WNHS Dec. 2 Madrigal Dessert opens more seating

The Woodstock North High School Choir Madrigals singers have made a slight venue change to give many more people the opportunity to join them for their Madrigal Dessert.

Choir Director Paul Rausch said the event has typically been held on the high school auditorium stage, but the limited seating made it difficult for everyone who wanted to attend to join the fun.

This year's performances will be held at 3:30 p.m. and 6:30 p.m on December 2 in the Woodstock North Commons.

"The space will be transformed to look like the inside of a castle's great hall. There will be jesters, ladies in waiting, live orchestral music, sweet treats, wassail, coffee, and of course, the Madrigals Singers," Rausch said.

Reservations and payment are due by November 22 to insure your seat. Call through Tuesday, Nov. 28 to see if there are any seats still available. Reservation forms are available in the WNHS main office or on the following link:

"The singers will present a wide range of songs, madrigals, early American music and beautiful carols that will bring the spirit of the holiday season to all," Rausch said. "The students sound great and are so excited to share their music."
