or Community Work,

depending on the type of scholarship. Additional information about the Bright Futures Scholarship may be found on the [Bright Futures website](#).

STUDENT SERVICES

Our SMA Student Services Department believes in empowering all cadets to achieve their academic, career, and socioemotional goals while supporting their personal and professional development.

Some tips to remember:

- Make an appointment with your counselor at least once each semester to ensure you are informed of all academic opportunities.
- Familiarize yourself with the Sarasota County school [website](#) and the [SMA website](#) for information on graduation requirements, scholarships, vocational, career/college information, free lunch applications, and more.
- Check your [Focus Portal](#) at least once or twice a week to ensure there are not discrepancies with your attendance and assignments/grades.

POSITIVE BEHAVIOR INTERVENTIONS AND SUPPORT

Each cadet at SMA is expected to adhere to all policies and procedures. In doing so, cadets are rewarded for exhibiting these expectations on a consistent basis and are often “caught” being good. SMA uses an electronic point system called PBIS rewards (Positive Behavior Interventions & Support) to acknowledge cadets who go above and beyond. Both cadets and parents may check the reward balance by visiting PBISrewards.com. Additionally, cadets may “purchase” items such as admission to school events, school supplies, snacks, front of the lunch line pass, and/or dress down days with their awarded points. Dress down days may NOT be purchased with PBIS points on days when cadets must pay to participate. PBIS Rewards help SMA create a positive climate in which every cadet can learn and grow academically, socially, and emotionally. The school store is located in Student Services and is open before formation, during lunch, and after school until 2:15pm. If you need to shave or remove nail polish, please report to the main office. You may use your Eagle Rewards Points instead of paying a dollar.

DISMISSAL POLICY

A cadet may be dismissed from Sarasota Military Academy for one or more of the following reasons as supported by the Sarasota Military Academy Charter, the Sarasota School Board Student and Family Handbook, the SMA Cadet Code of Conduct, and the SMA Cadet and Parent Agreements:

- Failure of the cadet to follow school policies as stated in his/her signed cadet agreement.
- Failure of the parent(s)/guardian(s) to adhere to the signed parent/guardian agreement.
- Failure to follow all policies and rules as outlined in the Sarasota County Student and Family Handbook or SMA Cadet Code of Conduct.

Dismissal Procedure:

The following information represents the school guidelines for cadet dismissal:

1. Concerns about the cadet will be communicated with Parent(s)/Guardian(s) through implementation of interventions and/or disciplinary actions. Interventions may include referral to a Counselor or Behavior Specialist/designee (as applicable). Other documented interventions may be provided through the School Wide Support Team

(SWST) or administration. A Behavior Contract will be implemented if a student is demonstrating consistent inability to comply with The SMA Cadet Code of Conduct.

2. Parent(s)/Guardian(s) will be notified if their child is not responding to interventions and a probation contract will be established for a set period of time along with a designated review date for improvement. The cadet may be monitored on a weekly basis.

An appeal board will hear the cadet's case and a decision will be made regarding dismissal. This decision is final.

RIGHT TO SEARCH

Administrators have the authority to search a cadet, their possessions, and vehicle upon reasonable suspicion of a prohibited or illegally-posessed substance or object. Cadets may be searched on school campus, school field trips, during extracurricular activities, school bus, or any other supervised activity as per F.S. 1006.09(9)

See [Sarasota County Student and Family Handbook](#) for more details.

FIELD TRIPS AND EXTRACURRICULAR ACTIVITIES

Participation in extracurricular and interscholastic activities, as well as school field trips at SMA, is a privilege. Failure to establish and maintain the SMA standards may render the cadet ineligible to participate. Cadets must be in school for at least half a day on the day of an activity or trip, unless the absence is approved by an administrator. If the activity or trip is on a weekend, the cadet must be in school the day before. Parent/guardian and teachers' permission is required and a notarized Medical Field Trip Treatment Consent form must be on file in the clinic.

EXTRACURRICULAR ACTIVITIES AND SPORTS **AVAILABLE AT SMA**

Please visit the school website for a detailed list of school [extracurricular activities](#), including sports and clubs.

