July 2024

Dear Parent/Guardian:

On behalf of the staff of Middle College High School, we are pleased to welcome you to the 2024-2025 school year! Our teaching staff is excited to welcome you all to campus on July 29th and will continue providing excellent instruction.

Middle College High School continues to be one of the top dual enrollment programs in California. Over the past twenty years, it has consistently ranked as one of *U.S. News & World Report's* Best High Schools in California. In April of 2019, Middle College High School received its third California Distinguished School award. We are also a National Blue Ribbon School as of 2023. Each year, approximately two-thirds of our graduating seniors leave us with not only their high school diploma but also their Associate Degree. We must work together to be actively engaged in their lives and the educational process so our students can continue to maximize their potential. I encourage you to join our PTSA and become actively involved this year. We look forward to working with students and parents in achieving these high expectations.

We will continue to use Blackboard Connect and the MCHS Class of 2025, 2026, 2027, and 2028 Google classrooms to post announcements and other important communications throughout the year. Please go into the parent portal in Aeries to update your contact information. If you are an incoming Freshmen student, please join the Google Classroom MCHS Class of 2028 with the code: 2lemkbb, *GOOGLE CLASSROOM FOR SOPHOMORES*: nc2qch7, *GOOGLE CLASSROOM FOR JUNIORS*: hroa35i, *GOOGLE CLASSROOM FOR SENIORS*: 4lfcla6

Yearbook and ID photos will be taken previous to the start of school, Monday, July 22nd. The first day of school will be Monday, July 29th.
