  - These headphones will be used with classroom iPads and our Chromebook cart. They have a special inline microphone for recording and are volume-limiting to protect students' hearing. Each student's headphones will be kept at school and follow the student to their next year class as he/she moves throughout the Lower School. Although we anticipate this to be a one-time purchase, parents may be asked to replace them if they are lost or broken. The headphones we are recommending can be found at this link - [Recommended Headphones](#).