ATHLETICS

SMA Athletic Director: SMA-MAJ Charlie Carver

Cadets and parents/guardians must comply with the following standards for athletes and any extracurricular activity participants representing SMA. SMA maintains high expectations for academic achievement and appropriate behavior at all times and at all events. Cadets must comply with the Code of Conduct and all school-specific behavior expectations.

To be eligible to play or to participate in either a practice or an event/game, a cadet must:

- 1) Meet all eligibility requirements as set forth by the Florida High School Athletic Association as appropriate for the sport.
- 2) Cadets must maintain a minimum 2.0 Grade Point Average in all classes.
- 3) Cadets must be present in school for at least 1/2 of the academic day unless excused by an administrator and approved by the Coach or Athletic Director.
- 4) Cadets must attend required meetings/practices prior to an event or game unless excused by a Coach, Trainer, Athletic Director or Administrator.
- 5) Have a notarized [Athletic Packet](#) on file with the Athletic Director.

These are the minimum expectations set forth by SMA. A Coach/Advisor/Head of School may add additional rules to those listed above that he/she feels are in the best interest of the program and cadet.

The following violations may result in immediate suspension from a team:

- 1) The confirmed use or possession of tobacco or alcohol*
- 2) The sale, use or possession of illegal drugs*

ACADEMIC ACTIVITIES AND OPPORTUNITIES

Exceptional Student Education (ESE) and Gifted Education:

The school will provide the programs and services, including supplemental support and enrichment services, modifications and accommodations, to ensure the academic success of students with disabilities whose education needs can be met in a regular classroom environment with at least 80% of instruction occurring in a class with non-disabled peers.

Literacy Initiatives

Reading and Writing:

All cadets are required to carry an Independent Reading Book (IRB) to read during free class time. This may be an independent reading book of their choice, an assigned book from any content area, or a content area textbook. Some teachers schedule independent reading time into their daily or weekly schedules. All content area classes will be doing, at least, weekly writing which will incorporate Critical thinking. Critical thinking transcends subject area divisions and promotes reasoning through ideas, opinions, and situations. Critical thinking employs a set of skills and questioning strategies that helps to guide students to an enhanced clarity and better reading comprehension.

Vocabulary:

Since one can only learn and understand the world around them through language, vocabulary is a vital component of academic success. Additionally, comprehension and critical thinking require strong vocabulary skills.

Summer Assignment:

All cadets are required to complete a grade-level summer assignment. SMA recognizes the importance of mitigating the potential loss of knowledge and skills that can occur during the extended break of the summer months, commonly referred to as the 'summer slide.' To address this concern, summer assignments have been established for each grade level, encompassing the core subjects of English, Math, Science, and History.

It is essential to note that the summer assignment is to be completed and submitted on the first day of school to the student's first-period teacher. The assignment will be factored into the grade for the first-period class. Failure to complete and submit the assignment by the designated deadline will result in the student being required to attend Saturday school.

until the task is finished. Attendance at the mandatory Saturday school is imperative, as failing to do so will result in the assignment being graded as zero, potentially impacting the student's academic standing.

LEAVING CAMPUS

SMA is a closed campus. Cadets **cannot** leave school unless they follow the proper procedures. (See Attendance Policy). Cadets will not be allowed to visit their vehicle to retrieve items they forgot.

LEAVING CLASS

Cadets must first report to class and get approval from the teacher to leave class with a hall pass. The cadet is then to go only to the specified destination and return to class in a timely manner.

LOST AND FOUND

Lost and Found is located in the main office. It is the cadet's responsibility to replace all missing uniform items and books. SMA is not responsible for damaged, lost or stolen items. Do not bring valuables to school or leave them in your car. Do not leave anything in the restrooms or hallways. Keep all your belongings with you whenever possible.

