

Chalmette Elementary Library

Please encourage your child borrow a library book. It is a great way to teach responsibility and improve reading skills. Also remind them to return the book to the library on their library today. Reading is the key to educational success. Reading comprehension will unlock many education doors for children.

Kindergarten students have been working of parts of a book and proper book care.

First graders are studying social skills through Second Step lessons and learning proper book care.

Second graders are reading and learning elements of fiction.

Third graders are learning how to navigate the library and shelf order.

Fourth graders are doing a novel study and studying upstander conduct.

Fifth graders are learning about the online card catalogue and encyclopedia.

Importance of Reading

Try to encourage your child to read at least 20 minutes a day.

According to Scholastic, children who read 20 minutes a day:

Read 1,1.800,00 more word per year.

Score in the 90th percentile on standardized tests and
Become lifelong READERS
