Welcome to Ava Elementary. The school staff wants the best education possible for our children. We know that this can only be accomplished by striving to meet high expectations. It cannot become a reality without the support of the parents and patrons of the district.

Good schools are an important part of our community and is something we take pride in. It is important that we realize only through cooperation and effort on the part of all concerned can good schools be achieved.

We, the school staff, wish to cooperate with parents and patrons so children within our district will receive the benefits which result from parent and teacher cooperation. With this thought in mind, this handbook has been prepared to help answer any questions you may have concerning school policies and the school life of your child.

LEARNING.**

Philosophy

The district believes that every child should have the opportunity to acquire a quality education. The district recognizes the necessity of education for all children, in a partnership with the home and community, beginning at birth. The district provides a well-balanced, up-to-date, and challenging curriculum in a safe, positive, and comfortable environment.

The district believes the school has an obligation to prepare all students for life through an environment that is fair and orderly and has high expectations for student achievement. The district further believes that all students will learn from both structured and unstructured situations when sequenced into the proper state of learning opportunities.

The district believes that change is an ongoing and a natural process that includes school, home, and community. We all must change as rapidly as the world around us in order to meet the present and future needs of our students in a global community.

Speech and Language Clinician

Students are referred to the speech and language clinician by teachers and parents for evaluation of sound usage, language skills, voice quality, and fluency of speaking. Students in need of speech and language services meet with the clinician for individual or small group classes.

Guidance Counselor

A school guidance counselor, Mrs. Cara Roberts, is available to work with students. Guidance and counseling is an integral part of our school's educational program. Mrs. Roberts will assist students in learning the skills and attitudes necessary to be successful learners. She conducts classes and hosts small groups that are designed to help students within the school environment. Parents should contact Mrs. Roberts if they feel she can be of assistance to their child.

Library Services

During the scheduled class periods the students are taught basic library skills as well as a variety of media forms. Students will work on STEAM (Science, Technology, Engineering, Architecture, Mathematics) and Makerspace projects. In addition to the skills development, the students are allotted time for book check out. Individual and group research projects are also encouraged.

Art

The art program is designed to provide experiences that contribute to the expressive and visual development of every child. The children will create in various media styles. Art will be showcased each year during the Ava Elementary Art Show.

Music

The goal of the music program is to help students build a relationship with music that provides them with enjoyment, personal growth, and an enhanced quality of life. All students participate in singing, playing musical instruments, rhythm activities, and learning. There are various programs throughout the school year put on by the Music teacher. The dates of these events will be communicated with parents.

Physical Education

The physical education department provides a comprehensive sequence of activities which consists of calisthetics, rhythms, tumbling, relays, sport skills, motor skills, and games. Also, throughout the year, students will study topics concerning health, safety, and self-esteem.

Please note: Tennis shoes are required.

Parents as Teachers

The Parents as Teachers program provides information, support, and encouragement to parents during the early years of their children's life. We serve participants with home visits, developmental screenings, and service referrals. Our parent educator is Sarah Nuckols.

Ava Preschools

Our preschool programs are designed for 4 year olds. Currently, we have 4 preschool classrooms. Our two full-day programs have a capacity of 40 total students, two teachers and two aides. Our half-day program consists of a morning and afternoon class of 15 students each along with a teacher and an aide. Our ECSE (Early Childhood Special Education) is a needs based program that operates under one teacher and two aides. Our preschool programs use the ECLL curriculum to support early learning. We collaborate with Headstart to serve as many students as we can.

Bears Den

Bears Den is funded through district funds and the federal 21st CCLC grant. The cost of the program is dependent on student lunch status. Full priced students are \$3 each day, reduced price students are \$2 each day, and free lunch students are \$1 each day. Students attending both the morning and afternoon programs are only charged once per day. Due to the program receiving government funding, no child or family will be denied services. Scholarships are available for families who need financial assistance. Forms are available in the office or with the gatekeeper at check-out. Paperwork must be completed for scholarships to be granted. Bears Den does offer Day Camps when school is not in session due to teacher inservice or teacher professional development days. Bears Den does not offer Day Camps during Holiday Breaks.

