**SUMMER REC SOCCER** is the largest program for youth in the area. This summer we will have almost 900 kids, age 4 through 8th grade, enrolled in the five-week session. This program has grown over the years and is successful because of the partnerships with volunteer coaches and parents. Each week teams play on 12 small fields and 6 large fields at the D.C. Everest Middle School Soccer Complex. Players learn basic rules of soccer, positions, foot coordination and team play.

If you missed summer soccer registration, there are many opportunities this fall to play. Fall registration is also open for:

**Flag Football** grades 1-6

Registration closes July 19th

**Fall Soccer** grades 4K-5

**Girls Basketball REC League** grades 3-6

**Boys Basketball REC League** grades 3-6

## COACH

Most of our programs are successful because of dedicated parent Volunteer Coaches, please consider coaching one of our fall programs. You can sign up to coach during registration or contact Nora Beppler, Recreation Supervisor for details at [nbeppler@dce.k12.wi.us](mailto:nbeppler@dce.k12.wi.us).

Coaches meet at the beginning of each season for a brief rules and regulations overview and equipment distribution. We appreciate our volunteer coaches and their dedication to youth. Their commitment helps youth athletes learn valuable lessons about team play.

**Adventure Camp** provides an interactive summer day camp experience for kids aged 4 to 12. The camp offers a variety of activities, including weekly field trips, biking, visits to the planetarium, museum, pool, and zoo. Children engage in arts and crafts, STEM projects, technology, outdoor games, and other exciting activities throughout the program. A highlight for the kids was a visit to the Farmers Market and Rib Mountain. Currently, 250 campers are enjoying their summer under the supervision of the Greenheck Turner Community Center staff.