LUNCH POLICY

SMA is a closed campus and cadets are not permitted to leave during lunch. ***Cadets, as well as parents/guardians, are not allowed to order food for delivery at any time** and parents/guardians bringing lunch or other food/drinks to a cadet must drop it off in the main office. Only family members that are listed on the cadet's record may stay to eat lunch with the cadet. A valid driver's license is required upon checking in in the main office. Cadets are expected to follow SMA rules during lunch time in addition to the following expectations:

- Clean up area when finished eating and throw trash away
- Wait in the lunch line respectfully
- "Don't pass it up, Pick it up" (Referring to trash on campus).

***Cadets who have food delivered against the school policy, may pick their delivery up after 1:55pm.**

VISITORS, VOLUNTEERS, AND CHAPERONES

All visitors, volunteers, and chaperones must sign in and obtain a visitor's badge in the main office. A valid driver's license is required. All volunteers and chaperones must go through a [background check](#) and be approved in our database. All visitors who come during school hours must have official business on campus, otherwise, they may visit after 1:55pm.

PARKING PERMITS **AND ACCESSING VEHICLES DURING SCHOOL HOURS**

- Parking on campus and in the Junior Parking Lot (JPL) is a privilege and it may be revoked by an administrator.
- There is limited parking on campus for select seniors. Parking on campus will be reserved for Regimental Staff and seniors who have a 3.5 GPA or higher (Unweighted).
- The permits will be sold to those meeting the criteria on a first come, first serve basis. All other cadets are to park in the JPL.
- Cadets must purchase a parking permit in order to park in either lot.
- The form that requires parent/guardian signature may be found on the [SMA website](#).
- Citations and/or disciplinary actions will be issued for illegal parking, parking in unauthorized spots, and for not having a parking permit.
- Parking privileges may be suspended due to behavior issues, poor grades, sharing permits, and visiting cars for any reason during school hours.
- SMA is not responsible for any missing items from vehicles or any damage caused to vehicles.
- Do not bring valuables to school, nor should you leave them in your vehicle.
- Lock your vehicle at all times. Cadets are not to visit vehicles during school hours, therefore, they should bring all books and necessary items with them when they park in the morning.
- When absolutely necessary, written approval from the main office is required in order to go back to the car.
- Cadets cannot loiter in or near cars before, during, or after school.

SENIOR CLASS

- It is the cadet's responsibility to ensure they keep up to date on all senior deadlines, activities, meetings, etc.
- Seniors should visit the school [Facebook page](#) regularly, sign up for the Eagle Weekly via the mailing list on the school [website](#), and more importantly, join the Senior Google Classroom to stay up to date with all senior activities and deadlines.

- Cadets applying to colleges will need to request official transcripts.
- Make sure you inform the Registrar where your final transcripts should be sent.

WITHDRAWAL/GRADUATION CLEARANCE PROCEDURES

- **Prior to withdrawal**, a parent/guardian must sign a clearance form from the Registrar's Office in person. The cadet will then acquire signatures from their teachers, Supply Room, Media Center, Clinic, JROTC Senior Army Instructor, and Athletic Director. Class A and Class B uniforms must be dry-cleaned, or a \$75 dry-cleaning fee will be charged. The completed clearance form must then be returned to the Registrar's Office for processing.
- **Prior to graduation**, the cadet will return their Class A, Class B, and/or OCP uniform components to Supply, at which time they will receive their clearance form and the signature from the Supply Room. Class A and Class B uniforms must be dry-cleaned, or a \$75 dry-cleaning fee will be charged. The cadet will then acquire signatures from their teachers, Media Center, Clinic, JROTC Senior Army Instructor, and Athletic Director. The completed clearance form must then be returned to the Registrar's Office before the graduation ceremony for processing.
- **In either scenario**, after the Class B uniform has been returned to Supply, the Polo uniform must still be worn by the cadet while on campus. Polo uniform items that are no longer needed may be donated to our Gently Used Store.

RESTRICTIONS AND EXCUSE FROM PT, PE, AND SPORTS

- When a cadet has physical restrictions or cannot participate in physical activities, a doctor's note is required and needs to specify the restrictions and for how long (a deadline).
- If a deadline is unknown, then the note should specify the date of the next appointment, which will then become the deadline.
- The note must be brought in to the main office and signed off by the office staff, followed by a copy given back to the cadet, the clinic, and others as needed.

