

Time & Location:

The School Board met on June 5, 2024 in the Joseph Lane Middle School cafeteria, 2153 NE Vine St. Roseburg, and available via Zoom.

**SUPERINTENDENT
JARED P. CORDON**

Supt. Cordon extended warm congratulations to our 2024 graduating class. RHS students should be proud of their diplomas, a culmination of demonstrating proficiency in earning 24 credits, one of the highest as compared to other states. Our remaining school security vestibules should be completed by fall, as ESSER funds expire in September. Seismic grant work is in progress at Winchester and Eastwood, with other projects underway, including the Hucrest bathroom facility, RHS storage building and walk-in coolers at Hucrest and Melrose. The Strategic Plan remains our focus in providing care, support and instruction for our students. Our key goals next year include literacy, math, attendance, and graduation. We will continue having conversations about the need for a bond so our schools and community can thrive. Our partnerships with UCC and industry leaders; working with Salem to ensure common-sense approaches to education; and working to improve multi-level systems of supports for academics and behavior are a focus for 2024-2025.

**THANK YOU, JOSEPH LANE
MIDDLE SCHOOL!**

The Board was very grateful to Joseph Lane Principal Nicki Opp and her staff for graciously hosting our Board meeting tonight.
