

September 8, 2023

Dear Parents,

I am looking forward to resuming instrumental music lessons with your child in school this year! We had a very successful beginning program this summer, with many students returning to Kaegebein with summer experience! On the reverse is the temporary schedule for next week ONLY. Please check for your child's instrument group and time for **TUESDAY, September 12th**. A permanent lesson schedule for the year will be distributed on Friday, September 15th. At next **TUESDAY'S** orientation lesson your child should bring:

1. Instrument (percussion should bring sticks and mallets ONLY, French horn / Baritone / Tuba should bring mouthpiece ONLY).
2. Music folder with all lesson materials.
3. Pencil for lessons (to be kept in music folder).

At TUESDAY'S lesson we will finalize our permanent schedule and have more information about this year's lessons and activities. Band rehearsals are for all Beginning students on certain Mondays and Wednesdays, 3:05 - 3:55, **beginning WEDNESDAY, October 25th**. Permission slips and rehearsal schedules for band are included with this letter and schedule.

I look forward to an enriching and successful year of band!!

Musically Yours,

Mike Robertson
Kaegebein Director of Bands
