New Oak View Elementary Principal Appointed

The Board appointed Aracely Worley as the new Principal at Oak View Elementary School, starting August 1, 2024. With more than a decade of experience, Aracely joins Ocean View School District from her current position as assistant principal at Murrieta Unified School District. Before stepping into administrative roles in Murrieta, she served as a special education instructor.

New Vista View Principal Announced

The Board has approved Manny Quezada as the new Principal of Vista View Middle School, starting August 1, 2024. Manny comes with nine years of administrative expertise, including four years as a principal and five years as an assistant principal. During his tenure as an assistant principal in the San Gabriel Unified School District, his school achieved two prestigious recognitions: California Distinguished School in 2021 and National Schools to Watch in 2022.

Elementary Bulletin Board Presentation - Star View

Star View Elementary Principal Jeanne Bentley and 4th/5th grade teacher Leslie Flores highlighted the school's efforts to cultivate a safe, inclusive environment, where students are both challenged and celebrated on their path to personal excellence. Classroom examples were used to illustrate the impact of the school's STAR signature which highlights - Scholars, Teamwork, the Arts, and Robotics and Engineering. This focus allows the teachers to create a dynamic learning environment, where every student has the opportunity to shine brightly.

Middle School Student Presentation - Mesa View

Principal Jadyn Grunbaum showcased the impressive achievements of the leadership classes at Mesa View Middle School - Where Everyone Belongs (WEB) and Associated Student Body (ASB). Students are taught the importance of not only abiding by the expectations of the school, but also for standing up for what is right and being a voice and advocate for their peers. Isla Castillo, Vivienne Umlas, Ava Mobed, and Brady Clark, provided insights into their experiences in these classes, highlighting the positive impacts they have on both the student body and the culture they foster.

Campus Safety Supervisors

Middle school vice principals, Shannon Mudry (Marine View), Venus Moeller (Mesa View), Jared deLaChica (Spring View) and Ku'uipo Koahou (Vista View), presented the District's Campus Safety Supervisor team. Along with introducing the staff, student and teacher testimonials were provided to show the positive influence and meaningful connections the supervisors have made at the middle school campuses. The entire presentation is available [here](#).

Local Control Funding Formula (LCFF) Budget Review

Assistant Superintendent of Administrative Services Keith Farrow delivered a presentation regarding the Local Control Funding Formula (LCFF) Budget Review. The discussion revolved around the implications of Average Daily Attendance (ADA) and its influence on the District's funding. The presentation can be accessed [here](#).