Bears Den is not available when school is canceled due to inclement weather and will not be available when school releases early due to inclement weather.

The morning program runs from 6:45 a.m. until 7:45 a.m. and is held in the elementary cafeteria. Parents will drop students at the cafeteria gate and will not accompany them while at morning care.

The afternoon program runs from 3:45 until 5:45 p.m. Students are to be picked up at the Elementary Office.

The Bears Den program director is Kristy Elliott. She can be reached at 417-260-1138 from 3:30-5:45 p.m.

Health Services

The Health Office is open to students that have turned in their Health Update form for the current year. Nurses will NOT give acetaminophen or antacids without the Health Update form on file. Emergency treatment will be given to students who have not turned in their form. Guardians should update this form as a student's health conditions warrant by calling the school nurse at 417-683-0421.

In compliance with the immunization laws set forth by the State of Missouri, all students must have their immunization records up-to-date and on file prior to the first day of school. Students with a medical or religious exemption from immunizations must have a signed form on file. These forms can be obtained from the school nurse.

All prescription medications must be brought in to the nurse's office by a parent. All over the counter medications must include a note from the parent that states the time for administration and reason for the medication to be given. Cough drops should be brought in by the student if they are needed. They will be treated as any other over the counter medication.

Students requiring a special diet due to chronic illness or a food allergy should contact the school nurse as soon as possible. Special diets must be documented by a physician and the physician's note should be on file in the nurse's office.

Students will be sent home for having a temperature of 100 degrees or greater. Due to school policy, students with a temperature of 100 degrees or greater are required to stay home the next day. Your child must be fever free for 24 hours without the use acetaminophen, ibuprofen, etc. This policy discourages the spread of the flu and flu-like illnesses.

Students will be sent home for communicable diseases such as/but not limited to: pink eye (bacterial conjunctivitis), impetigo and head lice. Students with head lice must be re-examined by the school nurse before returning to class the next day.

The school nurse provides vision, hearing, dental and growth/development screenings each year.

Please keep all home phone numbers, cell numbers and emergency contact numbers up to date and on file throughout the year so that we may help insure the safety of your child. You can reach the school nurse at 683-0421 or by email wbrooke@avabears.net.

Emergency Medication

All student-occupied buildings in this district are equipped with prefilled epinephrine auto syringes that can be administered by the school nurse or other school employee trained and supervised by the nurse when the nurse or trained employee believes, based on his or her training, that a student is having a life threatening anaphylactic reaction. In accordance with the law, qualified employees will be held harmless and immune from civil liability for administering epinephrine in good faith and according to standard medical practice.

Epinephrine will only be administered in accordance with written protocols provided by an authorized prescriber. The Board will purchase an adequate number of prefilled epinephrine auto syringes based on the recommendation of the school nurse, who will be responsible for maintaining an adequate supply. The school principal will maintain a list of students who cannot, according to their parents/guardians, receive epinephrine. A current copy will be kept with the devices at all times.

Food: All foods and beverages the district provides or makes available to students during the school day will meet or exceed the Smart Snacks nutrition standards. This includes, but is not limited to, foods and beverages provided or made available to students for celebrations, classroom parties and birthdays, regardless of the source of the food. The district will provide parents/guardians and district employees a list of foods and beverages that meet the Smart Snacks nutrition standards and a list of healthy party ideas, including nonfood celebration ideas. Foods and beverages should not be used as a reward or withheld as punishment.

Virtual Courses

Virtual courses are available through LAUNCH and Missouri Course Access/Virtual School Program (MOCAP). Information regarding virtual courses can be found on our school website www.avabears.net.

