3. Cost of Obtaining Specifications

There is NO fee required to obtain this specification document.

4. Rejecting Proposals

Springfield Township Board of Education, in accordance with New Jersey State law, reserves the right to reject any submission for any of the following reasons: lack or loss of funding, material defects in bid specifications, or other reasons that may impact the district's ability to enter into a binding agreement.

5. Mandatory Walk-thru (if required)

NOT APPLICABLE.

6. Sales Tax

Springfield Township Board of Education is not subject to sales tax and no sales tax should be charged.

7. Incurring Costs

The Springfield Township Board of Education is not liable for any costs incurred in the preparation and submission of responses to this specification, or in anticipation of award of a contract associated with this specification.

8. Procurement Method

Pursuant to 18A:18A-1 et seq., the Springfield Township Board of Education will be utilizing the public bidding process. As such, the District will award the contract to the lowest responsible bidder. To be deemed the lowest responsible bidder, the bidder must conform in all material respects to the terms and conditions, specifications, scope of work, legal requirements, and other provisions of this Invitation for Bid. The Board reserves the right to waive informalities in a bid. Bids that contain a material defect shall be disqualified and given no further consideration.

9. Acceptance of Bids and Validity Period

The District reserves the right to accept or reject all bids pursuant to N.J.S.A. 18A:18A-1 et seq., to waive any informality, and to award the contract to the company that is the lowest responsible bidder. Submission of a Bid will signify the Contractor's agreement that its bid and the content thereof are valid for 60 days following the submission deadline unless otherwise agreed to in writing by both parties. The Contractor's bid response and this specification will become part of the contract between the District and the successful Contractor. Conditional or alternate Bids will not be accepted.

10. Submission of Bids

Bid modifications or corrections thereof received after the closing date for the receipt of bids will not be considered. The District is not liable for any errors or misinterpretations made by the Contractor in their response. Contractor shall be solely responsible for delivery of the bids as specified. The Board bears no responsibility for bids that are improperly mailed, misdirected or problems associated with third party carriers. *The district is not responsible for bids not received in a timely manner.*

A. Format of Bid Submission: All bids shall be submitted with one (1) complete original bid in a sealed package. Be sure to include all the required bid forms from Section 4 of this Document, including any items required for which a form is not supplied. Each Appendix contains specific instructions which must be followed for consideration. All bids submitted in response to this document must be submitted at the sole expense of the Contractor, whether or not any agreement is signed as a result. Contractors will pay all costs associated with the preparation of Bids and visits to the buildings in the district, if visits are required or needed.

B. Scope of Bid and Proposal: Contractor certifies to having carefully examined and certifies to the understanding that the general conditions to bidders, the instructions to bidders, the specifications, the schedules and addenda, if any, that are prepared under the direction of the Board of Education are a part of the bid proposal; and the Contractor will, if successful in this bid, furnish and deliver the goods and services at the times specified and at the prices bid.

C. Obligation of Contractor: At the time of the opening of bids, each Contractor will be presumed to have read, and to be thoroughly familiar with the contract documents (including written responses to questions and clarifications, if any). The failure or neglect of the Contractor to receive or examine any form, instrument or document shall in no way relieve the Contractor from any obligation in respect to the bid submitted. Failure of the Contractor to receive any Addenda shall not relieve the Contractor from any obligation under the bid as submitted. In addition, a failure on the part of the Contractor to acknowledge receipt of addenda will result in disqualification of the bid. Addenda so issued shall become part of the Contract documents. Contractors are advised that terms and conditions set forth herein will be rigidly enforced.

D. Examination of Bid Specification: The Contractor shall examine the contents of the bid specifications or other documents issued by the Board in conjunction with this bid. The Contractor shall assure itself that all pages of the specifications and other referenced Documents are included in the documents obtained for bidding purposes. If any part of the specifications and other documents are incomplete, the Contractor shall notify the Board in writing in order to obtain any missing pages or other documents. The lack of such written notification by the Contractor will be construed as evidence that the specifications and other documents supplied for bidding purposes are full and complete and as a waiver of any subsequent claim to the contrary.

E. Bid Protest - Legal Fees and Costs: In the event a Contractor unsuccessfully challenges a submission by filing an action in a court of law concerning the same, the Contractor agrees to be responsible for payment of reasonable legal costs and fees incurred by the Board relating to the protest.

F. Alternate Bids: Alternate bids will not be considered. An alternate bid is considered to be a bid that does not comply with the minimum provisions of these specifications and the scope of goods and/or services to be provided.

G. Bid Response Format: Bid responses should be prepared simply, but completely, providing a straightforward, concise description of capabilities to satisfy the requirements of the specifications, technical data sheets on goods to be provided or other documentation to fully present the position of the Contractor. All submissions need to be bound. Emphasis should be on completeness and clarity of content. The Contractor will number all pages of their response. Failure to use the following format will cause the Contractor's bid to be deemed non-responsive and non-responsible and a cause for rejection of the bid.

Section 1- Required Documents and Cost Submission: All the required bid forms as outlined in Section II of this document. Provide detail of all charges and any other pertinent financial information.

11. Restrictions of Contact

The only authorized contact for this specification is Ms. Casey DeJoseph, School Business Administrator, Springfield Township Schools.

12. Sub-Contracting

The Contractor must be fully capable of performing the scope of work and services within its own resources and may not assign, transfer, or sublet the contract or any portion thereof without the written consent of the District. Sub-contracting any portion of this contract, without District permission to do so, will result in a disqualification of the contract and termination thereof.

