## **Congratulations to 56 Illinois State Scholars selected from Woodstock, Woodstock North high schools**

Woodstock Community Unit School District 200 is proud to recognize 56 seniors from Woodstock and Woodstock North high schools who were designated as Illinois State Scholars for the 2023-2024 school year.

The Illinois Student Assistance Commission (ISAC), the state's college access and financial aid agency, presents this recognition of academic achievement to exceptional Illinois high school students each year.

"Congratulations to these students who've taken full advantage of the academic opportunities we're able to provide thanks to our outstanding teachers from kindergarten through high school," District 200 Superintendent Mike Moan said. "We look forward to seeing their bright futures unfold over the coming years."

Illinois State Scholars are determined by a combination of high school grades and SAT scores. Those designated as Illinois State Scholars are generally among the top 10 percent of high school seniors in the state.
