# New School Year Ahead!

I hope this memo finds you all enjoying a restful and rejuvenating summer break. As we prepare to embark on another exciting academic year, GHS looks forward to working alongside you in supporting the success of your child's high school journey.

Looking back at the past year, we have so much to celebrate! Our students and staff have demonstrated remarkable commitment, dedication and talent both in and out of the classroom. We are truly a school community, working closely together as a team to enhance the experiences of all students. We build each other up, maintain high expectations for all, and are based on a foundation of trust and respect. Our students continue to impress with remarkable progress on the skills embedded in our Vision of the Graduate. I look forward to carrying forward this spirit of excellence into the new school year!

Communication is key! Once the school year begins, please be sure to read my weekly "Friday Memo." They are emailed to every student and parent/guardian in our system. Thus, if you are not receiving, please contact our Main Office at 860-376-7640. Also, you are encouraged to get involved by joining our GHS PTO, Griswold Booster Club and/or Project Safe Graduation (if you have a senior this year). Please stay connected by checking your child's progress on Infinite Campus often, and reaching out to your child's teacher with any questions or concerns. Remember, you are never alone on this journey. Our dedicated staff, counselors, and administration are here to support you every step of the way. Thank you for being a part of our Griswold High School family. I look forward to seeing you all soon and to another fantastic year together. But first, enjoy every moment of your summer!

Sincerely,

*Erin Palonen*