13. Potential Need for Clarification - Inquiries, Questions, Specification Interpretation, and Exceptions

Any question or explanation desired by Contractors must be requested of the District

in writing. No oral interpretation will be made to any company regarding the meaning of the specifications. Written questions will be taken and written answers will be given. Such questions will be made in writing, no later than 4:00 PM on Thursday, August 8, 2024, to the School Business Administrator, Ms. Casey DeJoseph, at cdejoseph@springfieldschool.org. If an explanation is necessary, a reply will be made in the form of addenda, a copy of which will be forwarded to each Contractor that has received a set of the documents from the District. Contractors must notify the District of their name, address, telephone, email address, and facsimile numbers in order to receive any addenda. Interpretation of the wording of this document will be the responsibility of the District and its interpretation will be final and binding. All answers will come from the School Business Administrator.

The District will not give verbal answers to inquiries regarding the scope of work and services, or verbal instructions prior to or after the award of the contract. A verbal statement regarding the same by any person will be non-binding. The District is not liable for any increased costs resulting from the Contractor accepting verbal direction.

Bidders are expected to examine the specifications and related bid documents with care and observe all their requirements. Ambiguities, errors or omissions noted by bidders should be promptly reported in writing to the School Business Administrator. Any prospective bidder that wishes to challenge a bid specification shall file such challenges in writing with the contracting agent no less than three business days prior to the opening of the bids. Challenges filed after that time shall be considered void and having no impact on the contracting unit or the award of a contract pursuant to N.J.S.A. 18A:18A-15. In the event the bidder fails to notify the owner of such ambiguities, errors or omissions, the bidder shall be bound by the requirements of the specifications and the bidder's submitted bid.

If the amount shown in words and its equivalent in figures do not agree, the written words will be binding. Ditto marks are not considered writing or printing and will not be used. In the event that there is a discrepancy between the unit prices and the extended totals, the unit prices will prevail. In the event there is an error of the summation of the extended totals, the computation by the District of the extended totals will govern.

Unless a Contractor submits, with their bid, a list of exceptions to this RFB or any addendums issued, it shall be assumed there are no exceptions taken to this RFB by the Contractor. Any exceptions made by any Contractor must be clearly labeled and noted in their Bid. Any exceptions made to any material condition of the RFB will be cause for the rejection of the bid.

14. Governing Law

The Agreement shall be governed by and in accordance with the laws of the State of New Jersey, without references to any choice of law or conflicts of law's provisions therein.

15. Dispute Resolution

Any and all claims, disputes or other matters in question between the Board and Contractor arising out of or relating to this Agreement or alleged breach thereof, shall be submitted first to non-binding mediation before a mediator who is mutually acceptable to both parties. The Board reserves its rights to seek injunctive or declaratory relief at any time during the term of the Contract. All disputes not resolved by non-binding mediation shall be brought to a court of proper jurisdiction in the Board's venue.

The Contractor hereby irrevocably waives its rights to trial by jury in any action arising out of or relating to this Agreement. This waiver does not apply to personal injury actions or to any action in which another party, not bound by such a waiver, demands trial by jury. This waiver is knowingly, intentionally and voluntarily made by the Contractor.

16. Payment Terms

Payments to contractors will be made on or about the 30th day of the month. Payments are made in monthly installments, provided an appropriate invoice is submitted by the 15th day of the month.

Payment for the month of June will be made by July 30th.

Payments are subject to approval by the Board of Education. Therefore, payments may be delayed depending on the Board's meeting schedule.

S121 01 et seq.), which prohibits discrimination on the basis of disability by public entities in all services, programs, and activities provided or made available by public entities, and the rules and regulations promulgated pursuant there unto, are made a part of this contract. In providing any aid, benefit, or service on behalf of the owner pursuant to this contract, the contractor agrees that the performance shall be in strict compliance with the Act. In the event that the contractor, its agents, servants, employees, or subcontractors violate or are alleged to have violated the Act during the performance of this contract, the contractor shall defend the owner in any action or administrative proceeding commenced pursuant to this Act. The contractor shall indemnify, protect, and save harmless the owner, its agents, servants, and employees from and against any and all suits, claims, losses, demands, or damages, of whatever kind or nature arising out of or claimed to arise out of the alleged violation. The contractor shall, at its own expense, appear, defend, and pay any and all charges for legal services and any and all costs and other expenses arising from such action or administrative proceeding or incurred in connection therewith. In any and all complaints brought pursuant to the owner's grievance procedure, the contractor agrees to abide by any decision of the owner which is rendered pursuant to said grievance procedure. If any action or administrative proceeding results in an award of damages against the owner, or if the owner incurs any expense to cure a violation of the ADA which has been brought pursuant to its grievance procedure, the contractor shall satisfy and discharge the same at its own expense.

The owner shall, as soon as practicable after a claim has been made against it, give written notice thereof to the contractor along with full and complete particulars of the claim, If any action or administrative proceeding is brought against the owner or any of its agents, servants, and employees, the *owner shall* expeditiously forward or have forwarded to the contractor every demand, complaint, notice, summons, pleading, or other process received by the owner or its representatives.

It is further agreed and understood that the owner assumes no obligation to indemnify or save harmless the contractor, its agents, servants, employees and subcontractors for any claim which may arise out of their performance of this Agreement. Furthermore, the contractor expressly understands and agrees that the provisions of this indemnification clause shall in no way limit the contractor's obligations assumed in this Agreement, nor shall they be construed to relieve the contractor from any liability, nor preclude the owner from taking any other actions available to it under any other provisions of the Agreement or otherwise at law.