8. Students will follow the BEAR Code (See Expectation Matrix).

Change of Information

When there is a change in the information listed on your child's enrollment form, please send this information to the school office. Report any change of address, place of employment, telephone number, doctor, or dentist. If the telephone number is unlisted we still need it for emergency situations. In an emergency situation, the wrong phone number means a delay in informing you of a situation requiring your immediate attention. For your child's sake, always keep the school informed of changes in home or work phone numbers.

Child Custody

In most cases, when parents are divorced, both the mother and the father continue to have equal rights where their children are concerned. If there is a court order that limits the rights of one of the parents, like custody or visitation, the office MUST have a copy of this court order. If we do not have a court order we assume both parents have equal rights to pick up children at school and all other contact situations.

Students Not Riding A Bus

Only buses and vehicles with parking permits will be allowed on East Main Avenue (the street in front of the elementary school) between the hours of 7:30-8:30 and 2:45 – 3:30. Vehicles without permits will be given tickets from the police department.

Morning Drop-Off

Students who do not ride a bus will enter the building on the north side of the building on Broadway Avenue. Students arriving before 7:45 a.m. will go to the lunchroom entrance on Broadway. Students arriving after 7:45 a.m. may use the upper classroom doors on Broadway. Students need to be dropped off on the school side of the street. Parents should NOT park on the residential side of the street and walk students across. Mrs. Roberts, our school counselor, will be stationed by the north side entrance doors to take notes and snacks from parents to be delivered to classrooms. Parents may not walk their children to class. Normal visitor procedures must be followed.

Afternoon Parent Pick up

Students who do not ride the bus will be picked up by their parents on Broadway Avenue. A staff member will walk the students to the car that is picking them up. Please remain in your car so the flow of traffic will move smoothly. Please do not walk to the gate or come into the building to pick up your child. Students not picked up within 15 minutes from dismissal will be sent to Bears Den.

Students walking home will report to the music room. From here, students will be signed out either by a parent or an older sibling.

Notes From Home

Parents are asked to either send a note of explanation or notify the school if their child is to go anywhere other than their normal destination at the end of the school day. Otherwise, the child will be put on the bus, sent to parent pick up or Bears Den as usual

Attendance

The staff and administration of the Ava Elementary School believe regular attendance in school is of extreme importance. Therefore, the Ava Board of Education has adopted the following policy for the Ava Elementary School students.

1. Upon a student's absence, the district will use an automated phone call to notify parents of an absence.
2. Ten (10) days absence each semester will be the maximum allowed for normal circumstances. Students MUST have either a note or phone call from a parent or guardian after each absence.
3. After the fifth and tenth absence, a form letter indicating the number of days missed will be completed and mailed to the home. Upon returning to school after the tenth absence, the student must bring a doctor's note to verify the absence. Unusual or extenuating circumstances will be considered on a case-by-case basis.

All absences, including those approved in advance by parents or school officials, will count against the student's total days absent, except those for school sponsored activities. The school encourages doctor and dental appointments after school hours whenever possible to reduce the number of classes missed for medical reasons.

Excessive absences may result in a grade reduction. Our district policy when there are attendance concerns is as follows: The district will contact the Children's Division (CD) of the Department of Social Services or the truancy court in cases where the district has a reasonable suspicion that a student's lack of attendance constitutes educational neglect on the part of the parents/guardians or that parents/guardians are in violation of the compulsory attendance law.

Parents are asked to send a note of explanation, or notify the school by phone and send a doctor's appointment slip when their child is absent from school. The explanation is recorded along with the absentee of the student.

Extra Curricular Activities/Attendance

Students must be present at least four periods within the school day to attend any extra-curricular activities that evening or weekend. **Students who owe \$50 or more in fines or fees will not be allowed to go on school-sponsored trips unless the student has a payment plan in place of at least 10% of the total owed.**

Truant

Students who have ten unverified absences are identified truant to the Missouri Department of Education.

