

## **STAFF MEMBERS AND ELECTRONIC OR DIGITAL COMMUNICATIONS**

The Superintendent and designated staff will annually remind staff members and orient new staff members concerning the importance of maintaining proper decorum in the on-line, digital world as well as in person. Employees must conduct themselves in ways that do not distract from or disrupt the educational process. The orientation and reminders will give special emphasis to the following prohibited behaviors:

1. Improper fraternization with students using electronic or digital communication.
  - a. ~~Teachers~~ All district employees may not list current students as "friends", "followers" or similar contacts, as varies by platform, on networking sites.
  - b. All e-contacts with students should be through the district's school-approved platforms.
  - c. Improper contact via electronic or digital communication is prohibited.
2. Inappropriateness of posting items with sexual content
3. Inappropriateness of posting items exhibiting or advocating use of drugs and alcohol
4. Monitoring and penalties for improper use of district computers and technology

As per state law, employees are discouraged from sharing content or comments containing the following when directed at a citizen of the State of Oklahoma:

- 1) Obscene sexual content or links to obscene sexual content;
- 2) Abusive behavior and bullying language or tone;
- 3) Conduct or encouragement of illegal activity; and
- 4) Disclosure of any information required to be maintained as confidential by law, regulation, or internal policy.

"Electronic or digital communication" includes, but is not limited to, emails, text messages, instant messages, direct messages, social media messages, messages sent through software applications, and any other electronic or digital means of communication.

"Social networking or "social media" means interaction with external websites or services based upon participant contributions to the content. Types of social media include social and professional networks, blogs, micro blogs, video or phone sharing and social bookmarking; and

"Comment" means a response to an article or social media content submitted by a commenter.

The Superintendent or designees will periodically conduct internet searches to see if employees have posted inappropriate materials on-line. When inappropriate use of computers and websites is discovered, the School Superintendent or designees will download the offensive material and promptly bring that misconduct to the attention of the school district's legal counsel for review.

The board of education shall designate school-approved platforms. The administration shall publish school-approved platforms on the district's website and in student or staff handbooks.

School personnel engaging in electronic or digital communication with an individual student shall include the student's parent or guardian in any electronic or digital communication, unless such communication is on a school-approved platform and related to school and academic communications. The only exception to this requirement may be made in case of an emergency, subject to subsequent notification to the parent or guardian. School employees shall make reasonable efforts to use school-approved platforms, systems, or applications that allow automatic inclusion of parents or guardians in communications with students.

School employees reported to have engaged in electronic or digital communications that would violate this policy and state law shall be placed on administrative leave while the school district investigates the incident. If the investigation finds that no misconduct occurred, the school employee shall be reinstated, and the incident noted in the personnel file.

Employees who engage in any of the above-referenced prohibited behaviors are subject to the possibility of penalties, including termination of employment, for failure to exercise good judgment. Incidents will be reported in compliance with state law and district policy FFG (Reporting Suspected Child Abuse and/or Neglect).
