The Offeror agrees to cooperate and shall furnish to the School Board all such reasonable information/data and/or access for this purpose as may be requested. The School Board further reserves the right to reject any proposal if the evidence submitted by, or investigations of, such Offeror fails to satisfy the School Board that such Offeror is properly qualified to carry out the obligations of the contract and to provide the services and/or furnish the goods contemplated therein.

If, in the School Board's opinion, clarifications or presentations of the Offeror's proposed services and/or goods' features and capabilities are warranted for the purpose of obtaining additional information or clarification, the School Board will notify the appropriate Offerors. This will provide an opportunity for the Offeror to clarify or elaborate on the proposal. This is a fact finding and explanation session and may or may not include the opportunity for initial negotiations should the School Board so determine. Oral presentations are strictly at the option of the School Board and may or may not be conducted. Therefore, proposals should be comprehensive, competitive, and complete.

The School Board reserves the right to reject any or all proposals and to waive any informalities or regularities. The Offeror's submission of a proposal is recognition of this right. In addition, the School Board reserves the right to fund (proceed with project or purchase) or not to fund regardless of E-Rate approval.

The School Board reserves the right to choose one or more Offerors to provide the services listed in the RFP. The School Board further reserves the right to accept proposals in whole or in part, therefore having the flexibility to select equipment and services that best meet the needs of the School Board. Offerors may respond to all or part of the RFP. Proposals should list each item separately.