Pre-Arranged Vacations

Pre-arranged vacations need to be approved through the office at least one week prior to the planned vacation. Request forms may be picked up in the principal's office. Forms must be completed by the parents and signed by the principal at least one week before the trip.

Reporting Pupil Progress

All Students will receive four computer generated progress reports. Grades will be posted on Parent Portal for third and fourth grades. Parents may view Parent Portal at any time after signing up for a password.

Standards Based Grading Scale K-4

4- Advanced (Exceeding Standards)

3- Proficient (Meeting Standards)

2- Basic (Working Toward Meeting Standards)

1- Below Basic (Not Meeting Standards)

Parent Teacher Conferences

Parents will have an individual conference with the teacher at the end of the first and third quarter. An appointment time will be scheduled for each child. Parents are strongly encouraged to attend these conferences.

Parents are urged to consult with the teacher of their children and should feel free to do so at any time throughout the school year. These contacts and consultations should be made outside the regular classroom hours or during teacher planning time.

Please call for an appointment.

Make-up Work

When a student is absent, parents should call the office at 683-5450 before 9:30 a.m. to explain the reason and to request homework. Missed homework assignments may be picked up in the office after school. Two days are allowed for each day a student misses to make up missed assignments.

Testing and Assessments

The district will use assessments as one indication of the success and quality of the district's education program. Following are the standardized tests administered to all students in the Ava Elementary Schools, and the purpose of administering each.

- Students entering kindergarten will be screened using the state provided Kindergarten Entry Assessment (KEA). This tool measures being able to write their name, number recognition, counting objects, writing numbers, letter recognition, cutting, pencil grip, and more.
- Missouri Assessment Program (MAP)-Given to students in grades 3 and 4. This is a criterion referenced test required by the State of Missouri/tests student mastery on key skills identified by the state and helps to identify curricular strengths and weaknesses.

Testing and Assessments Cont.

- STARR – Given to students in K-3 grade. This is a criterion referenced test that monitors student progress through brief, direct, and continuous assessment of basic skills needed to read proficiently.
- Evaluate- A monthly benchmark assessment given to students to measure mastery of Missouri Learning Standards.
- Target tests- Given to students in grades 3-4. This district made assessment monitors student progress of basic skills needed to be proficient and is used to guide our curriculum in the classroom for preparation for the state required tests.
- Placement tests – Students new to the district without school records may be given a placement test prior to being placed in a classroom.
- Informal speech and language screenings

State Mandated Reading Assessment

Reading Assessment: MAP, STARR, Evaluate

Reading Improvement Plan: A minimum of 30 hours of additional reading instruction or practice outside of the regular school day.

Summer School: A minimum of 40 hours of reading instruction and practice.

The following students are exempt from the state-mandated reading assessment

program: Students receiving special education services under an Individualized

Education Program (IEP); Students receiving services pursuant to Section 504 of the

Rehabilitation Act of 1973 whose service plan includes an element addressing reading;

Students who have limited English proficiency; Students who have been determined

prior to the beginning of the school year to have a cognitive ability insufficient to meet

the required reading levels set out in this section. The district must still provide

reading improvement plans to these students.

Reading Assessment: STARR

All students grades K-3 complete an assessment to determine reading proficiency

Students that fall below the given indicators will receive a Reading Success Plan. This

plan should provide parents with information regarding deficits, current interventions,

and resources available to encourage growth in reading.

Dyslexia Screening

Ava Elementary, shall conduct dyslexia screenings for students in the appropriate year

consistent with the findings and recommendations of the task force created under

section 633.420. "Dyslexia screening" is a short test conducted by a teacher or school

counselor to determine whether a student likely has dyslexia or a related disorder in

which a positive result does not represent a medical diagnosis but indicates that the

student could benefit from approved support.

Dyslexia Screening Cont.

Purpose of Universal Screening Data from the National Institute of Child Health and Human Development (NICHD) indicate that brain plasticity decreases over time, therefore early intervention is essential to close the gap between struggling readers and their “normally developing” peers (Stanovich, 1986).