Elevator Pass

- A doctor's note should be obtained requesting the use of the elevator and specifying how long it is needed for (a deadline).
- If a deadline is unknown, then the note should specify the date of the next appointment, which will then become the deadline.
- This doctor's note must be brought in to the main office and signed off by the office staff, followed by a copy given back to the cadet, the clinic, and others as needed.
- Cadet must have this note on their person each time they use the elevator.

ORTHOPEDIC DEVICES & EXCUSE FROM CLASS B UNIFORM **(Cast, Brace, Boot, Ace Bandage, Arm Sling, Crutches, etc.)**

- When an injury occurs and an orthopedic device is required, the Class B Uniform should be worn if the device can be worn under or over the uniform, such as, but not limited to, an arm sling or knee brace.
- A doctor's note is required if the device cannot be worn comfortably with the Class B Uniform and the Polo Uniform must be worn instead. This would usually take place if the cadet is required to wear a cast, special shoes, an orthopedic boot, etc.
- The doctor's note must specify the device that is to be worn and for how long (a deadline).
- If a deadline is unknown, then the note should specify the date of the next appointment, which will then become the deadline.
- Another note may be brought in from the next appointment if more time is required.

When crutches, a wheelchair, a scooter, or a walker are necessary, a special form must be picked up in the clinic or the main office. This form must be filled out and signed by the doctor and returned to the school clinic. These devices **may** be used while in the Class B Uniform.

UNIFORM PRICES

- At times, cadets arrive at school "out of uniform" meaning that they are missing uniform items or are not in the correct uniform.

Uniform Standards:

The Army Class “B” uniform is the uniform of the day, Monday through Friday. The Polo Uniform is permitted on Fridays. Exceptions to this policy must be approved by the grade level administrator and may require a note from a physician. Cadets not wearing the appropriate uniform will be placed in In-School Suspension until they are in the proper uniform.

Class B Uniform Standards:

Sarasota Military Academy is, as the name implies, an institution where military traditions and customs are an important part of the academic experience. Cadets will be furnished with uniforms at no cost, but they are required to wear and care for the uniforms properly. The uniform will be worn in accordance with the standards outlined in U.S. Army Cadet Command Regulation 145-2 and AR 670-1/DA Pam 670-1. When the uniform is worn, it will be worn completely and not mixed with civilian clothing or civilian shoes or without **required** items such as belts, nametags, etc.

Cadets and parents/guardians must understand that this is a US Army Uniform, as modified, and must be worn with proper respect. Cadets may not play sports or be involved in any work detail while in the Class B Uniform, nor may they engage in any conduct that would bring embarrassment or disgrace to the uniform or the Army. Further, the uniform may not be worn to promote political causes or at partisan political organizations’ events.

Medals and Ribbons:

As you start to earn ribbons and/or medals, be advised that you can't wear them together; you wear EITHER your medals OR your ribbons, but NOT BOTH.

Care and Maintenance of Uniform Items:

Standards to be met while in uniform include maintaining the uniform in a clean and serviceable condition. The shirts may be washed, dried, and ironed (sizing/starch is recommended). **Trousers and slacks MUST BE**

DRY CLEANED and may not be washed. Shoes should be cleaned/shined with Windex spray or furniture polish spray (such as Pledge). Dirt can be removed from the side edge with a small brush (put some black shoe polish on it to restore the color of the shoe edge, as dirt and dust collect there). After initial issue of all uniforms and hemming of both pairs of pants, it is the cadets'/parents'/guardians' responsibility to properly maintain the uniforms. This includes dry cleaning, sewing on lost buttons, necessary mending, replacement of broken zippers, and repair of torn/loose hems. **Only when a cadet outgrows an issued uniform item will he/she have the item replaced at no cost.**

Socks:

Only calf-length black socks may be worn with the Class B Uniform. No logo, plain black socks only. White socks are **NOT AUTHORIZED** for wear with the Class B uniform.

