ERASER

## Level Up Your Out-of-School Experience

Discover Y afterschool programs where children thrive! We emphasize academic success and personal development with STEAM activities, team sports, homework support, and more!

**NEW THIS YEAR!** We're excited to introduce **Club Excel** - our revamped afterschool curriculum where your child can explore unique interests and be part of a club that connects kids on a personal level. Other perks of Club Excel include:

**Mini Clubs:** showcasing a variety of special interests that your child can choose from, plus opportunities to add more fun to your child's day

**SPARK Fitness:** positively affects students' activity levels in and out of class through physical fitness, sports skills and academic achievement

**Mindful Moments:** offering youth space and support to rest and reset after a busy school day
