WHS, WNHS students win graphics arts awards

A total of 13 students from Woodstock and Woodstock North high schools were winners in the 2024 High School Graphics Arts competition held at Harper College in Palatine.

WHS graphics arts teacher Sandra Brainard and WNHS teacher Bill Weber said they were proud of the students' work and of their achievements in the competition.

"Those who won awards should be proud of the time and effort they put into compiling their projects and the judges recognize that," Brainard said.

"Seeing their art recognized is quite amazing. The young artists have not only honed their technical skills but also infused their unique perspectives into their creations," Weber added..

The following students were winners at the Harper College competition:
