New Principal Assignment Announced

The Board approved Sue Broderson as the new Principal/Director of Village View Elementary School, effective July 1, 2024. Having spent six and a half years as Principal at Westmont Elementary and currently serving as Coordinator, Child Development Programs for Ocean View School District, Sue brings experience as a strong site administrator, in addition to knowledge of District and school site procedures, processes, and best practices.

Board Names New Coordinator, Student Services

Tim Biland has been named the new Coordinator of Student Services. He brings over 20 years of experience to Ocean View School District, having served as principal at both the elementary and middle school levels, as well as in district office administrative roles. He is currently the Coordinator, Child Welfare and Attendance at Moreno Valley Unified School District.

Middle School Student Presentation - Spring View

Spring View Middle School Principal Isis Ortiz introduced the Spring View News Group, composed of some of the students in the Leadership class elective. The News Group produces a weekly news video, incorporating recurring segments such as messages from the Principal and Assistant Principal, as well as sports news and upcoming events, while also exploring innovative technology. The process includes brainstorming and evaluating ideas, identifying potential hurdles, and refining the final product through rigorous critique to ensure continuous improvement. The presentation concluded with an informative, and at times, humorous video produced by the News Group.

Middle School Student Presentation - Vista View

Vista View Middle School Principal Dr. Rasheedah Gates discussed the school's inclusion and unified sports programs. Inclusion is at the heart of their educational philosophy; it's their commitment to fostering a community where every student feels valued and respected. The staff carry a belief that diversity should be celebrated. Dr. Gates was joined by two students: Max, who shared a moving poem, and Nareg, who talked about the unified sports program, in which Max and Nareg both participate during second period.

Food & Nutrition Services Presentation

Director of Food & Nutrition Services Jim Riner shared insights into the school meal program, highlighting scratch-made dishes and showcasing what is ahead for the department, such as expanding the school menus and hosting a "Taste of OVSD" event. After the Board's tasting session, staff and community members had the opportunity to sample current and upcoming menu items made by the District's Food Services Central Kitchen staff, from chili mac to chow mein and pasta bake. The response? Everyone loved it! The entire presentation is available [here](#).

Dual Language Immersion Presentation

Deputy Superintendent Dr. Julianne Hoefer, Assistant Superintendent of Educational Services Dr. Alice Lee, Harbour View Elementary School Principal Francesca Ligman, and Curriculum Specialist Trisha Field gave a presentation on the Dual Language Immersion (DLI) Program. A comprehensive overview of the program was provided, along with recent updates and future plans, including the program's expansion to Mesa View Middle School in the 2025-26 school year. The presentation can be accessed [here](#).