- Identify students who are at risk for dyslexia or reading failure
- Form small groups for instruction and intervention
- Plan instruction and intervention
- Set individual goals for student achievement
- Set exit criteria for intervention window

Who should be screened?

- each student kindergarten through grade 4 each year.
 - o Grades 1-4 should be screened within the first 30 days of the school year, with follow up at the middle and end of the year for systematic documentation of progress or lack of progress.
 - o Kindergarten initial screening should occur no later than January 31st and also at the end of the year for systematic documentation and progress monitoring.
- any student K-4 who transfers from a school within the state that has not previously been screened.
- any student K-4 who transfers from another state and cannot present documentation that the student has a previous screening.
- Exemptions
 - o Existing diagnosis of dyslexia
 - o Students with a sensory impairment (visual/auditory)
 - o Severe intellectual disabilities
 - o English Learner’s where tools or staffing related to administration and/or interpretation in native language is unavailable

Retention and Promotion of Students

Promotion and retention is based on an evaluation of academic, physical, social and emotional growth. The primary reasons for considering retention are: a) frequent or long absences, b) physical or social immaturity, and c) indifference or lack of effort on the part of a capable student. Near the end of the school year, each child is considered individually for promotion to the next grade. The decision to retain a student is made only when the educational staff believes that retention is in the best educational interest of the child. No student is retained for disciplinary reasons and it should never be seen as a punishment. State laws, specifically HB 319, regarding reading level will be enforced when retention decisions are made. Parents will be a part of the decision making process, however, board policy places the final decision on retention with the principal.

Classroom Assignment

The principal has the authority and responsibility for assigning students to classes. This is an educational decision that takes many factors into account. Concerns about placement should be in writing to the principal **before May 1** each year. Concerns will be taken into consideration, but requests are not guaranteed and **placement is ultimately decided by the principal.**

Media Release

Student’s names, picture, and or work may be released to the media or used on the school web page. This applies to any existing or future media sources local or worldwide. If you wish for your child not to be included, **please indicate this on your online enrollment and notify the office.**

Selling Items at School

Students should not sell anything during school hours.

School Pictures

Individual school pictures will be taken each year. School pictures will be taken of those students who desire pictures on the pre-pay plan. All students will have their picture taken for school records.

School Visitation

Class visitations will occur following the district protocol.

If you need to talk with your child's teacher, the teacher will be happy to schedule a conference during planning time, or before or after school. Teachers cannot visit with parents while classes are in session.

School Parties

Classrooms will celebrate by having a party during the following times of the year: Fall Harvest Party and Valentine's Day.

We would like to remind parents, due to a safety concern on the buses, **Elementary students who receive balloons or flowers on Valentine's Day will need to be picked up in parent-pickup and not ride the bus home.**

Refreshments and snacks for parties will need to follow the district's Wellness Policy, which can be found on the district website, avabears.net.

Unauthorized Items Brought to School

Students are not to bring any items to school that could cause a disturbance. Items such as iPads, hand-held games, trading cards, cell phones, etc., are not to be in school unless prior arrangements have been made with the teacher or bus driver and permission has been given to the student.

No pets or animals are to be brought to school without written permission of the child's teacher.

Watches that cause a disturbance with music or sounds will not be allowed in the classroom. This includes "phone watches."

No toys are to be brought to school unless the teacher so requests.

Students are responsible for the items they bring to school. It is very difficult to hold other students financially responsible for damaged or destroyed items. All items brought to school are done so at the owner's liability.

Any item, causing a disturbance and is taken from the student by the school staff will be held until the end of the day. If the incident reoccurs, then the item will be held until a parent comes for it. Cell phones will always be sent to the principal's office to be held until a parent picks it up.

Weather Emergencies

In case of bad weather or when buses cannot reach the student's home because of high water or bad roads, **parents should make necessary arrangements for their children**. Alternate plans made by parents should be explained to the children in advance and not called into the elementary office at the last moment.

The Ava R-I School District utilizes an automated phone calling system. The system will be used for special announcements and information such as school closings. The system will call the telephone numbers each student has as their primary number. Radio and television stations will be used to announce emergency closings. When no announcements are made, school will be in session.

Bears Den at the elementary school will not be available on early weather dismissal days or for any days that the school is closed for inclement weather.

Earthquake Materials from FEMA

Earthquakes are sudden rolling or shaking events caused by movement under the earth's surface. Earthquakes happen along cracks in the earth's surface, called fault lines, and can be felt over large areas, although they usually last less than one minute. Earthquakes cannot be predicted — although scientists are working on it!

All 50 states and 5 U.S. territories are at some risk for earthquakes. Earthquakes can happen at any time of the year.

BEFORE: PREPARE

- Look around places where you spend time. Identify safe places such as under a sturdy piece of furniture or against an interior wall in your home, office or school so that when the shaking starts, you Drop to the ground, Cover your head and neck with your arms, and if a safer place is nearby, crawl to it and Hold On.
- Practice how to “Drop, Cover, and Hold On!”
- o To react quickly you must practice often. You may only have seconds to protect yourself in an earthquake.
- Before an earthquake occurs, secure items that could fall and cause injuries (e.g., bookshelves, mirrors, light fixtures).
- Store critical supplies (e.g., water, medication) and documents.
- Plan how you will communicate with family members, including multiple methods by making a family emergency communication plan.
- When choosing your home or business, check if the building is earthquake resistant per local building codes.

DURING: SURVIVE

If you are inside a building:

- Stay where you are until the shaking stops. Do not run outside. Do not get in a doorway as this does not provide protection from falling or flying objects, and you may not be able to remain standing.
- Drop down onto your hands and knees so the earthquake doesn't knock you down. Drop to the ground (before the earthquake drops you!)
- Cover your head and neck with your arms to protect yourself from falling debris.
- o If you are in danger from falling objects, and you can move safely, crawl for additional cover under a sturdy desk or table.
- o

Earthquake Materials from FEMA Cont.

If there is low furniture or an interior wall or corner nearby, and the path is clear, these may also provide some additional cover.

- o Stay away from glass, windows, outside doors and walls, and anything that could fall, such as light fixtures or furniture.

- Hold on to any sturdy covering so you can move with it until the shaking stops. Stay where you are until the shaking stops.

If getting safely to the floor to take cover won't be possible:

- Identify an inside corner of the room away from windows and objects that could fall on you. The Earthquake Country Alliance advises getting as low as possible to the floor. People who use wheelchairs or other mobility devices should lock their wheels and remain seated until the shaking stops. Protect your head and neck with your arms, a pillow, a book, or whatever is available.

If you are in bed when you feel the shaking:

- If you are in bed: Stay there and Cover your head and neck with a pillow. At night, hazards and debris are difficult to see and avoid; attempts to move in the dark result in more injuries than remaining in bed.

If you are outside when you feel the shaking:

- If you are outdoors when the shaking starts, move away from buildings, streetlights, and utility wires. Once in the open, "Drop, Cover, and Hold On." Stay there until the shaking stops. This might not be possible in a city, so you may need to duck inside a building to avoid falling debris.

If you are in a moving vehicle when you feel the shaking:

- If you are in a moving vehicle, stop as quickly and safely as possible and stay in the vehicle. Avoid stopping near or under buildings, trees, overpasses, and utility wires. Proceed cautiously once the earthquake has stopped. Avoid roads, bridges, or ramps that the earthquake may have damaged.

