

Dear Tenant:

This document contains the rental agreement, fee schedule, rules and regulations, and additional addendums concerning the use of Centennial Hall. Please read them carefully and electronically sign each section.

The Haverford School greatly appreciates the relationships we form with all our tenants, and we try to offer the most value possible to those occupying Centennial Hall's facilities. However, rising operating costs necessitate that we make minor increases to the prices associated with renting our facility for the 2024-2025 season, including additional personnel fees when applicable.

Please also note that our minimum general liability requirements have increased. Refer to clause X for more details. Please also review our most updated guidelines in the Rules & Regulations addendum.

The use of fluid-based atmospheric effects (such as fog or haze) now requires advanced written permission from the director of Centennial Hall, and is subject to additional personnel and operating fees. More information can be provided upon request.

State regulations regarding background checks, job history reviews, training and clearance checks make it the responsibility of all organizations that deal with children to be prepared to provide proof of all documentation for all employees and full time volunteers of said training and history. Please refer to clauses IX through XIII for more details.

Please remember to provide the insurance certificate and the refundable security deposit upon signing the contract. We cannot accept any rental agreement unless it is accompanied by a security deposit check and a liability insurance certificate as specified herein.

If there is any change in the nature of your event it would be a great help to us, and your group, to let us know as soon as possible. Such changes include title of presentation, times, or any other pertinent information that affects the public perception of the said event. Our own published calendar of events, the school publications or any public relations that we do promoting Centennial Hall needs to be correct and current to be effective.

A technical specifications packet and supplemental documents or venue drawings are available upon request. Should you have any questions concerning the rental agreement or about the usage of this facility, please feel free to contact me at the phone number or email address listed below.

Sincerely,

A handwritten signature in black ink that reads 'Dex Woodward'. The signature is written in a cursive, flowing style.

Stephen "Dex" Woodward  
Director of Centennial Hall

- No furniture or equipment may be moved from one part of the facility to another part of the building or be removed from the facility without permission from the House supervisor.
- No nails, tacks, or tape of any kind may be used on either the interior walls, ceilings, windows or curtains of the House.
- The Art Gallery walls and pedestals are not to be used to hang or display concession items, banners, signs or other material so as to cover, obstruct or endanger any artwork or display. Permission must be obtained to set up any lobby displays.
- The Tenant shall be responsible for supplying any labor needed for load in, load out, and running of the event or performance (i.e. lighting & sound operators, backstage crew, etc). The theatrical rigging systems may only be operated by qualified persons authorized by the Director of Centennial Hall or House supervisor.
- The Tenant may request to hire supplemental student crew to assist with their event. This labor is subject to students' schedules, and availability is not guaranteed.
- Incurred labor fees will be charged at the hourly rates specified in the rental agreement. All crew calls are billed at a four (4) hour minimum.
- The house opens 30 minutes prior to scheduled show time. All set-up and sound checks must be completed by this time. The House supervisor will assist the Tenant in opening the house and starting the event on time.
