

HSA, HRA, Healthcare FSA and Dependent Care Eligibility List

The following is a summary of common expenses claimed against Health Savings Accounts (HSAs), Health Reimbursement Arrangements (HRAs), Healthcare Flexible Spending Accounts (HC-FSAs) and Dependent Care Flexible Spending Accounts (DC-FSAs). Due to frequent updates to the regulations governing these accounts and arrangements, this list does not guarantee reimbursement and is to be utilized as a guide for the submission of claims. For a full list of IRS-qualified medical expenses, please review IRS Publication 502.

If you have an HRA, your employer's plan may only reimburse a subset of expenses. Please refer to your Plan Document for confirmation of reimbursable expenses under your plan.

If you are currently participating in a High Deductible Health Plan (HDHP) and are contributing to an HSA, you may also participate in a Limited Purpose HRA or Health FSA. Expenses are limited to dental and vision expenses identified with an * in the list below.
