PAYING INTO INDIVIDUAL STUDENT ACCOUNTS –

- **ONLINE** – the online payment system **MyPaymentsPlus.com (No Charge to Families)** that allows payments from your checking account or credit card. You will need your students ID# (issued at registration). Please visit the School Nutrition website or call School Nutrition office at 608-783-6251 for more information.
- **CHECK OR CASH** – Please write your student’s ID# on your check, or write it on a slip of paper to send with your cash. You may send the money to any school, and it will be applied to the account you specify.

CHARGES TO INDIVIDUAL STUDENT ACCOUNTS-

After your student goes through the food service line and either fills a tray or takes a carton of milk to have with a sack lunch, the student gives his/her name to the cashier and punches his/her 4-digit meal code number into the keypad at the checkout station. The student’s name and picture will flash onto a computer screen. After the cashier verifies that the correct student is being served, the system deducts the correct charge from the student’s account. *(Cashiers assist students with their meal code numbers until the students learn them. The system preserves confidentiality of those eligible for free and reduced priced meals.)* Cash or four-digit lunch number may also be used for a la carte purchases at the middle and high schools.