AFTER: RECOVER

- When the shaking stops, look around. If there is a clear path to safety, leave the building and go to an open space away from damaged areas.
- If you are trapped, do not move about or kick up dust.
- If you have a cell phone with you, use it to call or text for help.
- Tap on a pipe or wall or use a whistle, if you have one, so that rescuers can locate you.
- Once safe, monitor local news reports via battery operated radio, TV, social media, and cell phone text alerts for emergency information and instructions.
- Be prepared to "Drop, Cover, and Hold on" in the likely event of aftershocks.

Use of School Phone

Use of school telephones by pupils shall be restricted to necessary and emergency calls. Permission to make the call should be obtained before placing it. Pupil calls should not be made during class period. Telephone calls seeking permission to accompany friends shall be considered unnecessary. Also, students are not called from class to answer a call unless it is an emergency. It is not school policy for staff members to be called from class to answer the telephone except in cases of an emergency.

Use of School Devices

When students log on to school owned devices, they are to do so using only school provided accounts. For example, when logging on to a chromebook, students are to use the district provided Google login, not a personal Google account.

Internet Acceptable Use Agreement

Parents and students in grades Kindergarten through fourth will be required to complete the district's internet acceptable use agreement each year during online registration. Students without a completed agreement will not be allowed to work on the internet.

Release of Children From School

To ensure the safety of each child, individuals must report to the office before children may be released from school. Students will not be released to individuals not on the emergency contact list from parent portal. Parents who do not wish a person or persons to be allowed to take their children from school shall inform the principal of the circumstances in writing and provide proper legal documents.

Dress Code

In determining acceptable dress and appearance, the following guidelines shall be followed:

1. Dress and appearance shall not in any way cause a distraction or be disruptive to the education process.
2. Dress and appearance shall be consistent with what is generally accepted by the community as being in good taste.
3. Students will not be allowed to wear halter-tops, tube tops, shirt cut offs, mid-drifts, spaghetti straps, or oversized tank tops. Clothing with questionable writing or that advertises alcohol, tobacco, or drugs will not be allowed.
4. Students will be allowed to wear appropriate shorts. Shorts should be finger-tip length. Biker shorts and short shorts will not be allowed.
5. Students will go outside for recess unless it's below 32 degrees. If a child is not dressed in a suitable manner for the weather and playground, students may have to spend recess in the office. If students are in need of warmer clothing, shoes, etc. please let the office know and we can help.

New Students

Students enrolling in the elementary will be allowed to begin one day after the enrollment process if all necessary information is received by the office.

The Ava Schools reserve the right to test/evaluate the placement of any student coming from a non-accredited school. This also applies to home schooled students.

Cafeteria Accounts

CAFETERIA ACCOUNTS FOR STUDENTS It seems to work best for most families to pay weekly or bi-weekly. Please keep a positive balance in your child's account. You can track your children's meal account balances and purchases through Parent Portal. Parent Portal information is available through the Ava R-I School website. www.avabears.net

Free/Reduced meal applications are available the entire school year. They will be processed as soon as possible and each family will be notified of their child's meal status. If you have any questions please email nhoneycutt@avabears.net or call 417-683-4717.

Students who owe \$50 or more in fines or fees will not be allowed to go on school-sponsored trips or attend dances unless the student is competing in an activity or has a payment plan in place of at least 10% of the total owed.

Transportation and Buses

Ava R-I Schools currently operates 18 buses over more than 383 square miles. All of the district's buses have the name of the district on the sides and are numbered. No parents or siblings may ride buses.

Student misconduct on a bus is a major safety hazard to all riders. Riding a bus to and from school is considered a privilege rather than a right. It is a privilege that can be denied in the case of misbehavior. The bus driver has the same authority over the students on the bus as the teacher has in the classroom. Reports of misconduct on the bus are made to the principal who will take disciplinary action. Inquiries or complaints should be directed to the superintendent.

BUS RULES: Actions that would necessitate the writing of a bus incident report (red card).

