

**Mental Health Provider List**  
Trauma Recovery Demonstration Grant

## Trauma Recovery Demonstration Grant Background

The Louisiana Department of Education (LDOE) was awarded a grant to expand and deliver mental health services to low-income students who are struggling in school and have experienced trauma.

**Our Goal:** The goal of the Trauma Recovery Demonstration Grant (TRDG) is to improve student well-being, student behavior, school safety and academic performance by supporting trauma-specific therapy sessions.

### **What is trauma?**

Traumatic incidents may happen inside or outside of school. Some examples of potential traumatic events include: bullying (including cyberbullying); harassment; experiencing violence (e.g., school shootings, abuse in the home, community violence); suicide clusters; the death of a close family member; emotional neglect/abuse; family mental illness; homelessness; natural disaster; parent deployed; parent in jail; parents divorced; serious injury to self; sexual abuse; or, other physical, emotional or life-threatening events that have lasting negative effects on a student's mental or physical health.

### **Is my child able to participate in the TRDG?**

Any PreK-12 student enrolled in a Louisiana public, charter, or private school who meets the **following three requirements:**

- Recorded or suspected trauma that is negatively affecting the student's learning, attendance, and/or behavior.
- Student is identified as low income
- Student cannot access public or commercial health insurance programs because services through such programs are either unavailable or too expensive. *Students are not able to participate if enrolled with Medicaid.*

### **Who can provide trauma-specific services to my child?**

The TRDG pays for trauma-specific therapy sessions provided by an enrolled Louisiana licensed mental health professional. Each participating provider has been checked to make sure they have: 1. An up to date license and 2. Training in trauma focused mental health services. Parents/guardians are encouraged to select a mental health provider that **best fits their needs**. If the licensed mental health provider you select is not participating in this grant program, they will be helped in completing the enrollment process before services begin.

### **Who pays for the services?**

Trauma-specific mental health services will be provided to low-income students at **no cost to their family**. The TRDG will also pay for unaffordable co-pays.

### **Who can I contact to learn more?**

The parent/guardian can contact a member of their student's school staff such as a counselor, social worker, administrator or teacher to learn more.

You may contact Anna Novogratz ([Anna.Novogratz@LA.gov](mailto:Anna.Novogratz@LA.gov)) with the Department of Education for more information regarding the Trauma Recovery Demonstration Grant.

## Trauma Recovery Demonstration Grant Mental Health Provider List

This packet contains the contact information for mental health providers participating in the Trauma Recovery Demonstration Grant (TRDG). Each mental health provider has been vetted by the Louisiana Department of Education (LDOE) to ensure he/she/they has: 1. A valid up to date license and 2. Training in trauma-informed or trauma-focused mental health treatments.

Parents and guardians are encouraged to select a mental health provider that best fits their needs. If the licensed counselor you select is not currently participating in this grant program, he/she/they will be assisted in completing the enrollment process before services begin.

### Next Steps:

1. Select a mental health provider that best fits the needs of your student.
2. Schedule an appointment with the mental health provider, stating that you were referred by the Trauma Recovery Grant. During the first visit, your student will participate in a trauma screener to finalize eligibility.
3. Once eligibility is confirmed and your student is officially enrolled in the grant program, continue making appointments with your selected mental health provider as needed.

**Please Note: When making an appointment, please make sure to state that you were referred by the Trauma Recovery Grant.**

If you have any questions, you may contact Anna Novogratz ([Anna.Novogratz@la.gov](mailto:Anna.Novogratz@la.gov), 225-366-9170) with the Louisiana Department of Education.
