

ST BERNARD PARISH PUBLIC SCHOOLS
Middle School Summer Reading Lists
May 2022

Dear Parents and Guardians,

Our teachers and students have worked hard all year, and your children are leaving school this year as better readers and writers. As you know, good readers and writers read and write DAILY. **Recent brain research shows us that practice is necessary in order to master strategies that are critical to the success of the reading and writing process.** The more students read, the more proficient they become at reading and writing. Summer is a wonderful time of year for students to read books for pleasure and to nurture a love for reading.

The attached summer reading list for St. Bernard Parish Middle Schools supports the district curriculum. The list is organized according to grade level; however, it is always strongly encouraged that students read as much as possible. Books are available for checkout at school sites and at the public library. Books are available for purchase at local bookstores or Amazon.com.

Your support in promoting literacy skills is especially critical to your child's education. **Students who read at least one of the texts on the summer reading list can receive extra credit in their English course the following year.** In order to receive extra credit, students must pass the Accelerated Reader Program (ARP) test for each summer reading book. Students may take ARP tests over the summer at **Davies Elementary School Library from June 3 through June 30 from 8:15 am – 12:45 pm.** Students may also take ARP tests upon their return to school through **August 26, 2022.** Students should submit their printout of test results to their English teacher.

Please encourage and remind your student to keep up with this process to form good literacy habits. We hope that you and your child have a wonderful time enjoying many great books this summer!

Happy reading!