1. Excessive noise and disruption, including lack of courtesy and respect.
2. Fighting or scuffling on the bus or at the bus stop.
3. Deliberate delay of loading or unloading the bus.
4. Deliberate defiance or refusal to cooperate with the bus driver.
5. Obscene and unacceptable language, gestures, remarks, signs, or indecent exposure.
6. Throwing items of any kind inside the bus, at the bus, or out of the bus window.
7. Smoking or lighting matches.
8. Destruction of property.
9. Extending hand, arms or any portion of the body out of the bus window.
10. Tampering with equipment including deliberate vandalism.
11. Refusal to stay seated.
12. Interference with the normal operation of the bus, which results in jeopardizing the driver or student's safety.
13. Violation of any other rule of student conduct, which governs student behavior in the Ava School System.
14. Illegal use or possession of a controlled substance.

Discipline

Discipline is viewed from a positive perspective at Ava Elementary. We want our students to learn from mistakes and make positive changes in behavior so they can be successful in the school environment. We have high expectations for our students and focus on positive behaviors exhibited by them. Our building creates classroom procedures and policies and within those, each plan includes a provision to visit the principal's office when there are repeated behavior problems or a major infraction. Generally, parents are notified when a student is sent to the principal's office. Below is a brief list of offenses and definitions.

Alcohol: Student is in possession of or is using alcohol.

Disrespect: Student engages in refusal to follow directions, talks back and/or delivers socially rude interactions.

Disruption: Student engages in behavior causing an interruption in a class or activity. Disruption includes sustained loud talk, yelling, or screaming; noise with materials; horseplay or roughhousing; and/or sustained out-of-seat behavior.

Forgery/Theft: Student is in possession of, has distributed, or is responsible for removing someone else's property, or has signed a person's name without that person's permission.

Harassment/Bullying: Student delivers disrespectful messages* (verbal or gestural) to another person that includes threats and intimidation, obscene gestures, pictures, or written notes.

Physical Aggression: Student engages in actions involving serious physical contact where injury may occur (e.g., hitting, punching, hitting with an object, kicking, hair pulling, scratching, etc.).

Fighting: Two people striking, pushing, and shoving, with the intent to harm each other. If injury occurs, the behavior could be considered assault. Law enforcement officials may be notified, depending on the circumstances. In most cases, two students who fight are both equally at fault and will be given the same punishment. However, if it is determined the student was acting in self-defense, that the student would not be punished.

Possession/Use of Tobacco: Student is in possession of or is using tobacco.

Possession/Use of Weapons: Student is in possession of knives or guns (real or look alike), or other objects readily capable of causing bodily harm.

Property Damage: Student participates in an activity that results in destruction or disfigurement of property.

1. Incident Report
2. Student Contract
3. Behavior Plan
4. Loss of Privileges or Restitution
5. In School Suspension
6. Out of School Suspension

Bullying

Bullying is defined as intimidation, unwanted aggressive behavior, or harassment that is repetitive or is substantially likely to be repeated and causes a reasonable student to fear for his or her physical safety or property; substantially interferes with the educational performance, opportunities, or benefits of any student without exception; or substantially disrupts the orderly operation of the school. Ava R-1 Schools Parent Involvement Contract

The Ava R-I School District believes that engaging parents/families in the education process is essential to improved academic success for students. The District recognizes that a student's education is a responsibility shared by the district, parents, families and other members of the community during the entire time a student attends school. The District believes that an environment must be created that is conducive to learning and that strong, comprehensive parent/family involvement is an important component.

The district plan to facilitate parent/family involvement includes the following six goals:

- 1) Promote regular, two-way, meaningful communication between home and school.
- 2) Promote and support responsible parenting.
- 3) Recognize the fact that parents/families play an integral role in assisting their children to learn.
- 4) Promote a safe and open atmosphere for parents/families to visit the schools their children attend, and actively solicit parent/family support and assistance for school programs.
- 5) Include parents as full partners in decisions affecting their children and families.
- 6) Use available community resources to strengthen and promote school programs, family practices and the achievement of students.
