Preliminary criteria for early admission eligibility include the following:

1. The child must be registered with the district. Proof of residency and a copy of the original birth certificate will be required as part of the process.
2. Parents must complete the Parent Request Form.
3. Preschool (early entrance to Kindergarten) and/or kindergarten (early entrance to 1st grade) records should be submitted.
4. Upon meeting with the school psychologist, a check for \$250 will be requested (made payable to Deerfield District #109) to cover costs related to testing. If this is a hardship for the family, please contact a member of the Teaching & Learning Department.

I give my consent to Deerfield District #109 for the following to determine early admission to Kindergarten or First Grade:

- To administer measures of achievement, ability, and performance.
- To contact my child's current preschool or teacher for written and verbal documentation of above level performance.
- To allow my child to be interviewed by the school psychologist and/or instructional staff administering the tests.

I also understand that this process meets the state of Illinois requirements, that a report will be shared, and that the decision made by the collaborative screening team is final.
