

New Jersey State Assessment Results

NJGPA Spring 2024 Administration

Presented June 17, 2024

Park Ridge School District
Park Ridge, NJ

New at PRSD!

Inaugural class of AP Environmental Science (pictured)

Restructured business electives also were successful

New courses planned for next year include electives - guitar and cybersecurity - as well as AP Macroeconomics

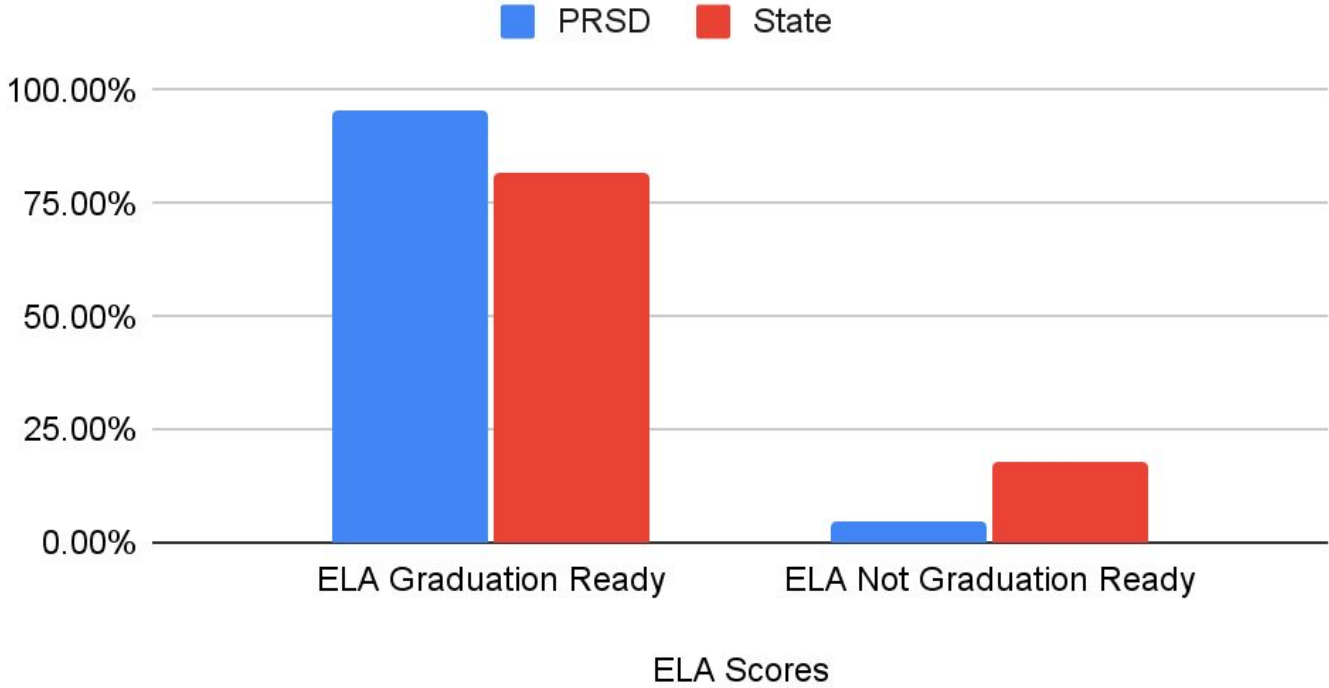

Adopting new ELA materials that improve student background knowledge and take into account the Science of Reading

NJGPA Overview

- The NJGPA was first administered in 2022
- Utilizes the same online test-delivery system as the NJSLA
- The primary graduation pathway for students (started for Class of 2023)
- Students *must* take the NJGPA in order to open up other pathways
 - If a student doesn't pass, may use another exam or the portfolio
- Students take NJGPA in the following grades/subjects:
 - ELA and Math in grade 11
- Test length was 180 minutes for each subject
- PRSD had 100% of eligible students take the test in 2024
- Each test has two scores - either students are 'graduation ready' or not
- Cut scores are a little lower than NJSLA, at 725

Park Ridge Initiatives - Data Analysis

- Our procedures have not changed:
- We meet in departments, grade-levels, and disciplines to review data
- Teachers have looked at data including question-type analysis (where can we improve?)
- Data investigation includes related departments and teachers - so at the high school, our business teachers join the math discussion, and our Social Studies teachers look at ELA results
- Meeting time includes after-school meetings, as well as P.D. days