Undershirt:

A white, crew neck t-shirt without any writing or designs, is required for all.

Beret:

SMA issued berets must be worn with the Class B Uniform during formation and while in the Class A Uniform at Off Campus Events.

Jewelry Standards:

While in any uniform, females may wear post-type earrings in gold, silver, or diamond. The earrings will not exceed 6mm or 1/4inch in diameter; they must be unadorned and spherical (round) and may be screw-on, clip-on, or post-type. The **ONLY** body piercings allowed for females are earrings which may only be worn in the lowest piercing in the ear lobe. No other earrings are authorized. Males may not wear earrings. Earrings are authorized for Females in the OCP uniform following earring guidelines.

Face piercing of any type, such as, eyebrow/tongue/nose rings, and ear gauges are strictly prohibited. **Cadets who get new piercings during the school year that are not in compliance with the uniform policy must remove them immediately; they cannot be covered up by Band-Aids nor may the cadet insert clear plastic plugs.** New piercings should be done during the summer months, so they have time to heal and don't necessitate posts to keep them open. Both males and females may wear necklaces if they are not visible in any uniform and the chain is no

larger than the Army ID tags chain. No bracelets are allowed while in uniform. Both males and females may wear one ring per hand and a wrist watch: These must be conservative and not detract from the appearance of the uniform. No large or colorful rings and watches. Faddish watches and watch bands are not authorized.

Cosmetic and Nail Standards:

Tattoos or brands, regardless of subject matter, are prohibited on the head, face, neck (anything above the t-shirt neckline to include on or inside the eyelids, mouth, and ears), below the wrist bone, and hands. Tattoos that are considered extremist, indecent, sexist, or racist are prohibited anywhere on a cadet's body. Cadets may not cover tattoos or brands with bandages or make up in order to comply with the tattoo policy.

Males: Clear nail polish is allowed, fingernails may not extend past the tip of the finger, and makeup is prohibited.

Females: Female cadets may wear cosmetics if they are conservative and complement the uniform and their complexion.

Hairstyle Standards:

While following the standards listed in the upcoming paragraphs, the appropriateness of a hairstyle can be determined by whether or not the cadet can properly wear their headgear (beret/ACU cap.) The headgear must fit snugly without bulging or distortion from the intended shape of the headgear and without excessive gaps.

Hair Color and Highlights:

- Highlights (Uniform Blend of Colors) are authorized for male and female cadets as long as they present a natural appearance (Natural Hair Colors) and are not a prohibited color such as, but not limited to, purple, blue, pink, green, orange, bright red, and fluorescent or neon colors.
- When female cadets add color or highlights to hair, root growth of a different color should not exceed 1.5 inches of the original color for long hair and short haircut styles should be less.
- Male cadets may also dye their hair as long as the new color goes from the scalp to the end of the hair (no highlighted "Tips").
- Root length of root growth in male cadets must be much shorter than is allowed for female cadets as the hair length requirements are shorter.

The JROTC instructor may determine the appropriate length of root growth based on the haircut.

- Questions about hair color should be addressed to the grade level administrator or cadet's JROTC instructor prior to coloring hair.

NOT AUTHORIZED Roots:

Male Haircut, Shaving, and Grooming Standards:

- Multiple locs, braids, twists or cornrows may come together in one or two braids or a single ponytail.

- Faddish and exaggerated styles, to include shaved portions of the scalp other than the neckline, designs cut in the hair, and unbalanced or lopsided hairstyles are prohibited.
- Hair will be styled so that it does not interfere with the proper wear of all military headgear. All headgear will fit snugly and comfortably around the largest part of the head without bulging or distortion from the intended shape of the headgear and without excessive gaps. When headgear is worn, hair should not protrude at distinct angles from under the edges. Hairstyles that do not allow the headgear to be worn in this manner are prohibited.
- Pigtails and widely spaced individual hanging locks, and other extreme styles that protrude from the head are prohibited.
- Dreadlocks are unauthorized.
- Hair extensions are authorized, however, they must have the same general appearance as the natural hair and conform to the above regulations.
